Art for youth

To the Editor of the Herald: We invite young people in your community to send us paintings, drawings, poems and stories which express their feelings about themselves, their environment and the world we live in. Our project, "All About Us - Nous Autres," is a non-profit group which collects, publishes and exhibits creative works by Canadian from six to 18 years of age. Our purpose is to provide a way for our six million school-age people to get to know each other better. We hope many in your area will share their ideas, their interests, hopes and concerns. Original works from all parts of Canada, received by May 1,

1975, will be considered for the third annual art exhibit and a second volume of writing planned for fall publication. The national art exhibit will open in Ottawa during Festival Canada, and travel to various regions throughout the year. Pictures and writings should be sent directly to "All About Us - Nous Autres." Please include name, age and address on each item so we can let you know about exhibitions and publications. Students, teachers and the public can write for further information.

OHA wrong on Raiders' suspension

To the Sports Editor: If I have enough guts to write this to you, I hope you have enough guts to put it in your paper. "Unless you're afraid of the OHA?" The dictatorship of this organization is a farce. Instead of promoting good hockey for Ontario, they let themselves be railroaded for fear they will lose their jobs on the executive. This farce has gone far enough! I shall explain the situation. The Georgetown Intermediate A Hockey Club has won the

championship for the past three seasons, mainly because the player ratio was excellent, but most of all they had heart, desire and guts to face year after year the sparring, butt-ending, slashing, verbal abuse and injuries and most of all the idiotic refereeing from OHA ranks. The OHA evicted the team out of the league four years ago and they pulled the same thing again this year for reasons which were probably a technicality that they voted

upon, and handed down their decision and said play hockey, but a week later they reverse their own decision and put 17 good hockey players out for the remainder of the season. The fans which come out at approximately 1,000 per game are bewildered at seeing the home team boys put out for something that the team executive and the OHA don't see eye to eye on. The unfairness of this association is ridiculous especially when they allow the other teams in the Intermediate A league to continue to play illegal players. Furthermore, let a seventh rank team enter the playoffs when their total wins would not exceed seven wins over an entire season. OHA, I hope you are proud of yourselves because no one else is!
