

Silverwood report

WI members see how stationery is made

Mrs. L. Giffen was hostess for the January meeting of the Silverwood W.I. last Thursday afternoon. Sixteen members and one guest met at the Gage Stationery Ltd. plant in Georgetown for a tour.

They were met by John MacDonald, public relations director for the company, who gave the group an outline of the company's beginnings in Georgetown.

Two groups went through the large plant and watched notebooks, writing paper and envelopes, being made from rolls of paper and then wrapped in cellophane, ready for sale. All agreed that the plant was an asset for Georgetown.

The tour took about an hour and members arrived back in the boardroom where Mr. MacDonald and two senior personnel answered any questions about the plant's operations. Gage employs 140 people.

Members were served coffee and were then each presented with a box of writing paper and envelopes, before leaving.

Later the W.I. members met at the home of Mrs. Giffen. Mrs. Ann Lindauer was acting

president for the meeting. After the code and roll call the business portion of the meeting got underway.

The secretary read a letter from the hostess of the Erlend Lee home in Stony Creek thanking the branch for its donation. She stated that a number of articles had been purchased for the home thanks to the donation.

Discussions took place regarding the senior training school. This was left until next month for further talk.

It was decided to subscribe to the federated news for the members.

A letter, card and Golden Jubilee spoon from a WI branch in Australia have been received. The late Mrs. Henderson had been a pen pal with the branch.

Mrs. Appleyard and Mrs. Beoney both received lovely plants for special birthdays. Happy birthday greetings were sung to the hostess. The

meeting closed with tea, coffee and sandwiches.

Sgt. Hubert Kuz from C.A.F.B. Edmonton, is home on leave. He left Canada in March for Cyprus and saw action there. He arrived home before Christmas.

Mr. Adolph Wilhelm is in Georgetown Hospital.

Mrs. N. Bombolt is a patient in Brampton Hospital.

Mrs. Ian Carmichael is recuperating at home after foot surgery.

Philbrook changes opinion on MPs pay increase

The public voice has been heard. Dr. Frank Philbrook, MP for Halton, has tempered his support for the proposed 50 percent pay raise for Members of Parliament.

Dr. Philbrook is reported to have stated that he is now prepared to vote against any increase in benefits for MPs due to the public outcry.

He added that he hoped that the private sector would follow the same example and not initiate any increase in prices or wages for the next four years.

The bill was withdrawn by the government prior to the Christmas recess.

BILL CUNNINGHAM, Charles Valentine and Ace Bailey represent part of the newly elected executive members of the Georgetown Volunteer Fire Department. Bill Cunningham will serve as Company One Captain. Company Two will be headed by Lieutenant, Charles "Jimmy" Valentine and Captain Ace Bailey. This will be Jimmy Valentine's 37th year of service in the Georgetown Fire Department.
