

Sheep producers interested in ewe(s)

Some 75 members and friends of the Zone 3 Ontario Sheep Association meeting of Saturday morning, December 7 at the White Horse Inn, Paris for the annual meeting. In charge were Fred Lowden, RR1 Smithville, as president and Doug Gardhouse, RR5 Milton, as secretary-treasurer. Following the business meeting a delicious roast lamb dinner was served.

George Phillips a member of the Ontario Sheep Marketing Council, discussed the activities of this council. He stated that funds would be available to zone associations and to 4-H Sheep Clubs in the coming year. The government is being asked to support the Ewe Retention Program where sheep producers would be subsidized for ewes kept in the flock.

Raymond Comfort, president of the Canadian Sheep Association, informed everyone that the Canadian annual meeting would be held this year in our zone on February 25 and 26 in the Sheraton-Connaught Hotel, Hamilton. The Ontario association will be meeting on the 25th, followed by the Canadian association's banquet that evening and their annual meeting the next day.

Jack Gartschore, vice-president of our Zone and director to the Ontario Sheep Association, discussed the wool check-off program which is to be implemented. The proposed check-off is three cents per pound of wool from each producer in Ontario. This will be used by the Ontario Association to promote lamb and wool, etc.

Guest speaker, Dave Collie from New Zealand, suggested we could improve our efficiencies by thinking about income per acre and per man rather than per ewe. It is normal in New Zealand for one man to look after 2,000 ewes, even at lambing time. He suggested we could make better uses of financing throughout Ontario to use many acres of which are now sitting idle for sheep production.

New officers chosen for 1975 were: past president - Fred Lowden, RR1 Smithville; president, John Gartschore, RR3 Dundas; vice-president, Lloyd Deeks, RR2 Cayton; secretary-treasurer, Henry J. Stanley, RR2 Rockwood; and assistant secretary-treasurer and director from Halton, Doug Gardhouse, RR5 Milton.

Christmas happy for all

A good hearted Georgetown citizen, William Manderson, has come to the aid of the Good Neighbor Service and offered premises on Wesleyan St. home of the former 'V' office. The doors will be open the 18th of December for anyone wishing to contribute canned goods, good used toys, etc.

Even before the service gets into high gear, Roma Timpson, has had offers from North Halton Sports, St. Andrews Church, Holy Cross CWL, and warm hearted citizens who have phoned with offers of Christmas trees, clothing and food. The Kinettes, again as in the past are looking after the toys, so if you wish to donate new or good used toys, please call Mrs. Bonnie Earl, 777-1393 as soon as possible, to enable these ladies to sort and tag the toys according to age. Don't leave it too late as there is a lot of work involved and baskets are being delivered around the 21st.

Last Monday, Kinettes Donna Diegle, Roseene Levy, Lions, Pearce Porter, Ron Lacey, and Legion members, Norm Ward, Denny Wright, Jerry and Linda Wright, Tut Harrison, Roma Timpson, addressed several hundred envelopes to be sent to businessmen and citizens of town in hope they will contribute to the ever-spiralling costs of food which is spent to assure all families on our list will have a hearty and traditional Christmas dinner. All organizations gather on delivery day and anyone wishing to help in the preparation are invited to drop in on Wesleyan St. the 18th from 10 o'clock.

Monetary contributions will be received at 53 McIntyre Cres., c/o Mrs. Roma Timpson. A receipt will be sent to acknowledge your donation.

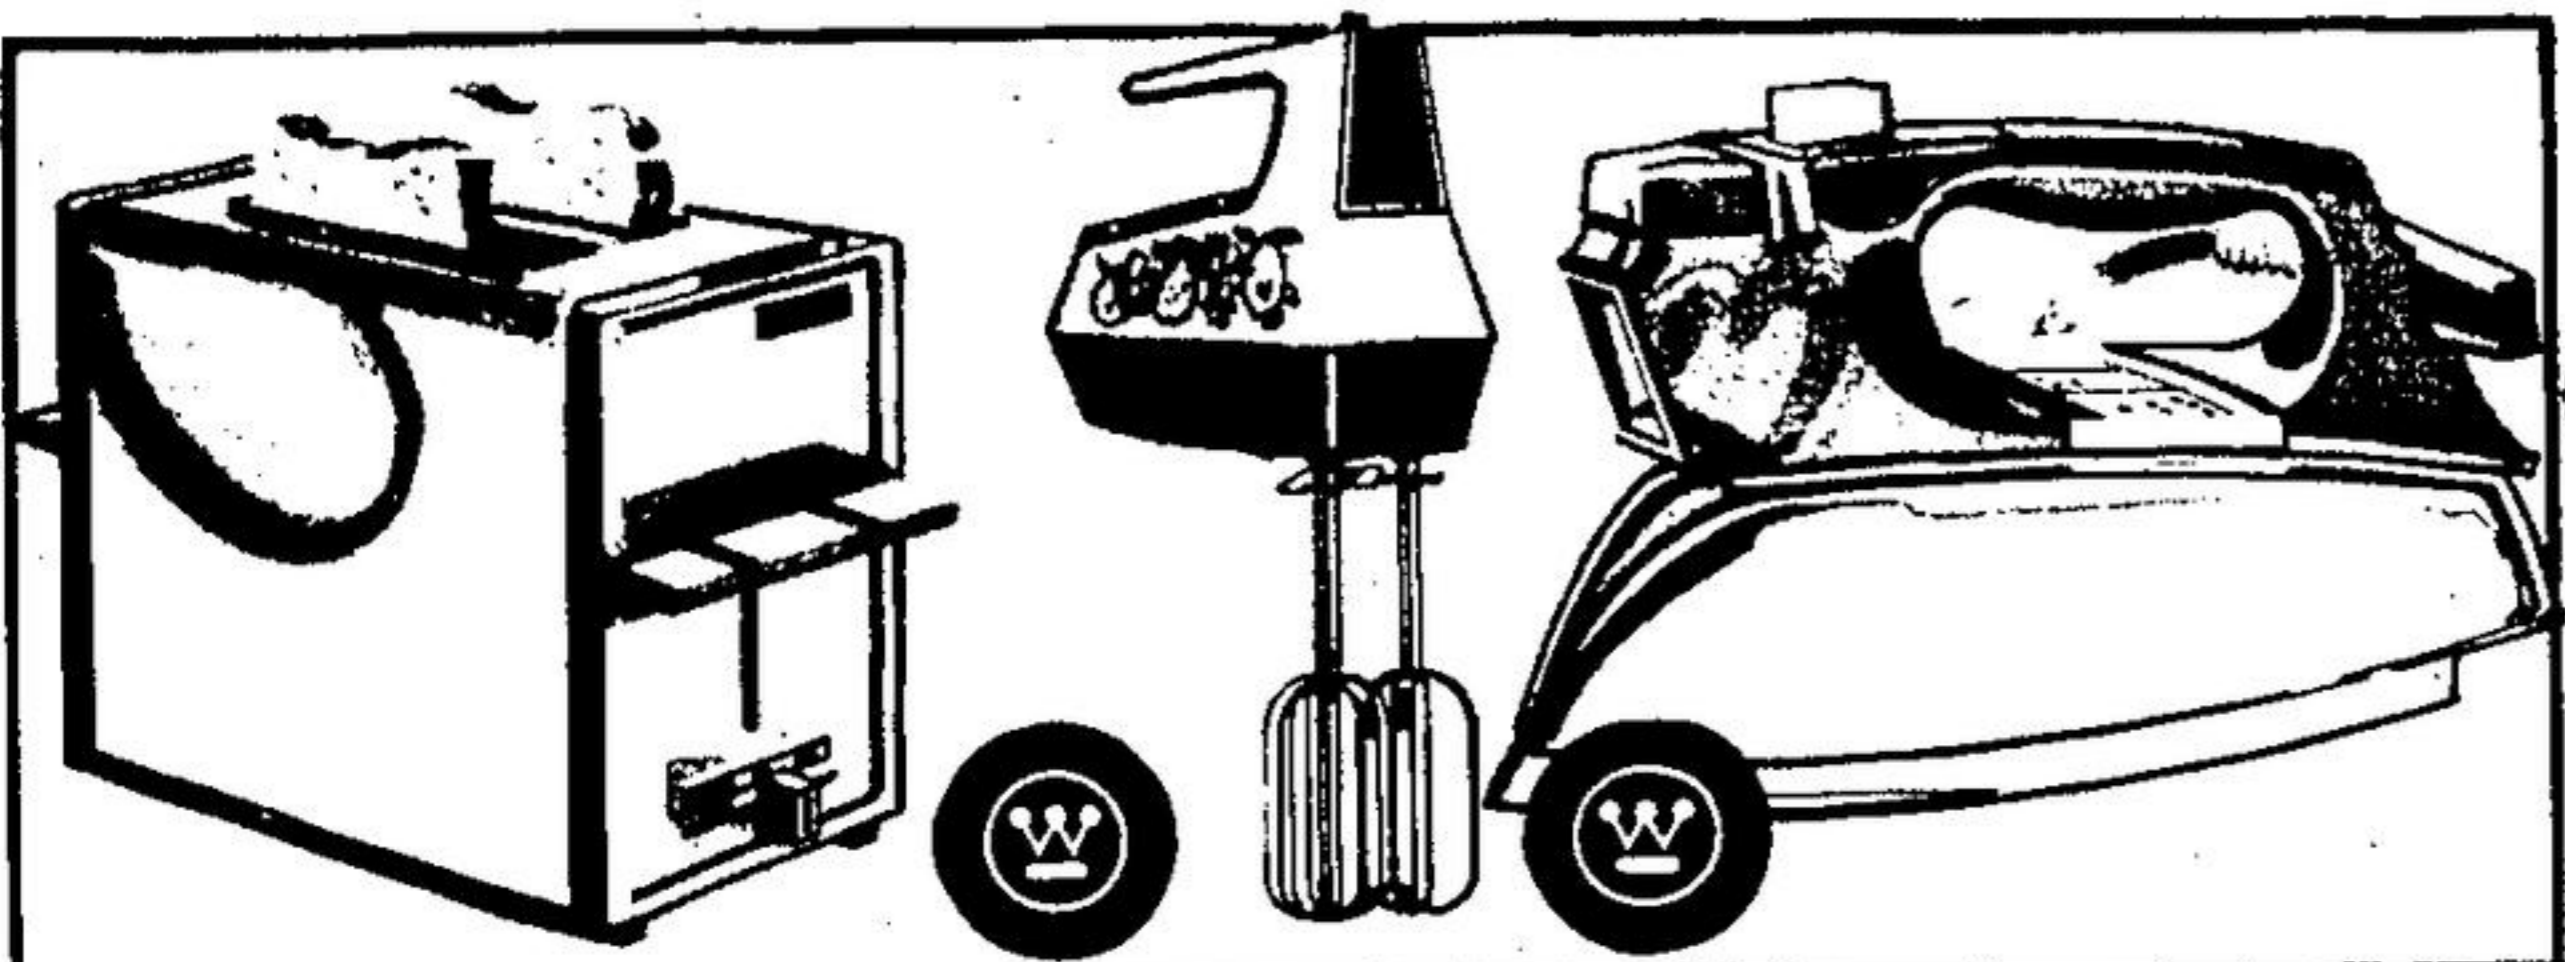

Acton pool

A date has finally been set for the official opening of the Acton Lions Club indoor swimming pool; Sunday, January 13. Doug Collison said this week that the invitations to the opening will include local members of council with federal and provincial representatives. He added that the Halton Board of Education, the Lions Club and Halton Hills are spending \$100 each to provide refreshments for the afternoon.

# A TOTAL NEW SHOPPING CONCEPT IN ONTARIO
