Ford on executive

By Roma Timpson

Friday evening the Monday Night Club and Wednesday Night Dart Leagues combined forces for their end-of-season banquet and it was a full house. A lovely meal was enjoyed and the ladies of the Auxiliary are to be congratulated. The Dart League's executive will be Jimmy Ford, Art Lawrence, Joe Poirier and Al Grieve for the 1975-76 season. These fellows did such a fine job of looking after things last term, they've been given the job again.

In the Lounge on Friday evening Al and Ken played to an appreciative crowd and will be with us again on Friday May 16. On Saturday, Don 'Boots' Hurren was the Disc Jockey in the Lounge. 'Boots' had a good selection of records, but unfortunately was experiencing difficulty with his sound system. Once the kinks are ironed out his potential as a disc jockey will show considerably. Be sure to come out this coming Friday when Johnny Tocher will be entertaining along with his drummer, who has a terrific rhythm and was a hit last time here. They are bringing a clarinetist along with them this time so it looks like a swinging night in store for us.

Car Club Draw No. 23
35, John Doherty; 489, J. Haines; 287, V. Herrington; 38, J. Brandford, 438, Ted Smith, and 73, M. Webster.

Ladies! don't forget that next Tuesday is our Zone Rally

in Acton. Bus has been ordered and will be leaving about 6.30. Those that have uniforms please wear them and if you don't have a uniform, don't let that stop you from attending the rally. Weather permitting, there will be a parade.

Branch members! Your general meeting is on May 15 this month, so don't forget. After business has been concluded nominations for your new executive will be open and they will again be open on Election Day, Sunday May 25. Elections will take place downstairs.

Chuck Hennessy has asked that the Cook Book Committee for the bazaar get in touch with him re. the cover. He's willing to do the cover but would like guidance in size of cover, etc. Enid Dixon, Betty Brown and Pam Lavery are the committee but three aren't enough. It is up to you to get more help and to get started on this. Recipes are to be handed in also members, so the girls can sort through them and get them typed. Nothing much will be done during the summer months so it has to be done now as once we start back in the fall, it won't leave much time until the 24th of October to do things.

We have a top of a quilt to be finished ladies, and we need volunteers for that. This Thursday if you wish to go over to Betty McLean's house, that's where the bazaar meeting will take place. The lounge was a bad place to go as it wasn't bright enough for one thing and really wasn't the

proper place to bring all our work. It was too comfortable and nothing was done. Wool and material available at Legion for anyone wanting it.

Jan Emmerson has improved greatly and that is certainly good news, now for the bad, Rita Francis is in hospital ladies and Vi Cobourne has gone home but is expected to go back at a later date. I have just heard of the passing of one of our Auxiliary members, Lou Simpson, who died of a stroke this morning. (Monday). Lou hasn't been well for several years and was active when up to it. To Bill and daughter Sue we extend our sincere sympathies at this difficult time.

Our key-card has finally arrived after much confusion and many letters of communication with the American firm handling our order. They are red and Jake is handling them out when he sees you at the Branch. Those members

who are out-of-towners will have your card sent on to you. The lock will be installed on the door no later than two weeks, so those who aren't paid up will have to ring to get in and of course you will not be considered a member and will have to be signed in. You will have to be paid up if you wish to vote at your elections at any rate.

Have been up to see Barney Wilcox, Sam Glaby and Alvin McDonald and they are all showing some improvement. Jimmy Murphy was in the Lounge on Friday evening for a while. Please offer your name if you can help in the transportation and care of Jimmy the occasional day or night.

I neglected to commend Graham Payne for the very fine job he did in arranging the Imperial Sections' fishing trip. Everyone had a good time and look forward to the next one in July.

THE WOMEN OF KNOX PRESBYTERIAN CHURCH were treated to a showing of some of the latest wallcoverings as part of the Gracious Living program demonstrated by Sunworthy Wallpapers.

FRED THURY, director of 'The Miracle' accepts a plaque and several lighters as a gift from the cast of the Little Theatre play. The play 'To Fred Thury the real Miracle' and was signed by each of the cast.

ALL of the Palette and Pencil club for the club's ninth annual sale to be held at Centennial on May 9 to 11.

Lions lucky draw

At the series of Lottery draws was Tuesday evening, in the home of Ron president of the Lions Club. Tickets each worth \$10, were sold. The winners were: 21 Raylawn Georgetown; Donal; Bob Taylor, Bob Mathews and David both from Ontario. Tickets will be chosen today evening during meeting. On July 1, 1975, 18 additional tickets will be chosen. The \$10 tickets will be picked on Jan. 27, 1978 and the \$1,000 prize will also be chosen on Jan. 27. The total amount of prizes which the Georgetown Lions Club will be awarding is \$15,200. Good luck to all holding tickets!

If you have Green Foxtail in your feed corn, you should have Ekko in your field.

Annual grasses, particularly Green Foxtail, are the reasons you need Ekko in a corn-after-corn operation.

Ekko is a safe, economical, one-package herbicide that saves you work while controlling broadleaf weeds and grasses.

Ekko offers the same flexibility of application times you've been accustomed to with AAtrex: pre-plant incorporated, pre-emergence and post-emergence in an oil-water emulsion.

And Ekko is safe to corn and is effective right up to the three-leaf stage of grasses.

Ekko was designed to give season-long control of grasses in con-

tinuous corn operations, so only corn can be planted the year following application.

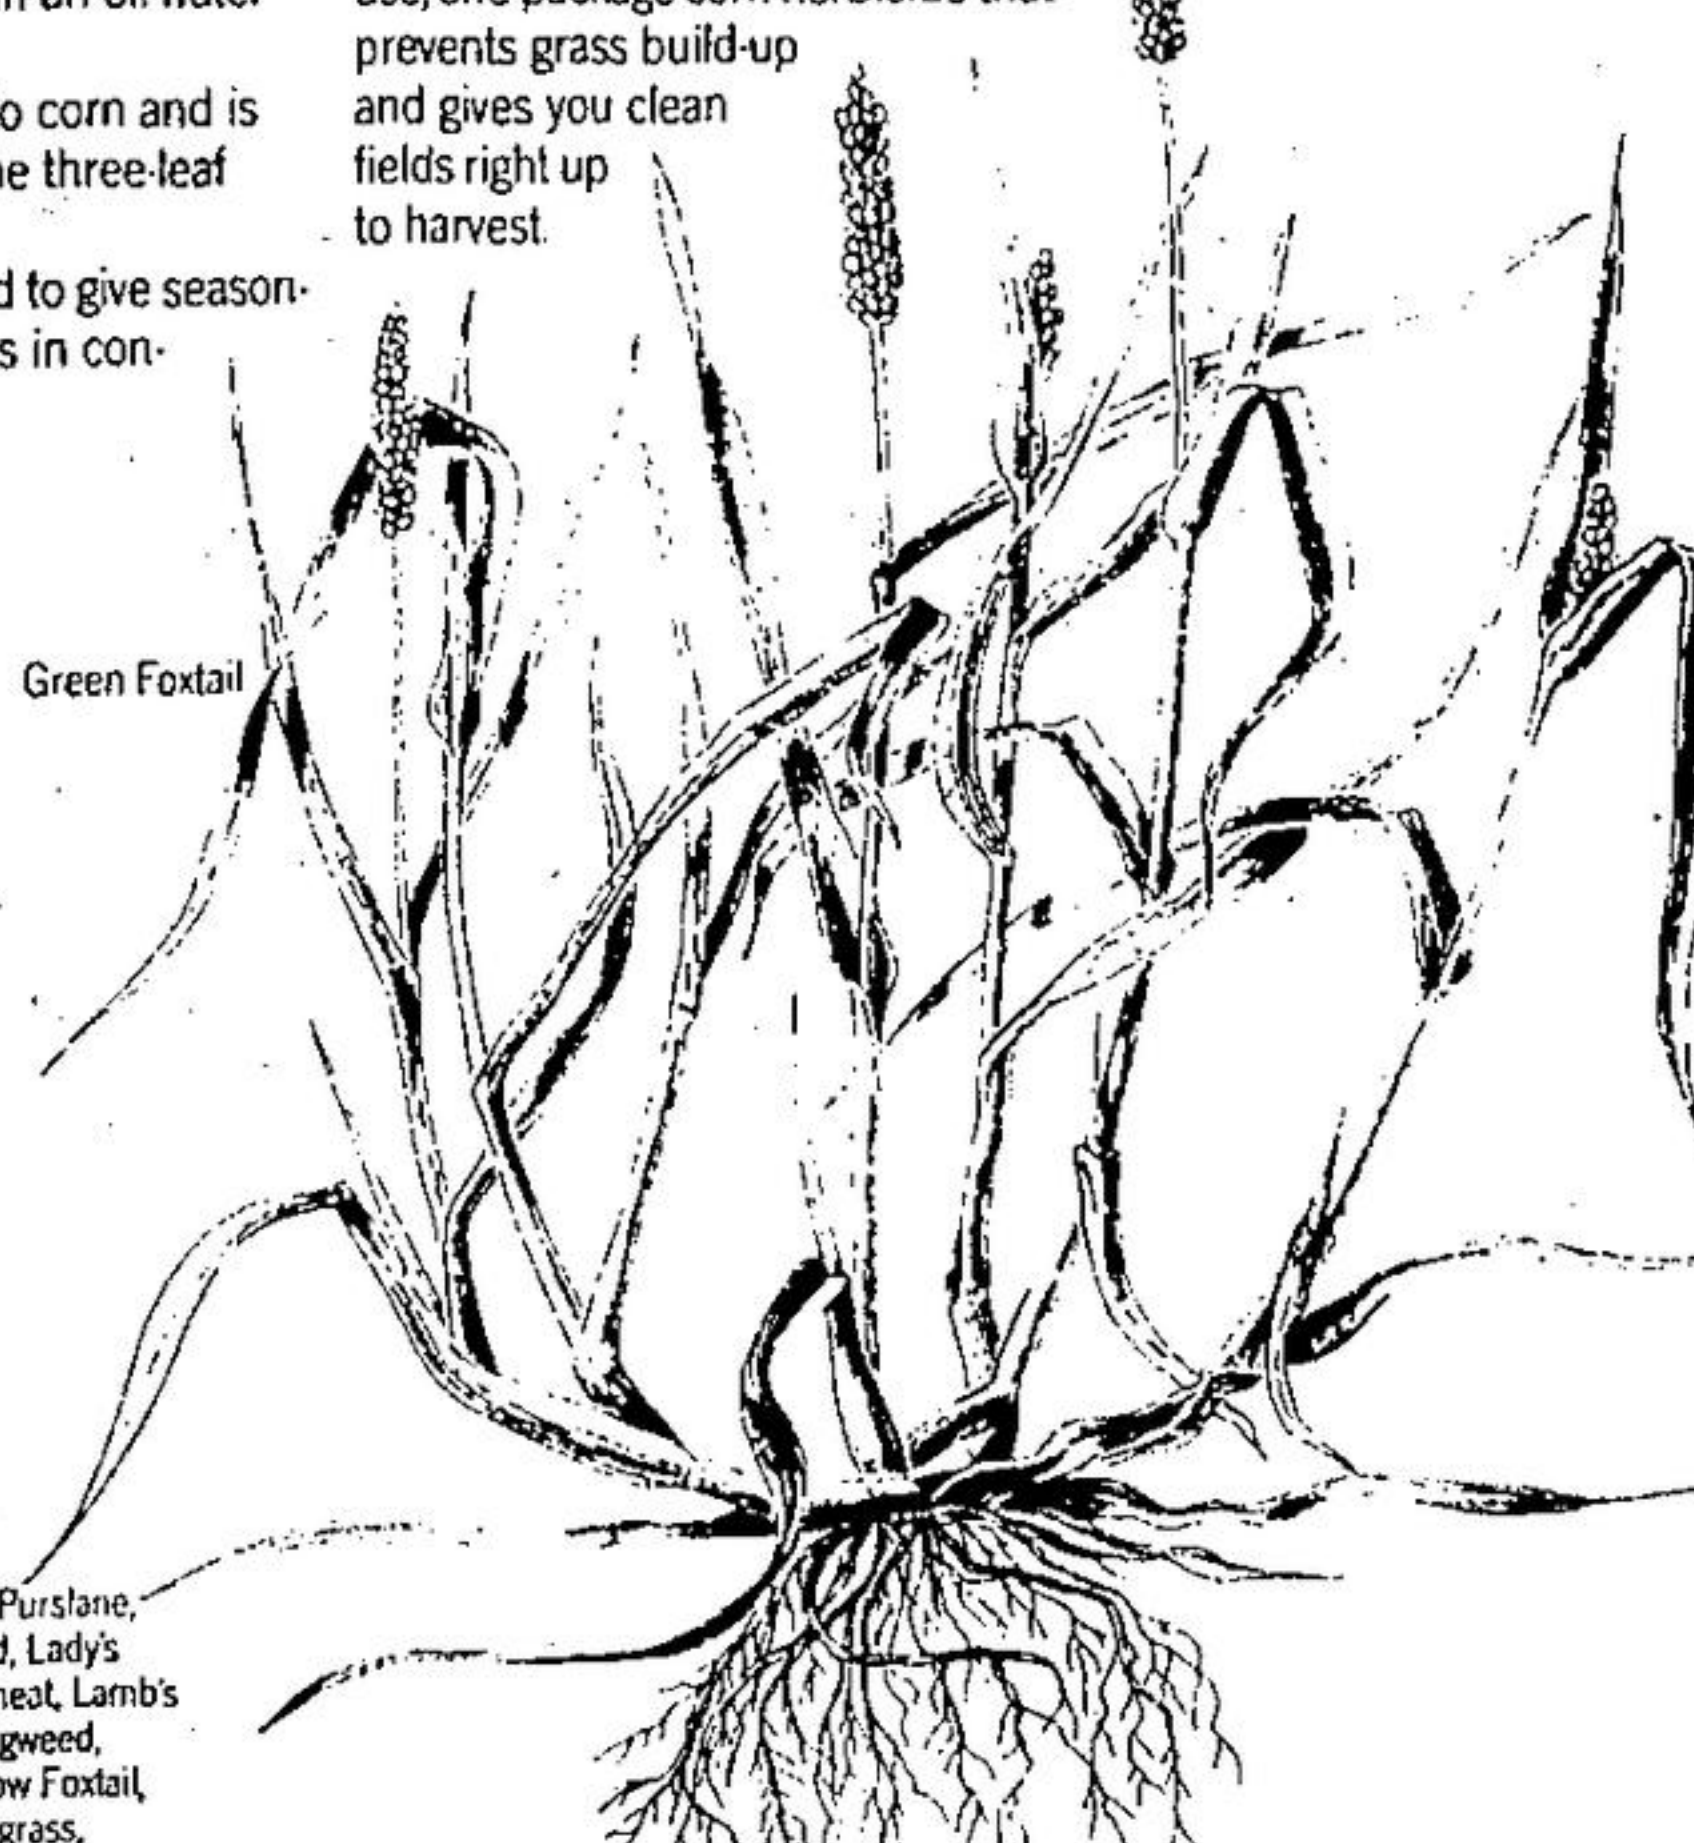

Suggested method of controlling grasses is to plan on two years of corn. Use Ekko the first year and AAtrex, combined with a short-residual grass herbicide, the second year. Then, your field will be ready for a change of crop in the third year.

Ekko. The convenient, easy-to-use, one-package corn herbicide that prevents grass build-up and gives you clean fields right up to harvest.
