

SILVERWOOD

Mrs. I. Carmichael will be the voting delegate at the W.I. area convention at Kitchener Nov. 25-26, several members will be attending. Discussion will be place concerning resolutions to be voted on at the convention and it was left to the delegate. Sect-treas. is to write to the museum board at Kelso stating the members wish to leave museum as it is. Members will cater to sale, Thursday evening 17th, at the sales arena on 7th line. Mrs. D. Lindsay convener for the banquets at the Mohawk gave a report and thanked those who helped. Mrs. Giffen gave an excellent reading on heritage. Mrs. Corbett convener of the meeting read a paper taken from the book "Future Shock". The giant advancement in the last few years due to technology, travel, communications, cold storage, TV, water systems, heating, building, large earth moving machines, some used on farms, etc. A large step taken and much more to come in the near future. Meeting closed with social half hour.

Mrs. Corbett has returned from an enjoyable trip to the west coast. She flew to Calgary and then a bus to Vancouver, visiting some relatives en route and flew home.

That dead elm tree on No. 7 Highway at Silverwood is no more. At long last workmen brought it down. Limbs have been coming down for several years and it was becoming a safety hazard.

Georgetown Rug Hookers displayed some very fine pieces of work several days at the plowing match. They hold business meetings second Monday of the month and starting soon on a pictorial "sunset".

Roughley. Mr. and Mrs. A. C. Patterson, Mrs. Mills and Miss Helen Mills visited Miss W. Ivens at Brantford recently.

Sixteen WI ladies and friends saw a very well conducted cooking demonstration by home economist Mrs. Nancy Patton at the St. Lawrence Starch Co. Ltd. kitchens at Port Credit on October 8. Three of our ladies—Mesdames F. Brown, S. Gisby and N. Anderson won some of the tasty dishes prepared.

The WMS met at the home of Mrs. A.C. Patterson on Wednesday evening, with 14 attending. President Mrs. Roughley opened by reading, "It will show in your face." Mrs. Noble read Scripture and Mrs. J. Crichton led in Prayer. Text word "Life" and roll call were answered in verses of Scripture. A number read interesting current events. The Thanksgiving program of the Glad Tidings was used with Mrs. Roughley as leader. Invitations were received for Union, Oct. 2, Nov. 10, 22, and the district, Oct. 28 meetings. Our own Thanksgiving meeting will be held Nov. 3 with Presbyterian president Mrs. Weber as speaker.

Mrs. A. W. Benton Cube and Scouts have begun again this year. The leaders are the same for the Cubes—Steve Thompson, Elaine Hannah and Dave Hannah. At the present we only have eight Cubs registered, so any boys eight to ten are welcome to join. The meetings are in the school on Wednesday nights from 7-8.30. The Scouts have a new leader Ron Yates. They meet at the school on Monday nights but at the moment the registrations are closed with 12 boys on the list.

Two of the Cub leaders are at present involved in taking a Wood Badge course at Blue Springs Scout Reserve. This involves three weekends of training there and when finished will give them the highest level of training available to them as Cub leaders.

First Limehouse Group Committee is back in action again too. They have held two meetings recently—one at the home of Mr. and Mrs. G. Hoyer and the other at the home of Mr. and Mrs. R. Yates.
