

FATHER'S DAY IS A SPECIAL DAY AT LOBLAWS

Being a father is a full-time job. Which means you work hard to provide your family with the best you can—every day of the year. And when your family shops at Loblaws, we always try to make their work a little easier, a little more comfortable, and convenient than anywhere else. While you're busy taking care of your family, we're busy helping take care of a lot of Canadian families. That's why, especially on Father's Day, we'd like to wish you the very best and thank you and yours for shopping Loblaws.
