## Bumps, and grinds

Three accidents were recorded by the Halton Regional Police, Georgetown Division this past week.

Damage to the car driven by Brian Pope of Maple Avenue was estimated at \$75 in an accident in the parking lot of St. John's United Church. An unknown car struck the Pope vehicle last Wednesday.

A rear end collision caused \$800 in damages to the cars driven by Clifford Hubbard of Brampton and Mark Pollock of Moultrie Crescent, Georgetown. The accident occurred on Guelph Street.

A parked car owned by Joyce Mackie sustained \$250 in damages when struck by the car of Lena White of Edith Street.

## Town displays at fair

The Georgetown Fair Board has invited the recreation department or the municipality to set up a display in the 1975 Georgetown Fair.

Councillor Ric Morrow supported the idea and stated, "Perhaps not every year but this year is very relevant. With the new facilities opening the display might catch the attention of a lot of people."

The principle of submitting a display was approved at the general administration committee meeting, Monday night, however, the report is now subject to cost evaluation and later consideration.

## 500 tulip bulbs brighter

Tulips will be springing up all over this spring thanks to the Royal Canadian Legion and the town of Halton Hills.

Town council has approved the purchase of 500 tulip bulbs at 16 cents each from the Legion. The sale of tulips is one of the major projects of the RCL in recognition of their 50th anniversary.

## Shopping for sheep

By Scott Harris

The first Halton 4-H Livestock Judging Club meeting was held at Jamie Couper's home on April 14.

The elected officers for the club are as follows: president, Holly Hurren, vice-president, Lynne Stewart, secretary, Joe Weeden; and press reporter, Scott Harris.

Leaders for this year are Murray Harris and Jeff Nurse. Jamie Couper, David Stanley and Joe Weeden showed the group how to judge market lambs. Following the lesson the members judged a class of market lambs.

After the first lesson they gave a second on how to judge ewes and how to sheep shop. Sheep shopping is when each is allowed \$200 to invest in ewes. Pedigrees are put above each ewe and the club members were allowed to buy. The members were to pick what they thought would be the best ewes to buy with their money and give reasons for their choice.

After the lesson a demonstration was given on showmen of sheep by Jamie Couper.

The meeting was closed by Lynne Stewart.
