Dixon

preaks

record

Middle and long distance runners, for the most part, develop slowly. Mike Dixon, 173 Rexway Drive

Georgetown, does not appear to subscribe to this theory.

Last Friday, in the high school section of the Toronto Star

Maple Leaf Indoor Games, Mike won the two-mile run, and, in the process, set a new OFSSA record of 9.11.2. He

also boids the unofficial Canadian Indoor Juvenile 3,000-

metre record and, although they have now gone off this standard, holds the Canadian Indoor Juvenile Mile record.

runner who has been in training for years, but the amazing fact remains, that Mike has only been competing for 15

months. His track career began when, as he says, "The

cross-country coach was bugging me to come out, so I did, just to see what it would be like."

was spotted by Brian Barnes of the Etobicoke Striders

Track Club and he has been in training under Barnes ever

rather strenuously of late, two nights a week at the indoor track at the CNE, but is now planning to ease off a bit so as not to burn himself out. He is tentatively thinking of en-

tering a meet at the beginning of March, but as yet nothing definite has been decided.

That Act requires that Renalssance by such hazy such a virtue as "purity", (and generalizations is meaningless. "modesty" implied), be "in-We would welcome specifics to culcated' by teachers in the substantiate these charges or classrooms. Since that is the apologiesforthe misrepresentations.

Campbell replies

"patronizing attitudes concerning non-Christian views" is that value applied. likewise spurious. Typical of liberalism basic scientific "models", (the theistic and the atheistic), to and classrooms. In effect. Renaissance is distrubed by the patronizing attitude toward Christian views in the public school system.

As for "tackling problems from the united and thoughful strategy of the whole community", there are few of our worst critics who would deny that as a "gad-fly" organization, Renaissance has stirred the community from an apathy about educational, to share in our commitment to seek "through the processes of participatory democracy" to improve our

fine public educational system. Renaissance does not have any "theological viewpoint", officially or unofficially, "over-simplified" or

There seems to be a velled charge that Rensissance has advocated censorship of all the books in the school libraries. My personal position system for recent novels. to movies. In the Renaissance calling as Christians is to follow however, the prejudice to liberating Truth and redeeming established as the law of the understands or appreciates us. land, (Ontario Educational Act. The cleansing sting of salt in a 1974), reflecting the unique wound is not appreciated but its contribution made by Judaeo. healing effect is welcome! Christianity to the establish-

judgement on Rensissance by ment of the institutions of our standard of morality required by the law of the land our Moreover, the accusation recommendation to the Board that Renaissance holds was simply that the annual book-list be scrutinized with

At the same time we included in our brief a recommendation Renaissance position is our call for the provision of alternate for the presentation of both schools, (philosophically), so that parents could choose from basic options the type of explain origins, in the textbooks educational philosophy under which their child was to be educated. Such a civilizing and liberating proposal suggests a cause which clergy who picket Ontario stores protesting injustices in California vineyards might consider as a more pressing and urgent issue for

their attention. It seems ridiculous and escapist to protest the totalitarian tactics of a labor union in California while minimizing the tragic consequences in the lives of our own children resulting from the unresponsiveness and arrogance, of the totalitarian public educational system in

Finally, may I add a personal word as a fellow clergyman. If you hope to be "understood and appreciated by all", you've chosen the wrong calling! Our Lord said: "Woe unto you, when all men speak well of you! For so did their fathers to the false prophets." (Luke 6:26). As W. S. Thomson observed. was to advocate a rating (Forum, Journal Record, Feb. 10-75), "It's not much fun being similar to that which is applied a prophet." But surely our brief to the Board, we noted Him in giving our witness to His Judaeo-Christian values grace whether or not anyone
