

Ballinacfad hop

On Sunday the annual meeting of the Ballinacfad Community Centre Board took place. In comparison to the dance the night before there was a very poor attendance for the meeting.

Ivan Bird chaired the meeting. Anna Trueman read the minutes of last year's meeting. Linda O'Connor read the treasurer's report prepared by Marlene Burnett.

Allan Trueman and Viola Shortill took the nominations for the 1975 hall board. The results showed: Ivan Bird, past chairman; Linda O'Connor, chairman; Anna Trueman, secretary and Dianne Coulter, treasurer. John Loughman, Marlene Burnett and Mary Goebel were also appointed to the board.

The first meeting of the new executive will be held at the home of Linda O'Connor on February 3 at 8 p.m. Mr. Jack Marshall was present to represent the town council. At the close of the meeting coffee was served.

On Saturday night a full house turned out for the '50's Dance, held in the community hall. The bad weather, including thick fog, did not stop over 100 costumed boys and girls from coming to enjoy the music of the '50's. Al Ledger supplied the music and did an excellent job of bringing back a few memories and creating a few for the under-30 generation.

Magazine clippings from the 1950's and soft drink ads decorated the hall. Bobbysocks and Brylcreem were the order of the day.

Ivan Bird, in his white sports coat and pink carnation, and his wife Jean, in a half-length skirt made of felt, captured the best costume prize. Catherine French, Doreen MacDougall, Lynn Reid and Pat Loughman were also prize winners for the most authentic costumes. Later hot dogs and coffee were served.

Mrs. Paul Schwartz was hostess for the UCW on Tuesday evening. The meeting was opened by the president, Mrs. Ernest McEnery. Mrs. Norman Sinclair was called on for the devotion. Mrs. Jamieson had charge of the topic which was "Miseries in the community."

Business discussed included the planning of a sewing day for the making of quilts to be sent to children's hospitals abroad. Feb. 12 was the day set for the project. The women will begin at 9:30. There's a need for old flannellette which is used for lining. Any donations of the material would be gratefully accepted by any of the committee.

During the reading of the correspondence a letter was read from Mrs. Rick Sales, past president of the UCW. It stated that the family was now settled in Melbourne, Australia. Rick is employed at the Ford Company there. The committee in charge assisted the hostess with lunch and social time followed.

Mrs. John Kanusek enjoyed a pleasant three days last week in the Laurentians in Quebec. She was sent there to take a course in connection with her work with Northern Electric.

Members of the Ballinacfad WI and other members of the community made up a bus load on Thursday evening to travel to Maple Leaf Gardens where they saw the Ice Follies. All reported a very enjoyable time.

Pleased to report that Leo Jamieson was able to leave the hospital and is feeling much better.

Mrs. Marshall, who has been confined to her bed with a bad bout of the flu, is showing some improvement.

Also Randy Kilts, who was seriously injured in a snowmobile accident a few weeks ago, is progressing favorably at his home. We hope he has a complete recovery from his back injury.
