40 percent of year's fires now

Children playing with matches started a grassfire, behind 1 Market Street, last Tuesday, just one of the many instances of carelessness that will account for over 40 percent of all fires in the area, for the year.
 "Burning rubbish as part of the spring clean-up," noted Fire Chief Ken Bulkema, "is one of the major causes of grassfires. Sparks from the fire carried by winds can start other fires or spread the one already going."
 When using fire to clean-up it is important to: keep the fire small, to maintain control and to have all the necessary tools at the scene, such as shovels, rakes and a working garden hose with water.
 Under the air pollution act, fines of up to \$1,000 can be levied to those private individuals burning rubbish.
 "The main concern is the fact that fighting a grassfire depletes the protection available for residential and industrial fires," added Chief Bulkema. "It takes a lot of men and equipment to handle a grassfire because of the area involved, that may be needed elsewhere."
 Grassfires are just as dangerous as a house fire because they can spread quickly.
 "A few years ago a barn was completely destroyed by a grassfire that spread," furthered Chief Bulkema. "The best method of controlling grassfires," according to the Chief, "is not to burn anything." "Let the garbage men take the rubbish away."

Gideons host zone

The Brampton-Georgetown Camp of Gideons' International is hosting the Zone 7 Spring Rally to be jointly held at the Bramalea Baptist Church and in the Bramalea City Centre auditorium on Saturday April 26.
 The Brampton-Georgetown Camp participated at the International Ploving Match last fall where several hundred Scripture Tracts were handed out as well as many Bibles. The Camp has also handed several hundred personal New Testaments to Grade Five pupils in Georgetown schools.
 Shortly several large type, New Testaments will be given to the two senior citizens' complexes here in town for their reading rooms.
 At the Spring Rally the Gideons will be introducing their new SOW plan whereby church members may give Bibles to overseas work in honor of someone's birthday, anniversary, graduation, etc. This plan will be in addition to the Memorial Bible Plan through which Bibles may be donated in memory of a relative or friend who has passed away.

Trinity teachers

The monthly meeting of the Georgetown Trinity Teachers Association was held at the home of the honorary president, Mrs. Dorothy Richardson Scull on April 15. Judl Petherick opened the meeting and the minutes were ready by secretary Faye Pink. The minutes were moved and then seconded by D.R. Scull.
 The business part of the meeting primarily concerned preparations for the upcoming recital which will be presented by the Trinity pupils of the GTTA. Positions regarding responsibilities for the recital were also given to the members.
