

Visit faraway relatives

By Mrs. John Belloddy

Mrs. Greg Johnston has been named to the Board of Governors of Sheridan College for a four-year term. She is one of four women on the board and the first Sheridan graduate to be appointed. Our congratulations Janice.

Mr. and Mrs. William Allison enjoyed a trip to New Zealand this winter. It is her homeland so it was a big thrill to be with her kindfolk again. They also visited Wellington, Auckland, and Honolulu where they saw two families from Milton. They also visited many other places of interest before coming home.

We all say happy birthday to Mr. Arthur Ruddle on Feb. 6 and Mrs. Clayton Wilson on Feb. 10 and any others with February birthdays. Count your days by smiles not tears, and on any birthday morning, count your age by friends, Not years.

4-H vets attend meeting

The Halton 4-H Veterinary Science Club held its second meeting at the agricultural office on Tuesday, January 14. Agricultural representative, Henry Stanley, welcomed some 32 members to the meeting. The leaders for the club will be George Swann, assisted by Cecil Patterson.

The members viewed a film about the digestive tract of ruminants. Guest speakers for the evening, Mr. John Anson and George Swann, lead a discussion about the pathology of poultry. Club members examined several chickens with various diseases such as hepatitis and heart attack.

The club was divided up into three groups to study various subjects of animal disease. The topics to be studied are: bacteria and disease, internal and external parasites, and nutrition and its effect on diseases.

The next meeting will be held on February 11 at which time the club plans to visit the Veterinary College at Guelph.

Ballinacraigh welcomes westerners

Mrs. Linda O'Connor and Mrs. Ada Kirkwood spent two days last week at training school for the new course for the 4-H Homemaking club. It is a sewing course. Girls will be taught how to make "The Jacket Dress". First meeting to be this Thursday Feb. 6 at 7 o'clock. It is an open meeting. Mothers are invited to come and bring their daughters, (12 years and over).

We extend sympathy to the McLean family who suffered a bereavement recently. Mr. Sandy McLean passed away at Guelph General Hospital. He formerly resided at Maple Lodge R. R. 2 Acton. He was 94.

Mr. and Mrs. Frank Kennedy of Regina Saskatchewan visited with her mother Mrs. Wilfred Burt and other relatives living in the community on Sunday.

A very successful dance was held at the Community Centre on Saturday night. It was sponsored by the Ballinacraigh Hockey Club. There were a number of variety dances and a door prize was given. A disc jockey provided the music to the delight of everyone present.

Spring must be just around the corner. The groundhog saw his shadow on Sunday. Crows were seen flying around in the vicinity of Ballinacraigh also. Wilfred Smith

Library programs

Two children's craft programs will be offered at the Georgetown and Limehouse libraries this Saturday, just in time for Valentine's Day.

At the Georgetown Public Library children eight to 12 years of age will be taught how to make decorative mobiles with a Valentine's Day theme. Seven-to-10 year-olds will have Mrs. Irvine helping them design Valentine's Day gifts at the Limehouse community branch.

Registration for these programs is limited to 20 children each. To register phone the library at 877-3681. All Halton Hills libraries are accepting overdue books this week without asking for fines.

Amnesty Week runs until closing time Saturday, Feb. 8. A new junior puppet club is now forming at the Georgetown library. Membership will be limited to 15 children between the ages of 6 and 11. The club will meet once every three weeks for two hours on Saturday afternoons. To join just contact the children's department of the Georgetown library.
