Vows Exchanged At St. George's

On May 4 1974 St. George's Anglican church provided the setting for the marriage solemnized by Rev. R. Gallagher of Joanne Edith Collier and George Edward Crabtree. White glads, daisies and chancel and the organist played "Ave Maria" and "Pania Angelicus" during the ceremony.

The bride is the daughter of Mr. and Mrs. William Collier of 47 Normandy Blvd., Georgetown and the groom is the son of Mr. and Mrs. Albert Crabtree of 8 Ferndale Ave., in Guelph. The bride was given in marriage by her father. She chose a traditional A-line wedding gown of white tulle with long sleeves and a cathedral length train gathered at the waist. The sleeves were deep cuffed featuring a row of tiny peau du sauc covered buttons. The tulle veil was elbow length with a wedding ring headpiece of daisies. The bride carried a bouquet of yellow sweetheart roses and daisies.

MATRON OF HONOR
Mrs. Gail Wallace was matron of honor, bridesmaids were Miss Jeanette Collier and Mrs. Susan Collins, sisters of the bride, and Mrs. Marg Woods, sister of the groom. They were gowned in floor length, empire-waisted, A-line gowns of mint green and white plaid polyester crimp with bodice and long sleeves of mint green. They wore gold sandals and carried nosegays of white daisies and carnations.

Miss Janet Collier, niece of the bride, was flowergirl and she wore a floor length dress the same color as the other attendants with short puffed sleeves and neckline edged in white lace. She wore white shoes and carried a basket of yellow sweetheart roses, white daisies and carnations. The bride's attendants, and flowergirl's dresses were made by the mother of the bride.

Mr. Rob Meek of Rockwood was best man. Ushers were Mr. Murray Wallace of Acton, Mr. Ken Woods of

Players Perform For Pre-Schoolers

Tournee de theatre "Le Magasin de Jouets," a troupe of nine young actors and actresses, their bus driver and a hitchhiker, performed for the pre-schoolers at Knox Church last Friday morning.

The group consists of Collinda Laure of North Bay, Rita Landry of Port Colborne and Therese Audit, Pierre Letarte, Judith Poulin, Celine Lable, Robert Holmes and Diane Goulet, all of Welland.

The group performed its play for the children attending Cap 74's summer play school. The play was about a magic guitar in a toy shop that makes the other toys come alive. Although the play was presented in French the children seemed to enjoy it.

This seems to be the way it happens when the group presents a play for non-French speaking audiences: "They say, 'We don't understand it but we like it.'"

The group which received an OFY grant for \$7,030 was in its fourth week of travelling across Ontario when it performed at Knox Church and it will be finished tours on Aug. 16.

AROUND TOWN

(...An advertising feature designed to keep you better informed of what's new around town.)

Fendley Florists

82 Mill St. 877-3582
DO YOU WANT a fruit basket? Again go to Fendley's. Do you want perfume that has the fragrance of flowers? Here again Fendley's is the place to go. Fendley's is your 'extra touch' florist of Georgetown. The perfume that I just mentioned is called Joie de Fleur. The hanging flower pots come in assorted styles and sizes and are very attractive. Fendley's really do have everything that you could want in the way of flowers. They stock roses every day. They always have long stemmed tea roses in red and pink and have most colors in other kinds of roses. If Saturday is your day for shopping and errands then you will find Fendley's at the farmer's market complete with three Saturday Specials.

Robert Gougeon Home Furnishing

95 Main St. S. 877-2522
NOBODY LIKES TO see the same thing in a store every time they visit it. Well that is a problem that you will not have when you visit Gougeon's Home Furnishing. There is a large new selection of furniture in the store now. There are living room sets, coffee tables and bookshelves and chairs of drawers. There are also many bedroom sets which if they are not on display are either in storage or can be obtained for you in a short space of time. Those rustic lawn chairs, picnic and patio tables are still also available. One thing that you have probably already noticed is that Gougeon's Home Furnishing is decorated in such a way to show you, or at least give you an idea, of what that piece of furniture would look like in a fully furnished home. Remember Gougeon is the most respected name in home furnishings in Georgetown.

Georgetown Pools

78 Todd Rd. 877-8072
LAST WEEK I may have steered you wrong slightly. Orders are still being taken for late August and September. The people at Georgetown Pools tell me that they are very busy now but that work is going ahead at the end of the summer. In fact to their way of thinking the fall is the best season of the year in which to build a pool. They like it because it is dry and therefore the mess created is minimized. What happens is that your pool is finished in the fall and you can do your landscaping before winter and as a result everything will be ready for the next spring. Of course the pool will be winterized and as an added advantage you won't be bothered by the aggravation of springtime with its inevitable mess and delays. So now is the time to set those pool plans in motion. Before I forget the number that you should try now to get in touch with the people at Georgetown Pools is 877-8155.

John Boughton Jeweller

73 Main St. S. 877-4313
I WALKED INTO Boughton's to the chimes of a Full Westminster Pendulum Clock. This is a very interesting clock which is key-wound and lasts for eight days before it has to be wound again. Coming soon to Boughton's in Georgetown is a battery operated chiming clock. This type of clock is made by Caravelle. You will also find at Boughton a large selection of Caravelle wall clocks. These clocks are unconditionally guaranteed for 90 days and come in designs that enhance the appearance of your room as well as serve a functional purpose. Pocket watches are becoming more and more popular these days and Bulova has recognized this demand by providing its own models of pocket watches. These watches are encased in an attractive covering called Bulova Quality. There are two different types of cases, the yellow and the silver. There are eight different models which range in price from \$50 to \$70. One thing more that you should remember, the most important thing of all, is that these products can be found at John Boughton's in downtown Georgetown.

Ryder's TV Sales & Service

35 Main St. S. 877-9796
NOW AT RYDER'S you can get a TV that is a portable as well as an attractive console model. This offer comes to you from Toshiba. It comes in the form of specially designed cabinets in which you place your portables. This means that you can buy a cabinet in which you can place any of four or five models. These cabinets come in three impressive styles Spanish Oak, Mediterranean Pecan, Traditional Walnut, and Contemporary Walnut. The price range is very reasonable, being from \$60 to \$130. So now you can have a TV that also serves the added purpose of being an attractive piece of furniture. This offer is a very effective way to fight the high cost of cabinet TVs. When you are in Ryder's store be sure to take a look at these cabinets.

Mel's Antiques

Glen Williams 877-4488
I WALKED INTO Mel's store only to see him busily repairing a clock that dates from the early 1800's. There are several new items in Mel's store that you will be interested in. I say new only because they have never been in the store before. One of these items is a massive dining room table that seats fourteen. It is really an impressive table. What really caught my eye was the pump organ. This is a Doherty organ manufactured by Clinton of Canada and dates from the late 1800's. This organ is made of a solid oak case and the original carpet still remains on the foot pedals. This particular model of pump organ won the competition at the World's Fair in 1906. Quite impressive statistics. The organ still sounds good too, at least to my tin ear it did. One final reminder is that Mel is always in the market for antiques and collectibles.

Market Place Optical

Streetsville 826-5292
LAST WEEK I mentioned the great price that can be obtained at Market Place Optical for contact lenses. The price of \$99.99 includes all the visits that you will need to get the contacts fitted as well as the insurance. This offer will probably last for the rest of the summer but you know what they say about people who leave things to the last minute. There is no reason why everyone who needs contacts cannot have them. The price is certainly right and contrary to what you may have heard elsewhere it is very rare to find a person who cannot adapt to them. The three types of lenses are made by the same company, PCL, Plastic Contact Lenses. So don't wait get your contact lenses now.

Mike Tarp's Georgetown Chrysler

15 Mountainview Rd. N. 877-5108
THERE ARE A lot of things which are nice to have but there is one thing that every dealership MUST have if it hopes to be successful. What I refer to is a highly competent parts and service department. Georgetown Chrysler, with Dave Lyons as its service manager and Jack Neely as parts manager, has this type of a department. When you buy a new car from Georgetown Chrysler you will have the automatic assurance that this car has undergone a 92 point safety check. Once you have the new car on the road you have no worries as to when to bring the car in for a check. This problem is solved by a device called Car-Comp. This device has computed exactly the number of hours of running time that is to be allowed between check-ups. When this time has expired a sign will light up just to the left of the steering column giving the address and phone number of Georgetown Chrysler. To service your car you have the most modern equipment that is to be found in Georgetown. The service department here works on the appointment system for the sake of efficiency but it is at the same time to the customer's convenience. Body and paint work as well as all kinds of mechanical work will be done at Georgetown Chrysler and you can be assured that it will be done well!

Dog 'N Suds Drive-In

185 Guelph St. 877-7121
DOG 'N SUDS has been in Georgetown for approximately five years. It is part of a chain of 450 stores all across the continent of which 40 or 50 are located in Canada. Owner and manager Ed Browne told me that this chain started in California, like most of the fast food chains, from one store and grew to its present size over quite a few years. Mr. Browne moved into Georgetown with the store and he points out that with all the expansion on Guelph Street he has a very good location. His area is now the focal point for Georgetown. The location is so good and the service so good that Mr. Browne's sales increased for the last year was the highest in Canada and third in North America. He attributes a lot of this success to the staff that works there; nothing like teamwork.

Silverwood Picnic Is Held At Acton

It was a beautiful day for the Silverwood Institute picnic held at Smalwood Acres, Acton on Thursday July 11. A large group sat down to lunch. After the children had had time for a swim, the ladies were busy trying to find the names of the 10 liquids in bottles.

First, Mrs. Lynda Mills; second, Mrs. Carmichael; third, Mrs. Marchington. Number of buttons in the jar was won by Beth Carmichael. Children's races - three to four year olds, Dean Mills; second, Tricia Payton; third, Daune Hasse.

Five to six year olds - Laura Campbell; second, Dennise Hasse.

Seven to eight year olds - Doug Campbell; second, Dawn Payton; third, John Carmichael.

Nine to 10 year olds - David Payton; second, Michelle Richmond.

Thirteen to 15 - first, Joan Lindsay; second, Heather Lindsay; third, Kathy Carmichael.

Balloon tossing - first, Kathy Carmichael and Michelle Richmond; second, Brenda Payton and Mary Lou Lindsay; third, Joan Lindsay and Heather Lindsay.

Shoe throwing - first, Beth

SOCIAL

Mrs. Cecil Ford, Market Street, Georgetown, was the recipient of a beautiful bouquet of flowers for being picked as Mother of the week from CHIC radio, Brampton. The flowers were issued from Fendley Florists, Georgetown.

In 1835 a trip to the moon was thought of as a method of escaping from creditors. Edgar Allen Poe had one of his "heroes" leave earth in a balloon and head for the moon, leaving behind several bad debts.

BEST OF BREEDS
Tanhardt Kennels Reg. owned and operated by Miss Laura Treble, RR 1 Georgetown is extremely proud of champion Capandy's Angel Puss who at 10 months has best of breeds, six best opposite sex wins and approximately 17 times best puppy in breed as well as a group placing. She is shown going best of breed beating her older brother who is also a champion. Angel Puss is a Keeshond of Dutch descent.

BALLINAFAD NEWS

The women of the Ballinafad UCW catered for the wedding supper. There were about 80 guests present including the grandparents of both the bride and groom. Later that evening, friends, neighbors and relatives were invited to the Community Centre in Ballinafad to meet the happy young couple and bestow best wishes.

Dancing was enjoyed to music supplied by a disc jockey. Refreshments were served and another happy occasion ended with all reporting a good time.

This is the peak month for the holiday. Northern Electric, where many from the community work, is closed for a couple of weeks and also other factories in nearby towns have let many of their employees off for annual holidays.

Some families have decided to travel outside of their home province, others have gone to their usual camping grounds. The weather has been ideal. We hope they all return home safely.

Mr. and Mrs. Tom Given attended the wedding of a niece in Richmond Hill, Saturday.

The UCW had charge of the church service on Sunday. Mrs. Norman Sinclair opened the service. Mrs. Leo Jamieson read the scripture and gave the opening prayer.

Mrs. Archie Lawr gave a reading which was in the form of a letter written by a relative of hers which had volunteered to go to Newfoundland for a period of time.

It was interesting but very revealing, showing us that sometimes, when the fishing season is poor, there is no money for luxuries. The main food there are potatoes, homemade bread and fish.

Next Sunday the session will be in charge of service, the following Sunday, Aug. 4, Rev. Stiles will be back in the pulpit.

—Winifred Smith

... The opera, "The Mikado," was temporarily banned by the British, who feared the Japanese might be offended. They were reassured by the Japanese ambassador, who found it delightful.

PRESENTATION IS MADE
Mrs. Fran Deans (nee Fran Deans) has retired from her duties as postal financial clerk at the Georgetown main Post Office, after 35 years of service. Retirement took effect May 3.

Driftwood Tea Room in Norval was the setting for a gathering of 20 friends where Fran was presented with an engraved wristwatch, a silver charm commemorating her 35 years of service and a 35-year-service certificate sent to her by Prime Minister Pierre Trudeau.

Presentations were made by former postmaster Harold Marshall.
