The 1974-75 Georgetown and District Minor Hockey Association's hockey season has begun.

GDMHA Hockey is basically house league hockey built upon the cornerstone of equal ice time regardless of the ability of the individual player.

The league is run in six divisions, Novice, Atom, Pee Wee, Bantam, Midget and Juvenile. Ages of the players range from six to 19.

I will be reporting the game scores for each division.

My job is to communicate with the players, parents and fans and I invite the readers to contact me personally at 877-4378 regarding any questions or problems they may find from my reporting of the hockey. And if I am not doing my job properly let me know.
