## Falcons Tied In Sixth Place

The Falcons, playing in one of the most competitive leagues ever, are tied for sixth place in the 10 league loop with eight points, only three points out of second place.

The Falcons were last at the beginning of the season to Hara, and a week ago Sunday, SS Lazio downed Georgetown at home 4-2.

The only team not played against at the time this report was written is Rinascente. The Falcons are scheduled to play them at St. Clair in Toronto last Monday night. We hope to be in time with the score for the week's issue of *The Herald*. All the other games ended in ties with victories over Hansa and Royal Industries.

Dave Foster is the big gun for Georgetown with 10 goals. The next home game will be next Sunday at 3 p.m. at Cedarvale against Hansa International from Brampton.

## Major Atoms Take Title Second Tournament

Kitchener vs Georgetown 0-2  
Georgetown Major Atoms won their second tournament this year, by defeating Kitchener - Brantford and Guelph Canadians in the final.

Georgetown beat Kitchener 2-0 on goals by M. Jones, a 25 yarder in the top corner, and Gary Lockwood after he hit the goalpost twice.

Goalie Kevin Frank counted another shutout, and Michael Riddell and Gordie Adams were outstanding on defense.

Georgetown vs Brantford 4-1  
Georgetown Panthers played Brantford a fresh team, after a ten minute rest for Georgetown.

Panthers first goal scored by Gary Lockwood, second by M. Jones in the first half.

In the second half Anthony Oram scored the clincher and Bobby Morrow scored the fourth and final goal for Georgetown.

Brantford came back and broke Kevin Frank's shutout on a break away, after Kevin cleared the ball, which hit a Brantford player and bounced into the net.

Outstanding were Adrian Vugts and Rivy Kennedy both ballbacks.

Finals were played between Guelph Canadians and Georgetown Panthers.

Georgetown's Michael Jones scored another 25 yarder right in the top corner in the first two minutes of the game which turned out to be the winning goal.

Guelph got a penalty shot in the second half and blasted it high. The game was back and forth with Georgetown holding off the strong attack from Guelph Canadians.

This was Guelph's third defeat, twice by Georgetown Panthers, and once by Oakville Atoms, both Halton and Peel competitors.

Georgetown vs. Waterloo.  
Georgetown was behind 1-0 for almost the entire game as Waterloo scored in the first minute of play before Georgetown had settled down.

For the remainder of the game the Georgetown defence held firm and the forwards generated a lot of chances to score but unfortunately could not capitalize on them.

Georgetown vs. Cambridge.  
Georgetown lost this close encounter, in which the lead changed hands three times, by the odd goal in seven.

The Cambridge team jumped into an early 2-0 lead but this time the Georgetown's attack was able to cash in on their opportunities as they tied the game up 2-2 on goals by Chris Deere and Jeff Lockwood.

Just before half time Georgetown were awarded a penalty and Jeff Lockwood banged it home to give Georgetown in a 3-2 halftime lead.

In the second half Cambridge scored two quick goals to take a 4-3 lead and although Georgetown had a few changes to score as they had in the first half they had no luck around the net.

Dundas was awarded a penalty shot but Georgetown's goalkeeper Pat Shanks made a spectacular save.

Terry Crawford added one more goal, late in the game for a final 3-1 score. Jack Langedyk opened up, scoring with a header.

Mike Osborne sent Georgetown ahead 2-1 after Dundas had tied the score. Ed Patterson worked his way into a free position and put the ball in with a perfect pass from Mike Osborne.

Oakville scored after four minutes of play on a breakaway and held the single goal lead until half-time.

Georgetown equalized early in the second half when Gord Miller scored direct from a beautiful curving corner kick. Oakville however, mounted a series of threatening attacks and finally managed to capitalize on one of them. Then before Georgetown could get organized Oakville doubled their margin with another goal.

This left the final score 3-1 in Oakville's favor. David Deere played especially well in this game making a terrific series of saves prior to Oakville's second goal.

Georgetown vs Chinguacousy. Georgetown fought hard in this game but went down 4-1 to a very strong Chinguacousy team.

Chinguacousy are currently one of the leagues leaders. Playing especially well in the first half Georgetown held Chinguacousy to the only goal of the half.

In the second half the powerful Chinguacousy squad were not to be denied, and they added three more goals to up 4-0.

Before the game was over Georgetown got on the score sheet when Ken Flynn converted a direct free kick from well beyond the 18 yard line.

It was a beautiful shot, beating the wall of defenders set up by Chinguacousy and going in just under the crossbar.

### GUELPH TOURNAMENT

Georgetown vs. Waterloo.  
Georgetown lost this game 2-0 but had the better share of the play.

In the first half both defences withstood the opposing forwards successfully as the half ended in a 0-0 tie.

In the second half Georgetown again controlled the ball for a better part of the half but Waterloo took command when they broke through the Georgetown defence to get the important first goal.

From the kickoff following the goal the Georgetown charged down on the Waterloo goal but Waterloo cleared the ball out of danger and a breakaway allowed Waterloo to go 2-0 into the lead.

Georgetown vs. Guelph.  
Georgetown lost 7-0 to a Guelph team which played a very attacking style of soccer. Guelph had to score goals to win the round-robin on "goals for".

The Guelph goals came in bunches - early in the first half and late in the second half. In between the game was fairly

even but the Georgetown attack could not generate any solid goal-scoring threats.

The Bantams were rather unlucky in this tournament losing each game by a single goal while having chances to win or tie each game.
