## Final event at North Halton

By Diane and Jeff Duck

The Ladies Section held their final function of the curling season.

It was a delightful wine and cheese party. On hand to pour the wine were Shirley Crichton, Marion Burns and Mary Rand.

An executive meeting followed in which the minutes of last year's meeting were

read by Joan Brown. A brief report was given by each convener. Ann Timmins, being "down south," wrote her report while basking in the sun.

It was so humorous and so effectively read by Anne Reid that it had many listeners in stitches with laughter.

The following will be your new 1975-76 executive: past

president, Barb Skinner; president, June Magnuson; first vice-president, Gail Sparks; second vice-president, Norma Wilson; secretary, Heather Knight; treasurer, Ivy Darbin; Games, Cathy Perego; bonspiel convener, Bev Eastwood; competitive, Bobbie Phillips; social convener, Ann Timmins, junior section, Dot Currie; press,

Peggy Treahy; house, Sandra Timleck; decorating, Dnyese Griffiths; nominating chairman, Margery Taylor.

June Magnuson mentioned that meetings would be going on all summer to organize events such as barbecues and hayrides for our 50th anniversary. If you have any suggestions or would like to help plan the anniversary celebrations, phone the office or give your name to June.

The Business Girls will hold a separate election of officers for next season. This will be done at the closing Business Girls' banquet on May 7.

## GBA registration

With the baseball season rapidly approaching, the GBA will be holding a final Saturday registration on April 26 from 10:00 a.m. to 3:00 p.m. at Cedarvale Community Centre. With this registration the rosters for 1975 will be prepared.

To insure a successful year for all the participants the GBA still needs volunteers to fill the following positions: Midget All-Star coach, House League coaches and managers, newspaper reporters, an equipment manager and an umpire-in-chief. The coaches and managers are self-explanatory positions.

An equipment manager will see to the distribution of initial equipment, replacement of

equipment through the season and, finally, the return of all equipment at the end of the year. Newspaper reporters will give the weekly scores and news releases to the local paper. The umpire-in-chief will handle the mechanics of the assignments for the house league games and the HCBA All-Star games up to Midget age.

Two more conveners are also needed to fill up all the House League age groups. If anyone wishes to assist in any of these positions, would you please let the GBA know during registration day.

During the meetings of the GBA Executive, it was decided to insure that anyone wishing to play ball will have the opportunity to do so. However, due to limited facilities and people available to help out, the association must set maximum limits on each of the leagues. The registration this Saturday will determine the final size of the leagues. Once all teams have been set, late comers will be placed on a waiting list. This is necessary so that the GBA can have a workable league to start at the regular time, the middle of May. So "REGISTER EARLY!"

All-Star Tryouts have begun

and will take place as stated in the advertisement, elsewhere in this paper. All but one of the teams have coaches. At this writing a midget coach has not yet been found. If the GBA does not get a coach for this age group, they may be forced to drop the team. Please help out so that those wishing to play can do so.

Some of the uniforms and sweaters from past years have not been returned; in particular the uniforms used by the Juniors of two years ago and the sweaters from a couple of Bantam House League teams of last year. Please return this equipment. It is too expensive to replace.

This year the GBA have had a \$2.00 across the board, registration fee increase. This was done because a great number of parents expressed the desire to pay more initially and eliminate the chocolate bar sales. The association will probably still have a tag day and a lucky draw by the all-star teams. This matter will be decided on later.

In regard to talk concerning T-Ball, there definitely will be T-Ball available this summer.

## Openings

The Married Couples Bowling League has openings for new members for their fall league. The bowling will take place on Tuesday nights at 9:00 p.m. The league stresses enjoyment of the game in a spirit of friendly competition. As a league spokesman commented, "It's a fun league, and fun is what we have. It's a sociable league where everyone competes."

Prospective members are invited to attend this past season's banquet and dance. Further information may be obtained from either secretary, Shirley Chaplin, 877-4802 or league president, Bill Barclay, 877-2732.

## Rams open May 1

The Halton Hills Rams open up their next stage of training this Wednesday night when they take on the Oakville Junior "B's" in an exhibition contest in Milton's new arena. The Rams open their exhibition season at home in Georgetown when they do battle with those same Oakville Junior "B's" on Tuesday, May 1. Starting time for both games is 8:00 p.m. The game in Georgetown will be played in the old arena.

Like all living creatures, man's needs are many. To provide for oneself, one's family. To be free to make plans with the people who help give them life.

## Borrow on your Cash-flow..

you earned it.

There are times when you need to make a major purchase, like a new car, because the old one just isn't worth those mounting repair bills. Instead of dipping into your hard-earned savings, talk to your TD branch about a TD Cash-flow Loan.

Cash-flow is the sensible way to borrow. Take your net monthly income, deduct your usual costs, like the rent, food, mortgage—

money you know you'll have to spend. What's left over determines how much you can afford to repay on your loan. So you'll be borrowing without getting in over your head. And if you're a member of TD's Personal Service Plan, you may get a reduced interest rate. If you need us, we're here—with TD Cash-flow Loans.
