

THE GEORGETOWN and District High School Junior Team which took part in last week's meet. Front row from left: Jenny Thompson, Sue Norton, Sharon Eames, Martha Girvan, and Diane Strachen. Back row from left: Eddie Van Ravens, Paula Stewart, Heather Clarke, Brenda Furlotte, Val Phillips and Cameron Robinson.

## GDHS swim teams receive praise and points

There was no happier man at poolside last Thursday afternoon at Lord Elgin High School in Burlington than GDHS swim coach Bill Balfour. As his team had only one practice in the water prior to the meet, Coach Balfour did not set his sights too high as far as points were concerned.

However, the team's efforts both surprised and pleased him. As he remarked later, "We did very, very well. A lot better than I expected."

The juniors finished third with 25 points. Nelson High School, with 71 points and Oakville-Trafalgar High School, with 31 points were first and second respectively in that division.

In the senior division, Georgetown again finished third, with 61 points. Oakville-Trafalgar High School finished second with 69 points, while Nelson High School completely dominated, garnering 118 points.

The other two schools competing in the meet had much larger teams than did Georgetown and were thus able to flood the pool at times with swimmers, who picked up points merely for being in the water. Coach Balfour is hoping to have a much larger team when the next meet comes up.

The team may have been small, but their enthusiasm and team spirit far outshone both Nelson and Oakville-Trafalgar and was certainly responsible for some outstanding performances.

For the juniors, Jenny Thompson, Val Phillips and Brenda Furlotte were third in the 150 metre medley relay.

Sue Norton was third in the 50 metre breast stroke while Martha Girvan placed fifth. Heather Clarke turned in the best Junior Performance when she placed first in the 50 metre backstroke. Team mate Val Phillips placed 6th in this same event. Cameron Robinson placed third in the boys' 50 metre backstroke.

In the girls' 50 metre freestyle, Sharon Eames placed sixth and Diane Strachen, second. Eddie Van Ravens was third in the boys' 50 metre freestyle while teammate Cameron Robinson came in fifth. The girls' 200 metre freestyle team did well, as they picked up a second in this event. Members of the relay team did well, as they picked up a second in this event. Members of the relay team, included Sue Norton, Heather Clark, Jenny Thompson and Diane Strachen. Paula Stewart was also a member of the Junior team.

Team captain, John Girvan, was the outstanding Georgetown swimmer in the meet. He collected firsts in both the boys' 100 metre individual medley and the boys' 100 metre breast stroke. Also for the seniors, Cathy Masson performed well, as she garnered a first in the girls' 100 metre individual medley; a third in the 100 metre butterfly; a second in the 100 metre backstroke and a second in the girls' 200 metre freestyle relay.

Pauline Heaton placed second in the girls' 200 metre freestyle. Carolyn Ewen and Marie Milne placed third and fourth respectively in the girls' 50 metre freestyle. Earl Lintz was second in the boys' 50 metre freestyle. Drew Clarke and Paul Carter placed fourth and fifth in the boys' 100 metre freestyle. Paul Carter was second in the boys' 100 metre backstroke.

Sue Norton helped the Senior team with fifth place in the girls' 100 metre breast stroke. Pauline Heaton placed second in this event. Earl Lintz was second in the boys' 100 metre breast stroke.

Both the boys' and girls' 200 metre freestyle relay teams finished second. The girls' team included, Cathy Masson, Pauline Heaton, Carolyn Ewen and Marie Milne. For the boys' team, the swimmers were, John Girvan, Drew Clarke, Earl Lintz and Paul Carter. The next meet for the team will be held at M.M. Robinson High School in Burlington, Thursday December 12th.

Lord Elgin High School pool supervisor Malsie Vurke complimented the Georgetown team for its conduct and noted that they were the only team to lend a hand in setting up and clearing the pool for the meet.

The team has the spirit and potential to be a winner and with practice time now available (and a pool) they could be the surprise of the league.

## Curling club "Glad" to honor oldest active member

On Saturday, November 30, the women's section of the North Halton Curling Club will be holding a special bonspiel. As in years past, this 'spiel' is held to allow new and experienced members to get to know one another and to become familiar with the club and the facilities available.

This year's event will be known as the "Glad Robinson Bonspiel", in honor of Mrs. Glad Robinson, who at 80, is the oldest member of the club. It must be pointed out however, that in Mrs. Robinson's case the age factor is deceiving.

She exudes an enthusiasm and zeal for life that people half her age would find hard to match. In addition to curling during the winter months, Mrs. Robinson participates in a senior citizens bowling league. For the past ten years, she has been a very active member of the local lawn bowling association. Her warmth and friendliness has been responsible for many a

pleasant evening at the North Halton Curling Club. Mrs. Robinson actually got involved with curling quite by accident. It seems her husband's brother, Nels,

showed up at the house one evening and persuaded her to give it a try. He must have been very persuasive, as this happened fourteen years ago and Mrs. Robinson is still hooked on the sport.

When asked to explain the attraction of curling, she said, "The friendliness of the people involved, the competition, everything, I enjoy everything about curling."

Mrs. Robinson is so excited and pleased by this year's event that she has purchased individual trophies which will be awarded to the members of the winning team.

The ladies are still looking for new members and anyone who is interested should contact Mrs. June Magnuson, president of the ladies section of North Halton Curling Club. The first draw starts at 9:00 a.m. Saturday the 30th, and it promises to be a great day for the girls. The presence of Glad Robinson will assure success. How can you lose with a winner like this?

## Georgetown men at OMSA

By Peter Skelton

On Saturday, November 23rd, I attended the fall meeting of the Ontario Minor Soccer Association in Toronto. With me was Bryan Turner, Chief Referee. Also in attendance was Haddy Smedema, president of the Georgetown Minor Soccer Association.

This was my first attendance at a meeting of this kind, and my immediate impression was that Georgetown must have strong representation at all these meetings. Decisions are being made by the OMSA which affects every boy playing minor soccer. Representation, in strength, will preserve and promote the interests of Georgetown Minor Soccer.

This meeting in particular, provided in-

formation about a new provincial soccer program. Structured on a regional basis, the emphasis is to provide every opportunity to all boys to represent the province of Ontario. The OMSA will soon provide more specific details on how Georgetown can participate.

Two reports were included at this meeting by Haddy Smedema regarding the Eastern Canadian Finals and the Ontario - Squirt Division. Georgetown's participation in these areas was appreciated by the OMSA executive. This type of interest and effort from a member of our Association can only benefit minor soccer in our area, and again highlights the necessity of keeping in touch as much as possible to all OMSA affairs.

involve you directly. They deal with a second general meeting every year, registration fees, membership fees, interlocking soccer games, officia, players substitution, duration of games, the event of a team winning a game by forfeit, the event of a tie in final league point standing, responsibility of coaches and managers. Why don't you decide with us what is good or not good for our association.

Many more things will have to be discussed. It may lead to restricted registration, or coaches and managers to be registered first and registration of boys and girls later.

It will involve Halton and Peel, Pineview and many more things. We had more than 120 coaches and managers and more people working in many committees during 1974. We may need many more for 1975. So I can only say your attendance will be appreciated and is necessary to make the 1975 season a success.

opportunity to become a paid member before the meeting to be eligible to vote. We are also proud to know that, regardless how many people attend the association for 1975. Many good soccer people have indicated they will be available for the executive of which some are executive members at the moment, but it is up to the membership to elect the people of their choice. 1975 will largely depend on them. Soccer may be played during the summer months only, but it is up to the membership to elect the people of their choice. 1975 will largely depend on them. Soccer may be played during the summer months only, but for the executive it is a job for 12 months of hard work.

A good number of proposed amendments and changes to the constitution were submitted by the membership, an indication of activity among soccer people. Some of these proposed amendments will

# ANNOUNCEMENT

HALTON REGIONAL SAFETY COUNCIL in co-operation with the Halton Regional Police announces the following safety programs for the protection of our community.

SCHOOL PROGRAMS will include Pedestrian Safety, Bicycle Safety, Winter Safety, Stranger Program.

WE GRATEFULLY acknowledge the following organizations in supporting our Community Safety Programs.

THE HAMILTON AUTOMOBILE CLUB provides material and financial assistance for the operation of school patrols covering 63 elementary schools in Halton Region. A total of 252 crossings or school bus routes involving 1,250 school patrol students protecting in excess of 37,000 children a day.

IN THE 26 YEARS the school patrols have operated in the Halton Region there has never been an accident or injury.

THE HAMILTON Automobile Club also provides a complete traffic safety program for each school year for the teachers to follow up the programs presented by your Police Safety Division.

THE ONTARIO SAFETY LEAGUE with the co-operation of the Halton Regional Safety Council presents Elmer The Safety Elephant for safety programs for elementary schools. Safe Bicycling Training programs, Defensive Driving Courses for experienced drivers, Courses on Baby Sitting as well as co-operating with the Ministry of Transportation and Communications and supporting their various Traffic Safety Programs made available to the Province.

IT IS OUR FIRM BELIEF that no one program or single organization can accomplish safety in our community. It is a team effort and with your help these safety programs will be successful.

**Mrs. Edna Johnstone,**  
Chairman  
Halton Region Safety Council

**K. Stewart**  
Chief of Police  
Halton Regional Police Force
