Ballinafad news

Park program for Ballinafad

The final dance of the season sponsored by the Ballinafad Hall Committee was held Saturday night. There was not a large crowd, but those who attended report a grand time. The music, supplied by the Al Dermott Orchestra, was just to their liking and most couples there didn't miss a dance.

The Community Centre Board now is busy preparing

for a summer playground, in conjunction with the Halton Hills Recreation Department. Two qualified leaders, chosen by the Halton Hills board will be in charge of the playground. There will be no charge except for the possibility of bus trips they are planning to have during the six-week program. Anyone five to 13 years old, who is interested in activities associated with outdoor recreation, will be able to register at the hall, June 21 and 22 from 10 a.m. to 12 noon. This is necessary so that supplies and equipment can be ordered. The playground will be run from July 7 to August 15 with the exception of August 4. The hall activities will resume in the fall on September 5 with a corn roast and dance. A happy summer is wished by the Hall Board to everyone.

Friday the 13 proved to be a lucky day for the Marshalls' sale. There was a large crowd there, some coming from a great distance. Bidding was

brisk and some high prices were given, especially for antique furniture. Ballinafad Women Institute had a refreshment booth set up and served cold drinks, coffee, hotdogs, home-baked pies etc. It was well patronized. The weather wasn't perfect but it could have been considerably worse.

On Saturday, Mr. and Mrs. McKim held a successful auction sale at their home in the village. They have sold

their property. Mr. and Mrs. Trueman and family are enjoying the company of relatives from England. Mrs. Trueman's parents are visiting from Liverpool.

Mr. Barber is also enjoying a holiday with his daughter and son-in-law, Mr. and Mrs. Pinkerton and sons.

Miss Lillian Shorthill of Toronto, spent Sunday with her mother, Mrs. Reta Shorthill.

We are happy to hear the infant daughter of Mr. and Mrs. Robert Foster was able to leave the hospital. She received a big welcome by her three brothers.

Next Sunday is the open-air service for the Ballinafad Church. It will be followed by a family picnic lunch. It is to be at 'Bud' Snow's home on the Seventh Line.

Cairnlee Carnival

The Cairnlee Community will be holding a carnival, Saturday, June 21, to raise funds for the mentally retarded children.

The carnival will be held from 1 to 6 p.m., just north of Victoria on Highway No. 10. There will be a barbecue, bake sale, craft sale and pony rides.

Halton hires forty

The Halton Region Conservation Authority will be employing approximately 40 young people for summer work, as part of the Ontario Experience '75 program.

Program 26 (formerly known as SWEEP) is one of the largest components of Experience '75 and is being operated in co-operation with conservation authorities across Ontario.

This program (which will include the Credit Valley Conservation Authority) will provide conservation and environmental work of a technical, clerical and manual nature.

The students employed will not be stationed at one particular conservation area. Divided into working crews, the employees will be travelling and working at the various projects planned at each of the areas.

Contributing to the success of this program, the Ford Company of Canada will loan 140 new trucks for the summer. The trucks will be used to transport crews, equipment and material through the large regions covered by each conservation authority.

Ontario Experience '75 is a \$10 million summer employment program which will provide experience-oriented jobs for more than 7,500 young people across Ontario.

Experience '75 is made up of 27 component programs with all the programs operating through various ministries of the Ontario government.

If you are 65 or older and have lived here for the past year, most prescription drugs can be free.

This is what Ontario is doing for you to get them.

Ontario residents not receiving Old Age Security. If you are 65 or older, and have lived in Ontario for at least the past year but less than 10 years, you too are entitled to Ontario's prescription drug benefits. But because we don't know who you are, you'll have to apply for the drug benefit card - at your pharmacy or from the Ministry of Health. After you're enrolled, you'll automatically receive your drug benefit card.

Here's how Drug Benefit works. There are more than 1,500 prescription drugs listed in the Ministry of Health's Drug Benefit Formulary. When you visit a physician or dentist, tell him you qualify for the Drug Benefit so that he can prescribe medication from the Formulary. Then, give your Drug Benefit Card to the pharmacist. Your pharmacy will keep your card. But you can have it returned - in case you move or want to go to a different pharmacy. No cost to you.

Effective August 1, we have a new law in Ontario. It will allow almost everyone who is 65 or older and has been an Ontario resident for at least the past 12 months to receive most prescription drugs free.

That means prescriptions written by physician or dentist and filled in Ontario. Only those drugs listed in Ontario's Drug Benefit Formulary are free.

Here is who is eligible:

Ontario residents who receive Old Age Security. If you are 65 or older and are presently receiving an Old Age Security cheque from the federal government, you will automatically receive your new Drug Benefit Eligibility Card before August 1. (And, of course, if you are already getting a drug benefit card, you will continue to get one.) You don't have to do anything about it.

When you get your prescription, you pay nothing. The pharmacist will be paid by your Ontario government.

In Ontario, we wish you the best of health. And we're doing something about it. So if you need to apply (and most people don't), pick up your Drug Benefit application form at your pharmacy, or write to:
