Vandals wreck building

By Dorothy McLean
The Norval Cub and Scout Group Committee held a special evening in the school grounds on Tuesday evening, June 3, when Christopher Reed and Russell Hamilton Jr., District Commissioner Gord Douglas (centre) was also present for the ceremonies. Money for the Scout's trip to Norway was raised at a recent auction.

Charges have been laid by police following damage to a building owned by Tripp Real Estate on Wednesday evening, June 4. The building was formerly Percy Donaldson's garage, later owned by Peter Pew where he had his monument business. Recently a welding shop was located there.

All windows in the building were broken and extensive damage done to the interior. Wall panelling was torn off and anything that could be broken was smashed. Window sills were also ripped out.

A secretary working in the real estate office called the police about 8.30 p.m. and they apprehended three men in the act.

A delicious potluck supper ended the season for the Norval Women's Institute held at the home of Mrs. Edna Murray on Thursday evening, June 5.

Following the supper, Mrs. Amy Burk presided for the meeting.

The roll call was answered with "A resolution I would like to see passed," which started several lively discussions on stores that use computers for checkout, capital punishment, gun control, a new law to make people who deliberately cause property damage, and several other topics. It was decided that starting in the fall one current subject will be discussed at each meeting and before the district annual meeting one of the topics will be selected for a resolution.

A letter was read reporting on the adopted little girl in Hong Kong stating that she still needs assistance. The WI pays \$108 a year towards her support.

Mrs. Graydon Chester gave an interesting report on the district annual meeting held recently in Milton.

Homes for the meetings next year were filled in and the executive will meet to plan the programs.

The meeting ended with singing of "O Canada."

"Open House". Relatives and friends called to extend their good wishes. Lunch was served and fellowship enjoyed.

The church directories with pictures of the church families of the Huttonville-Norval Pastoral Charge were ready and many received their copy.

Following the service about 110 adherents of the church enjoyed a delicious potluck dinner and an hour of fellowship.

Mr. Clarence Anderson, Clerk of Session, was chairman for a presentation to the Smith family from the congregation.

Get well wishes are extended to Keith Webb who is a patient in Peel Memorial Hospital, Brampton. He spent a week in

barbecue committee were busy checking the work roster for when the various individuals wanted to take a turn assisting at the church's Chicken Barbecue to be held at Maple Lodge Farms on Saturday, June 14.

Save \$30,000 on sewers

Town council seems to be finding itself in the right place at the right time these days. Thanks to a bit of good timing the town saved a reported \$30,000 on its latest municipal project, the installation of storm sewers on Rexway

Drive and Normandy Boulevard. Last Tuesday night council accepted a construction bid of \$86,973.75 for the work. The bid, entered by a Mississauga construction company, was the lowest bid received.

Chairman of the works committee, Councillor Joe Hurst, noted that the bid was approximately \$30,000 under the estimated cost of the project. Another member of council added that it appeared "This is the year to get this work done."

Towns signs with outside workers

Ten weeks of tough negotiations have resulted in the amicable signing of contract by the town and its outside workers.

The workers, members of Local 73 Canadian Union of Public Employees, agreed to the terms of the contract on

\$107,694 contract

Varian Associations of Canada Ltd., 45 River Drive., has been given a \$107,694 contract to manufacture electron tubes for the department of national defence, Supply and Services Canada announced Monday.

It was one of 230 unclassified federal contracts, each worth \$10,000 or more, awarded to Canadian firms during the week ended May 23. Total value of these contracts was \$13,357,623.

Parking lot at arena will be paved soon

Funds have been set aside in the recreation department's 1975 budget to have the parking lot at the Georgetown Memorial Arena paved along with a smaller area adjacent to the Lion's Outdoor Swimming Pool.

While the badly needed work on the arena parking lot had been previously proposed, council last Tuesday decided to also include the swimming

pool area following a request from the Lions Club through Councillor Ernie Sykes.

Councillor Sykes noted that the club would like to see the playground equipment presently located near the pool be moved to the area previously considered for a parking area and that the present playground area be paved instead.

He noted that a water runoff problem and objections from nearby neighbors had brought about the change in location of the lot. "It would increase the parking facilities a great deal

"The town's negotiating committee feel they do have a very good and workable agreement. There were something like 30 items up for amendment either from the union or from our side and each and every one was settled or withdrawn to our satisfaction."

and would also finish off the whole project by having this paved." Councillor Sykes concluded.

Councillor Roy Booth added, "We have in the capital forecast, provisions to have the whole area paved beside the arena and behind. I would suggest we have this whole thing done at once rather than doing it piece-meal. It could be continuation of the parking lot behind the arena."

Councillor Len Coxe said, "It would be stupid to have it done any other way than all together."

NOTICE

TO PROPERTY OWNERS
IN THE
TOWN OF HALTON HILLS
TO

DESTROY WEEDS

Notice is hereby given to all persons in possession of land, in accordance with The Weed Control Act, R.S.O. 1970, Sec. 4, 11, 13, 14 and 20, that unless weed seeds, and noxious weeds growing on their lands within the Town of Halton Hills are destroyed by date of Saturday, June 14, 1975, and throughout the season, the Town may enter upon said lands, and have weeds destroyed, charging the costs against the land in taxes, as set out in the Act.

The co-operation of all property owners is earnestly solicited. Complaints may be made by telephone, or in writing to the undersigned.

For the information of all property owners, the following are designated as noxious weeds generally in the Province of Ontario.

- | | |
|-------------------------------------|-------------------------------|
| 1. Bull thistle | 14. Dock |
| 2. Canada thistle | 15. Field bindweed |

Here's what summer is all about!

Ninety-six acres of family fun, entertainment and excitement on three islands on the Toronto waterfront.

This year two giant-size films alternate weekly on the world's largest movie screen in Cinesphere: the great new film "Energy" and returning by popular demand, breathtaking "North of Superior".

Thrill to new multi-media experiences in Theatre I with Czechoslovakia's beautiful "32 Strings" one week, and surprising "Big North, Ontario" every other week...and "Reflections" in Theatre II. Enjoy a summer of star performers in the Forum, Rock, symphony, pop, folk, jazz, ballet and variety shows. Watch the fun in Children's Village, the world's happiest, most unusual playground for kids.

Senior citizens are among our most important resources.

This is what Ontario is doing to recognize them.

"It's the time of our lives"

Senior citizens prove over and over again that their lives can be both creative and productive.

Senior Citizens Week focuses attention on their contributions and needs - promoting and publicizing services provided by the Ontario Government to senior citizens, and encouraging development of recreational and social services in communities across Ontario.

For instance, lots of seniors are volunteering to help other senior citizens - driving them to appointments, helping them to fill out income tax returns, teaching them, sharing experiences with them.

Did you know that there are many senior citizens' physical fitness programs that you can join (including Senior Citizens' Olympics organized in some Ontario communities)?

Did you know that seniors themselves have developed many clubs and centres for their own special interests, including just about everything from gardening to world travel?

With 1000 senior citizens' clubs here in Ontario, as well as 90 senior citizens' centres, there's bound to be one in your community. What's more, there are many special interest clubs that aren't limited as to age - camera clubs, social clubs, study groups, a whole range of subjects that people who are retired now have time for.

Through special grants and other assistance, older people are finding the opportunity to go back to school and university - to develop new talents and concentrate on new interests.

For specific information about programs and services available to senior citizens, the Ministry of Community and Social Services has just published **RESOURCES FOR SENIOR CITIZENS**. For a copy, contact your local Ministry of Community and Social Services office or write:
