REAL ESTATE

ERIN VILLAGE

Today terms tell the tale - We have an owner who is willing to finance with one reasonable mortgage. He is anxious to move, and will accept a low down payment on the sale of his storey and one half three bedroom home. His family is grown now and he no longer requires the spacious privacy offered by this large lot with its mature hedges and trees, and gone are the days when his kids fished in the trout stream touching the back yard. Just a short appetizing walk to schools and stores. Stone fireplace, broadloom in living and dining room, large kitchen, full basement with rec room and laundry area, as well as an attached, heated garage, are some of the features which make this attractive home an excellent buy at \$53,900 and we're open to offers.
