

Girls enjoy Terra Cotta

About 150 Brownies, Guides and Rangers gathered together last Saturday for a day of fun and adventure. It was Brownie Revel day for all the girls in the Georgetown east area.

Held at the Terra Cotta Conservation area, the girls met early in the morning in order to spend a full day with nature.

Included in the day were games, races, a barbecue and hikes along the nature trails. It was a time for the girls to gather in fellowship and fun in the forested conservation area.

Summer can be fun for asthmatic children

The Halton Tuberculosis and Respiratory Disease Association is once again planning to hold day camps for asthmatic children this summer. The camps are dated for three weeks in July and three weeks in August.

They will be held at the E. J. James Public School and Wedgewood Park, both in Oakville. The program includes: swimming, handicrafts, short field trips and physical conditioning.

Anyone interested or wishing further information in the day camps contact the Halton TB and RD Association at 124 Balsam Drive, Oakville. Registration forms have also been sent to all the doctors in the Halton region.
