

Norval resident receives degree

Janice Jean Doan of Norval was one of approximately 500 undergraduates to receive their degrees during Trent University's spring convocation in Peterborough Friday.

Miss Doane received her Bachelor of Science degree. Honorary degrees were conferred upon W.H. Cranston, Midland, former publisher and past chairman of the Ontario Economic Council; Dr. J. Harry Ebbs, internationally noted pediatrician at the Hospital for Sick Children, Toronto; T.H.B. Symons of Peterborough, founding president of Trent and chairman of the Ontario Human Rights Commission.

Check-mate

It's been a good year for both the senior and junior chess teams from Georgetown District High School. Both teams took part in the Halton County leagues, with the senior team reaching the semi-finals.

Steve MacLeod won four out of six points at the Ontario High School Tournament at Toronto in May.

Special mentioned should be made of Bob Gillanders who played outstandingly well in the Toronto Open Chess Tournament at Easter. Bob won five out of the six games, receiving a share of the prize money.

Lions lottery

Winners of the May 27 Lions Club Lottery were: J. Clark of Glen Williams; R. Landry, Beatrice Webster, Armin Regenbogen and Mr. Leech, all from Georgetown.

The five lucky people for the June 3 lottery draw were: Skinner and Greeves from Terra Cotta, Pat Schenk, B. H. Breckenridge, Kay MacMillan and Andrew Murray who are all from Georgetown.

Engineers honor student

A Georgetown man was honored at the annual Association of Professional Engineers of Ontario Banquet, held last week in Toronto.

Ulrich Gothe, RR1 Georgetown received the V.G. Smith Award for achieving 94.7 percent in his engineering examinations. The award was presented along with 19 others at the dinner.

Gilmer project foreman

Ron Gilmer, 11 Union Street, Georgetown has been hired as foreman of the Experience '75 program (formerly SWEEP) by the Credit Valley Conservation Authority.

Mr. Gilmer recently attended a special training program held at the Boyd Conservation Area. The sessions involved extensive training in first aid, tool usage and detailed driver training course. Supervisory personnel of all programs in the central Ontario region attended.

Hiring for the general labor force of Experience '75 has been completed and the supervisory staff are now involved in the scheduling and detailing of projects.
