

# Schooltime

## IT'S HERE AGAIN

### TIME TO

- ... Check Your Driving
- ... Check Your Car

When school's open, everything changes. The easy living pace of summer is gone. Everybody gets up a little earlier, rushing around to get out of the house, and we all tend to forget some of the common-sense rules of living with each other...

No matter whether we're drivers, riders, pedestrians, teachers, or concerned parents, we all share the same responsibility for human life. Let's not blame someone else for traffic accidents. We're all to blame when we fail to give full time and attention to what we're doing in a hazardous environment.

If we all practice the rules of common sense and courtesy together, we can prevent accidents in Georgetown and everywhere else we drive and walk.

## SAFE DRIVING'S IN!

### These Driving Suggestions WILL HELP SAVE LIVES

- 1 Do drive a mechanically safe car ... Make sure brakes, steering, tires are safe.
- 2 Do drive the legal speed limit. Drive even slower if traffic conditions warrant it.
- 3 Do obey all traffic regulations, markings, and signals. Always be courteous, alert, cautious.
- 4 Do be courteous in driving as well as at home. Obey all road rules. Drive so as to protect pedestrians and other drivers.
- 5 Do let someone else drive if you have had a drink. Even 'one for the road' may make it the end of the road for you or someone else.
- 6 Do keep your attention on driving. An alert driver is an alive driver.

### REMEMBER

THEY FORGET  
Be Sure  
YOU DON'T
