

# Wherever You Go This Long WEEK-END

# DRIVE CAREFULLY!

## Remember! —

### IT'S MURDER

When you get the urge to swing out of a busy traffic lane and "take a chance" by passing a dozen cars in a row -- don't do it.

### IT'S MURDER

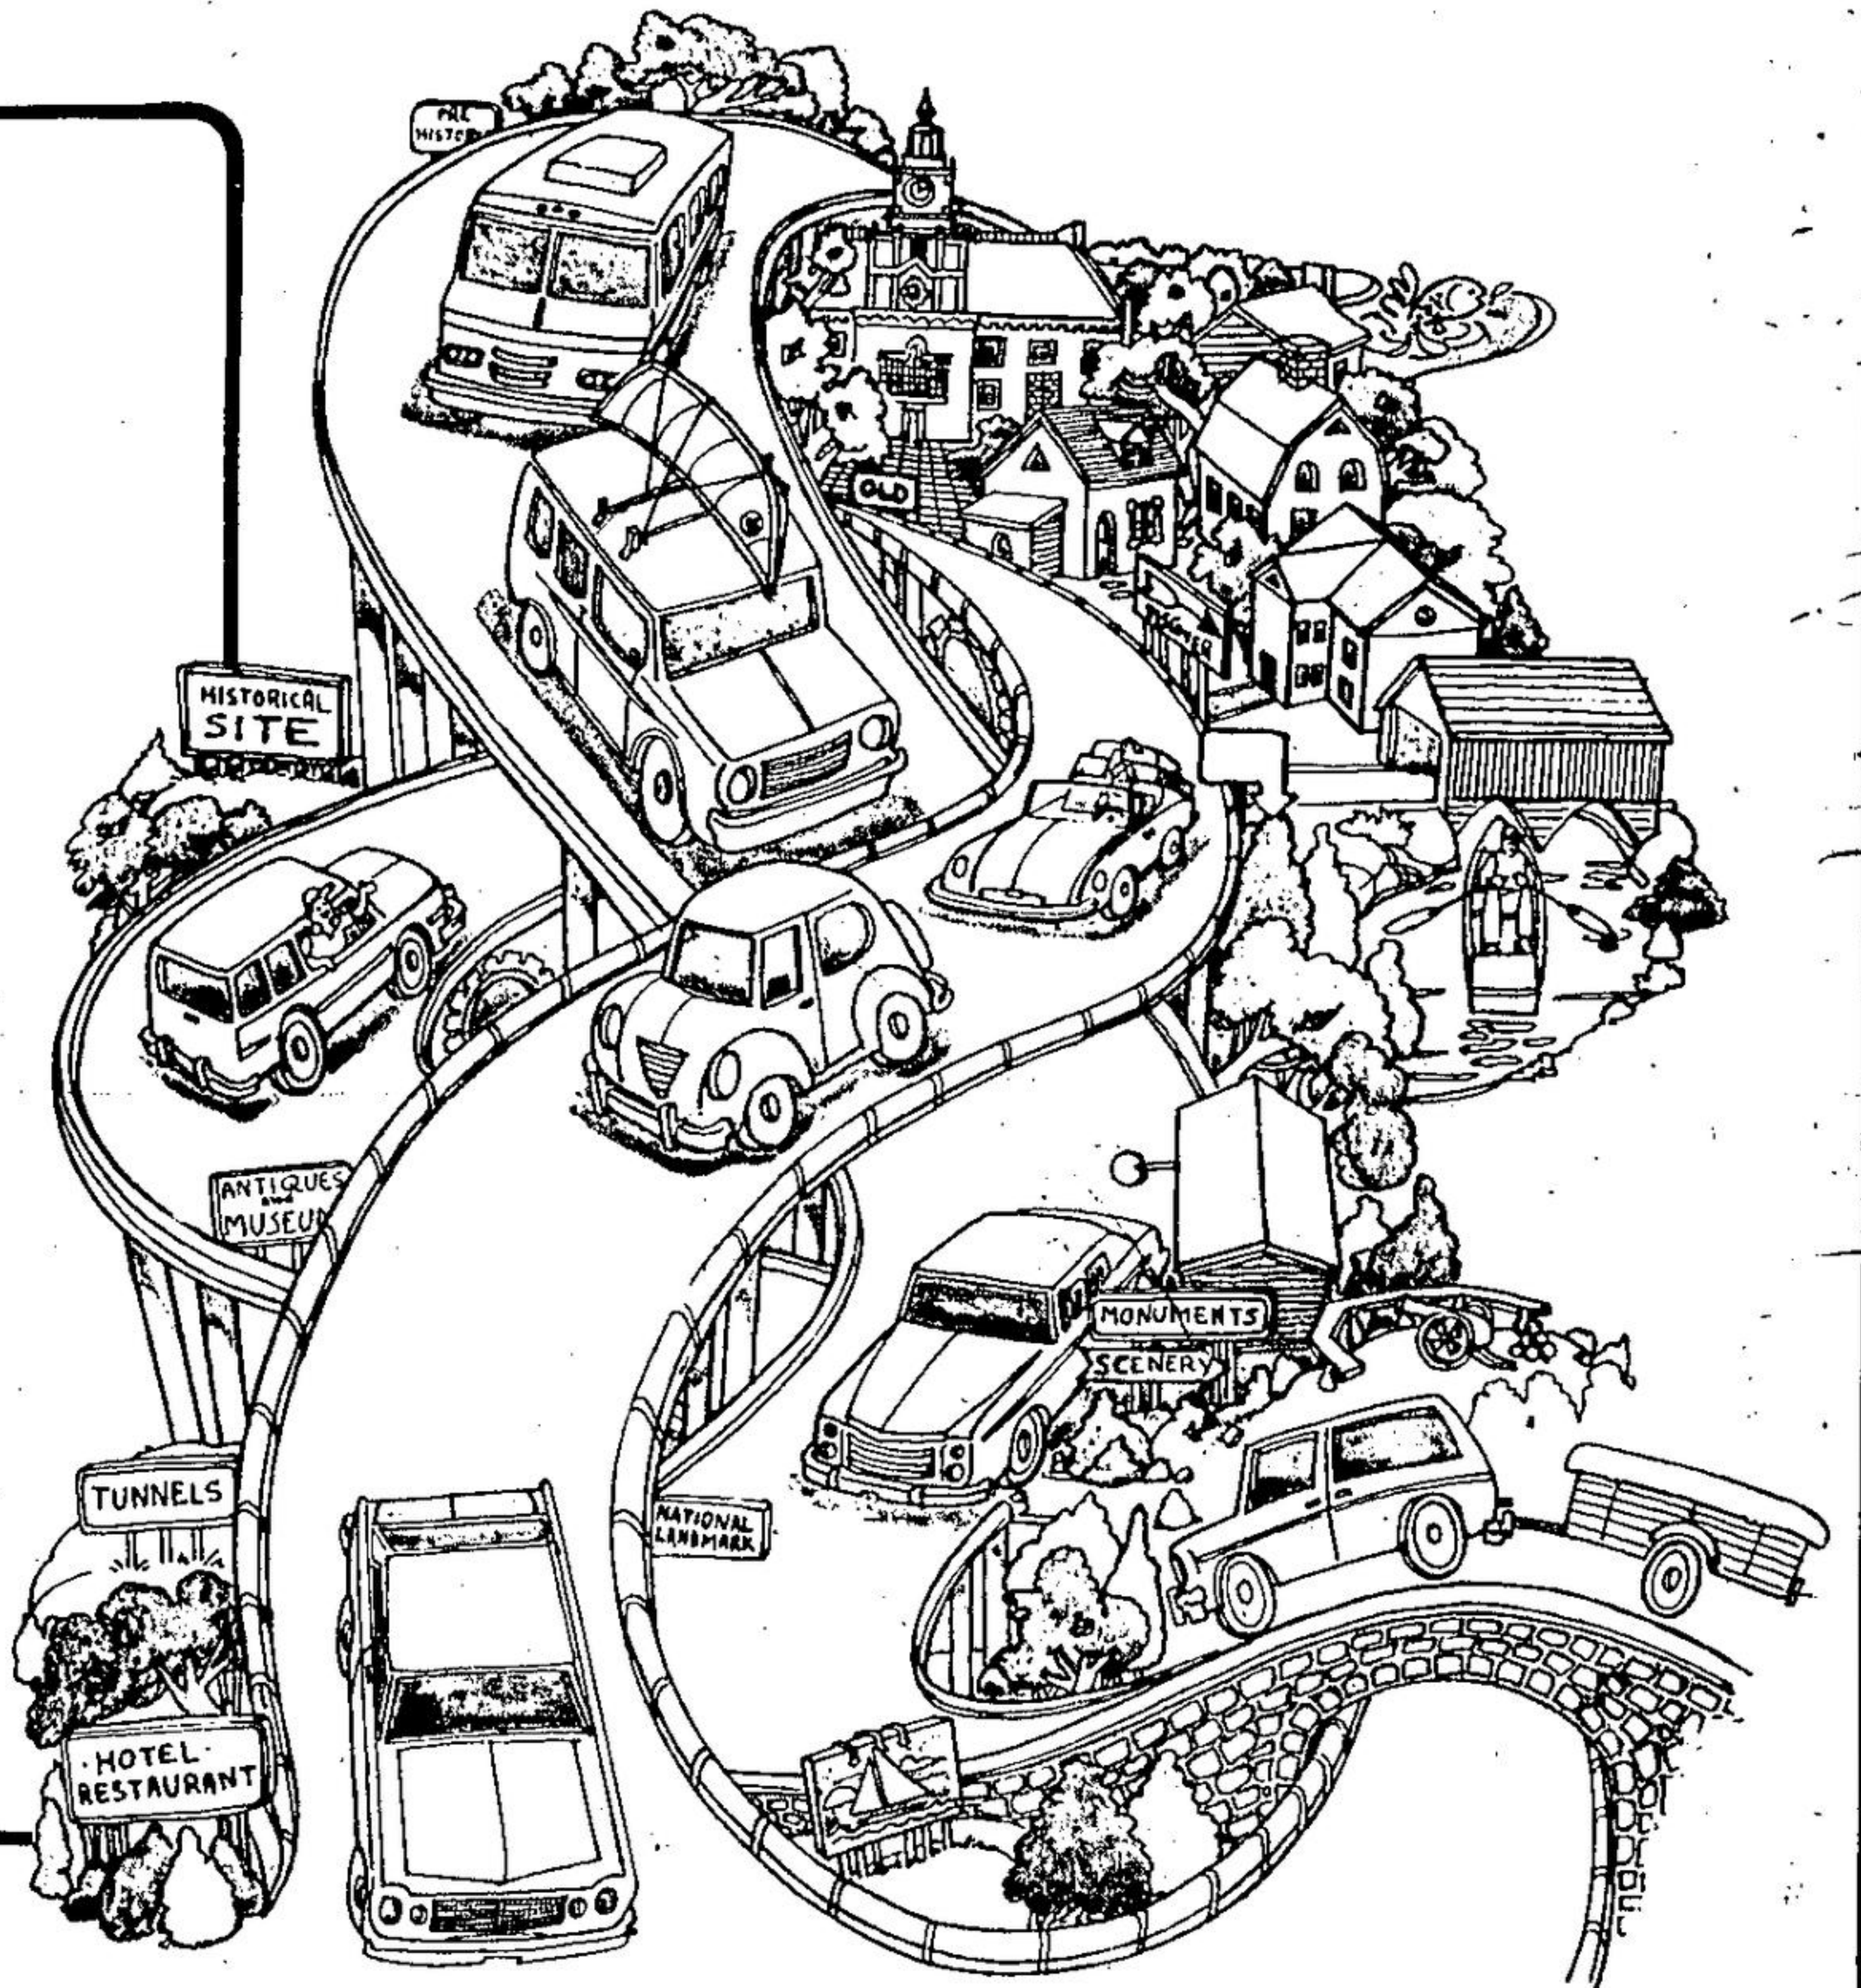

When your friends start coaxing you to have "a little drink" the one for the road before starting home -- don't do it.

### IT'S MURDER

When you feel like pushing the speed up past the posted limit, in order to get home in a hurry -- don't do it.

### IT'S MURDER

When you drive long hours without rest in order to get there before the Big traffic starts -- don't do it.
