

MEMBERS OF the YM-YWCA came to register at the new "Y" administration

at St. Andrew's United Church, Mountainview Road. Several new courses have

(Herald Photo) been added to the program schedule for the fall season.

## New Courses Are Offered For YM-YWCA Registrants

A large crowd turned out for the first day of pre-registration for YM-YWCA courses, Wednesday at St. Andrew's United Church.

The church which will house the "Y" programs and administration is at the corner of Mountainview and Sinclair.

More than 280 members were there to register for the fall programs available through the "Y".

In addition to the regular courses run last year, there are several new ones offered for the first time in Georgetown.

Aquatics (Recreation and Fitness in Water) is a program designed to encourage fitness and relaxation in the water rather than by conventional dry

land activities such as running and jogging. Classes in Aquatics promote harmony, health and happiness by achieving unity with the water. The course is eight weeks long starting Oct. 2 under the direction of Lynda Cliphsham.

Women's Day Out will feature monthly bus excursions to places of interest in Southern Ontario. Cost is \$2.50 per person, baby sitting is available. Be sure to register early.

The first trip is to Farmers Market in Kitchener, other trips will include Yorkdale Shopping Centre, and a Christmas Workshop in Burlington.

Men haven't been forgotten, beginning Sept. 29 and for six weeks a fitness course under the direction of Ed Serjeanston will get rid of those extra inches and pounds summer leisure added around the middle.

Programs in family fitness are also held each Monday something planned for each member of the family aged three and up.

Canadian Homecrafts will bring back the skills and knowledge of the past. Knitting, pickling, quilting, toy making, crocheting and baking are taught by the members of the Blue Triangle.

Rhythmic is designed to condition the body through rhythmic exercises done to music. The instructor for the course is Nan Farwell. Registration for any of the "Y" programs will be held for Sept. 16 from 6.30 to 9.30 by mail or in person at the new offices. Members of the "Y" enjoy special reduced rates and advance registration. Memberships are valid for one full year from date of acceptance. Fees are student \$3.00; adult \$5.00 and family \$10.00.

The "Y" is a world wide fellowship dedicated to the growth of persons in spirit, mind and body and a sense of responsibility to each other and the community.

There is a shortage of trained, or even informed, personnel, who can help customers choose suitable plant material for their gardens, patios or balconies.

The course is designed to help fill this vacuum. It is open to mature students as well as those who have completed Grade 12 and who are 19 years of age or older.

In the last course were several students who already were employed in garden centres, many from distant points. Their employers sent them to the college to upgrade and broaden their experience.

Co-ordinator of this unique course is a Norval resident, Tom Crookston. He is a consulting horticulturist by occupation, a consultant to various garden centres and he has extensive practical experience with plant material in a career that has spanned many decades.

Mr. Crookston can be reached at 457-7323, and further information about the course can be obtained from the office of the secretary at the college campus in Brampton.

**AWARENESS**  
This program is designed for those, with or without specific knowledge, who enjoy things that grow and want to help the thousands of others to create

## Opening Meeting of IODE Chapter

The opening meeting of the fall season of the Countess of Strathmore Chapter, IODE was held Monday, Sept. 9 at the home of Mrs. Ken Meers, preceded by a delicious pot-luck supper. The meeting was chaired by Mrs. James Evans, past-regent, in the absence of the regent, Miss Ruth Evans, and she welcomed the members back after the summer months.

The minutes of the June meeting and the treasurer's report were given and the roll call and collection taken. The services at home and abroad convener, Mrs. R. Ballantine, displayed some knitted articles and a crib quilt, made by members, which will be sent to headquarters. Miss Jean Mackenzie reported on the annual marathon bridge, which will begin in October and all bridge players are invited to join.

IODE rose bushes for spring planting can be ordered from the local members. Chapter members will again be selling Christmas cards and supplies, a committee consisting of Mrs. G. McGilvray, Miss Helen MacDonald, Mrs. A. Dean, Mrs. W. McMillan, Miss Margery Mackenzie and Mrs. O. Hunter will look after this project.

The October meeting will be held on Oct. 17 at the home of Mrs. A. Dean, 6 Irwin Crescent. Misses Jean and Margery Mackenzie favored the meeting with a showing of slides taken during their recent trip to

## Acton Parade On Saturday

Registration dates for entries in this year's Acton Fall Fair parade are drawing to a close.

The final day is Thursday. All entries must be registered with the secretary of the agricultural society before this date to be eligible to win a prize.

The parade starts at Acton High School at 11.30 a.m. Saturday.

## BALLINAFAD NEWS

Congratulations to Murray Jamieson who was married on Saturday, Sept. 14 to Miss Gayle Lawler of Maxwell, Ont. The wedding took place at Maxwell United Church. A reception and dance was held in the Dundalk Legion Hall Saturday evening where a large number gathered to meet the happy couple. There was a great many of Murray's friends present at the gathering from Ballinafad. The young couple will reside in Streetsville.

Mr. and Mrs. Leroy McArthur recently celebrated their 25th wedding anniversary, among the guests present for the occasion were Mr. and Mrs. Richard Shortill from Ballinafad. Mrs. McArthur is a sister of Mrs. Shortill.

Miss Kathy French is visiting friends at Los Angeles California.

Mr. and Mrs. Paul Schwarz have relatives visiting with them from Germany.

The Yemen wedding was held on Sunday at the Community Centre. The former Yemen Farm, was formerly the Jack Cole Farm who was a grandson of one of the original Yemens. The farm is now known as the "Birchwell Farm" and is owned by Carl Vomar.

Acton Fall Fair will be honored to have the fine horses associated with the Carlsberg Brewery at their fair next week end. The horses will be stabled at Mr. Dan Campbell's fine new barn. Mr. and Mrs. Dan Campbell are well known here as they farmed here a few years ago. They now live on the outskirts of Acton.

THE HERALD, Wednesday, September 18, 1974 - Page 11

## Church Building Changing Hands

The Baptist Church at 14 Main Street South, one of Georgetown's most famous buildings with its high steeple has been bought by the Georgetown Alliance Church. The Alliance Church has been in Georgetown for almost seven years, but until now has had no building to call their own. Their meetings previously had been at Centennial Public School.

The Alliance took official possession of the church on August 30, and held its first Sunday service for the 90 strong congregation on September 8. David J. Phillips, the minister for the Alliance Church, uses four distinct statements to outline the spiritual message of the Church.

Christ Our Saviour, Christ Our Sanctifier, Christ Our Healer, Christ Our Coming King.

"The Georgetown Alliance Church," said Mr. Phillips, "appreciates all the people who have become a part of the Church by conversion or transfer, and we're thankful that we are a part of this great community in Georgetown."

## Palette, Pencil Club Elects New Executive

The first meeting and election of officers of the Palette and Pencil Club of Georgetown for the coming year, was held at the home of Ruth Gibson, Delrex Blvd., in the form of a pot-luck supper.

Following the business meeting a presentation of a cut crystal liquor set was made to Hazel Vokey who is being married next month. Hazel has acted in the capacity of secretary for the club for the past year.

New executives for 1974-75 are: Canon Somerville, chairman, Frank Black, president, Ellen Melton, vice-president, Ruth Gibson, secretary, Jean Horton, treasurer, Eileen Patterson, publicity, Barb Scull, social convener, Dorothy Marshall, sketch tours, Jo Walters, social convener.

## Members Of Calf Club Score In Showmanship

Sixty-eight 4-H Dairy Calf Club members took part in the 4-H Silver Dollar Competition at Orangeville Fair. These 4-H members were selected from the 16 counties and regions covered by United Breeders. Earlier in August, the 4-Hers had travelled to United Breeders Headquarters in Guelph and had completed a quiz on dairying and written an essay on the family farm of the future.

At Orangeville Fair the members were scored on showmanship and on their calf. Halton 4-H competitors were Lynne Stewart, Cecil Patterson, and Les McDonald of the Halton 4-H Holstein Calf Club, Valerie Ella of the Halton 4-H All Breeds Dairy Calf Club and Carol Somerville of the Acton 4-H Calf Club. Lynne Stewart had the top score for Halton, 748, followed by Carol Somerville with 737. Lynne also was first in junior showmanship and third with her July calf.

## Boy Injured On Bicycle

A 13-year-old Acton boy, Paul Elliot, of 13 Church St., received cuts and bruises when his bicycle ran into the side of a car at 4:45 p.m. Friday.

The car, driven by Kurt Haefner of RR 4 Acton received \$100 damages. Acton OPP reported that no charges were laid.

## Junior Champ In Calf Class

Carol Ann Laidlaw, a first-year member in the Halton 4-H Holstein Calf Club, had the first prize Junior Holstein Calf in the 4-H calf class at the CNE.

A similar honor was won by Kim Wingrove, another first-year member, in the Senior Heifer Calf Class. Kim went on to be the Grand Champion with Carol Ann as Reserve Champion.

Lynne Stewart placed ninth with her senior calf.

In the class for last year's 4-H calf, Paul Stewart had the Reserve Champion with his senior yearling, Donna Stewart had the second prize junior yearling and Lynne Stewart the fifth prize junior yearling.

All of these animals will be shown at the 4-H Competition at Milton Fair on Friday, Sept. 13.

IT'S JUST DOWN THE HILL.

who will arrange an appointment.

## CREATIVE PLAYGROUND School Play Area Curbs Boredom

Unlike most children, the pupils of Pineview Public School on Trafalgar Road weren't too unhappy about returning to school after their summer vacations.

During the summer the school had constructed a creative playground with the aid of an Opportunities For Youth (O.F.Y.) grant, and it was ready at the beginning of fall term.

Herb Pilles, a grade three teacher at the school first came up with the idea of a creative playground in June 1973.

The playground was intended to give the children an interest to curb the boredom and restlessness of the children during recess. The idea appealed to the other teachers, the pupils and their parents.

Mr. Pilles also hopes that the school playing area could be used for after-school activities. The creative playground could serve as a park area as well as solving the problem of boredom.

He decided, since Pineview like all schools had only limited resources he would use resources available from the area and apply for an O.F.Y. grant to supply student labor.

By September the project was well into the planning stage and the response was encouraging. Many local businesses were willing to supply necessary materials,

and several parents wanted to help with the construction and design work.

Although he applied for the O.F.Y. grant only two days before the deadline the government provided \$6,000 to pay eight students for three weeks.

The ideas for the structures used in the playground were based on what Mr. Pilles and the other teachers had seen during trips to other creative playgrounds in the area, and also on what materials they had obtained.

There were several alterations to the original rough designs but by the end of August the eight students with the help of the teachers parents and pupils, had finished the playground. But as Mr. Pilles pointed out, "the playground will never be finished. I hope that we'll always be adding to it and replacing parts that don't attract the children. It will be a continual thing."

The playground now has a small wooden fort, three playhouses, a balance maze, many climbing structures of

old tires and the children's favorite, a pulley on a rope ten feet long. Mr. Pilles stressed that the playground is very safe and is a great success with all the pupils of Pineview.

**Georgetown Pools**  
78 Todd Rd. 877-8072

ANOTHER OF THE recipients of the services are the Hochridges of 38 Shelley Street. These people based their decision to employ Georgetown Pools on what they have heard about the performance of Mr. Carl Heissler, the owner of Georgetown Pools as well as on the personal knowledge of Mr. Heissler. Though they were personally acquainted with Mr. Heissler they did not receive a deal. They received the same flat rate that everyone else received. Needless to say they are very happy with the end result. There were no hold-ups or delays and their pool was finished in a week and a half. That in itself is a very impressive record. They also mentioned that there was very little mess created. There were no piles of dirt and no destroyed shrubs, plants or flowers. In answering the criticism that Mr. Heissler is a slow worker Mrs. Hochridge said that it is because Mr. Heissler is so exact in his work. He has to have everything just right. In other words he likes to build good pools. Mrs. Hochridge expressed a desire to keep her business in town but also said that she would recommend Georgetown Pools to anyone.

**Mike Tarp's Georgetown Chrysler**  
15 Mountainview Rd. N. 877-5108

THE FEARS AWAKENED when one buys a used car are very real but need not be so if and when you decide to buy your next used car from Georgetown Chrysler. First of all the reason for buying a used car is the fact of the rise in price of the 1975 models. That gets rid of one of the problems revolving around used cars but what about the problem of risk when buying one of these cars. Mike Tarp's answer to this problem is the 12 month 12,000 mile guarantee that he offers on his used cars. This guarantee covers all parts for the transmission, differential, and the engine. This new policy is good anywhere in Canada and Mike Tarp is the only dealer in the area that has a policy of this nature and he has also decided to include all the police cars on his lot in this arrangement. Now what better reason does one need to visit Mike Tarp's Georgetown Chrysler.

**Robert Gougeon Home Furnishing**  
95 Main St. S. 877-2522

THE SALE THAT has illuminated downtown Georgetown this August has ended as of this writing but unfortunately I do not have the names of the lucky prize winners. What I do have is several reports that indicate the favorable reception it has received. This sale has combined money-saving values with, great prizes and a lot of fun. The end result is that the people who participated in this sale had a good time, once they got into the spirit of the program, and also saved money. I am sure that the people of Georgetown would like to thank all the people of Robert Gougeon Home Furnishing for bringing this program to them. This is just an example of the positive approach of Mr. Gougeon and is thus a very good reason for making this store a regular stop for you when you come to downtown Georgetown.

**Dog 'N Suds Drive-In**  
185 Guelph St. 877-7121

I WONDER IF anyone remembers what the weather was like at this time last year. If your memory fails you I can assure you that it was miserably hot. It looks very much like we are going to have a repeat performance of this weather. So when this weather arrives and you are sitting around the pool and you do not feel like cooking a meal or you just want a nice cool drink phone Dog 'N Suds. They can prepare your order for you and than all you have to do is pick it up. You can get the cold drinks in a cup or by the gallon. You can also get milk, chocolate milk and assorted milk shakes. These are real favorites as are the several varieties of hot dogs that can be ordered at Dog 'N Suds. And don't forget that country fried chicken that can be ordered for any number of people from two to seven. But above all don't forget Dog 'N Suds.

**John Boughton Jeweller**  
73 Main St. S. 877-4313

A REFLECTION ON Pioneer Days is that you can get your rings cleaned and checked on the spot at Boughton's. This is the only store in the area that offers this on the spot service. This cleaning and checking service is free all the time and it is something that should be done quite frequently. Another thing that should be done soon, and which you probably never thought to do, is to have your ring re-evaluated. The reason for this is that the value of your diamond never goes down and with the way prices are rising these days you can bet that the value of your diamond has taken off. To do this leave your ring at Boughton's and they will have it back to you within two weeks. There is a wide selection of diamonds from which to choose at Boughton's and the new 1975 models of the Accutron watches are also in. This is one of the most famous names in watches and anything good that you have heard about them is true.

**Ryder's TV Sales & Service**  
35 Main St. S. 877-9796

THE BIG MOVE is due to be accomplished within a week of this writing and I am sure that many of you people will visit Ryder's new location within a very few days of this opening at Moore Park. There are still many items left that would be of interest to many people. Most of the products in this store have had impressive reductions tagged to them. Remember anytime is the time to buy a TV, and Ryder's is the appliance that goes along with this anytime. Those impressive reductions that I mentioned before also applies to the TV's. So drop into Ryder's either in downtown Georgetown or at Moore Park. If you are at Moore Park after Labor Day you will be able to help the people there celebrate the opening at their new location. Don't miss it!

**Mel's Antiques**  
Glen Williams 877-4488

THIS GLEN WILLIAMS enterprise is the place to go for antiques and collectibles. Collectibles if you will remember are those items which do not qualify as antiques because they are not old enough yet they are rare enough to have a demand. While you are at Mel's looking over his collection you might also want to inquire about the line of Rep products that is being carried at Mel's. These products are designed for refinishing and preserving of furniture. You might also find out some of the hints that Mel could offer to make your refinishing more efficient. Mel also makes up refinishing kits that you might be interested in. At any rate there are many reasons for you to visit Mel's Antiques, so get there soon.

**Fendley Florists**  
82 Mill St. 877-3582

I MENTIONED THE forget-me-not club last week and I think that it should be stressed that this is a service that is offered by Fendley's Florists. The files that are being kept on the people who have expressed an interest in this arrangement is essentially a reminder file. It is a reminder that arrives automatically a few days before the day to be remembered. Then you have the option of acting upon this reminder. The forget-me-not bouquet is a routing Edwardian arrangement that consists of seasonal flowers and since this is the season of roses you can expect a liberal sprinkling of roses. There is also a new selection of dried flowers in the store some of which are made in Mexico. But don't forget to visit Fendley's.
