

OBA draw winners, (left) Mike Reynolds and (right) Terry Richmond display their prizes. Tickets are sold annually by OBA affiliated organizations with the proceeds from the sales going to the local organizations to help defray the cost of officials. Approximately 3,000 tickets were sold throughout the Halton area and the draw was made by local umpire Dick Willis at the senior All-Star game held in Dundas this past Sunday. Mike's lucky ticket won him the color T.V. while Terry won the ten-speed bike.

The cream of the crop here for Juvenile tournament

The Gage Stationary Juveniles are hosting the annual Halton County Juvenile Playoff Tournament on Saturday, August 16 at the fairgrounds. Each year the four teams highest in the standings compete in a one day tournament to decide the champions of Halton County in their league. Brampton, Burlington, Campbellville and Georgetown will be the competitors with games slated for 9:00 a.m., 12:00 noon and then the championship game at 4:30 p.m. Teams 1 and 4, Burlington vs Brampton, are in the 9:00 a.m. slot, then teams 2 and 3, Georgetown vs Campbellville will play at 12 noon.

At press time, just which team is placed where has not been decided pending the outcome of their final league game on Monday night. Georgetown is currently in

second place, but Campbellville is just two points behind. The winners of each game will advance to the finals at 4:30. The Gage Gang will be going for all the marbles in this tournament as they have come close but have never quite succeeded in winning it all. A split in a three-game series with Burlington last week saw the Gage Stationary Juveniles drop into second place behind the lake town crew. The Gage Gang travelled to Burlington on Tuesday after the long weekend for a double header, tying the first game 3-3, then winning the last one 10-7 for a three-point night. Gage scored two runs in the first inning, and picked up another run in the third to open up the game. Burlington started back with one run in the fifth, then two more in the sixth to gain the tie. Mike McCandless was on the

round, Mike and Al Densmore got two hits each. Terry Richmond and Bill Allison hit singles.

The Juveniles started out the second game in the same fashion by scoring runs in the first, second, fourth, fifth and sixth innings. Grant Bodnar, Steve Hulme, Jed Williams and Terry Richmond were the hitters and the Burlington pitcher issued 11 walks. Doug Barnes was the winning pitcher.

Returning home on Sunday, the Gage Gang dropped a close game 4-1 to the same Burlington team. Burlington started off the third inning with a single, an error, then another single, to score one run. Gage tied the game in the bottom of the inning as Bob Freestone was hit by the pitcher, stole second, was sacrificed to third by Greg Bodnar and scored on the error to Terry Richmond.

Burlington went one up again in the fourth on a walk, stolen base and an error. The game remained close and quiet until Burlington put two runs across in the ninth. The Gage bats were quiet again, collecting only three hits to Jed Williams, Larry Peterson and Terry Richmond. Bob Freestone was the losing pitcher.

The Juveniles travelled to Campbellville for their last league game on Monday, and are busy getting ready to host the Juvenile tournament this Saturday.

The Gage Juveniles are not the only Georgetown team in the Halton County playoffs. The Armbrro Tykes, Legion Pee Wees and the Bantams are also in the playoffs this Saturday, all teams travelling to Brampton which is hosting all three tournaments; tyke, pee wee and bantam.

Glen hopes to clinch Industrial crown

Although several postponed games from the regular season have still to be played, plans are well underway for the Georgetown Industrial Fastball League playoffs to get underway next week. In the two postponed games played during the two-week break, Casselmans moved into a first place tie with the Glen and this sets the stage for a battle for first place on Wednesday night. The two leaders clash at 8:30 p.m. Wednesday night and, should the Glen win, they would wrap up the top spot as they still have a game to play.

In the other game played during the two-week lull, Club Billiards shellacked Random 20-2 to move into fourth spot and they still have two games remaining, so could possibly finish as high as third spot. The playoff alignment as reported two weeks ago was incorrect and the correct pairings will have the first place finisher battling the fifth place finisher, the second place finisher will go against the sixth place team, number three tangles with number seven while the fourth and eighth place teams round out the pairings.

GIFL Standings (As of August 11)

TEAMS	W	L	T	PTS	GTP
Glen	11	3	2	24	2
Casselmans	12	5	0	24	1
Curwood	10	6	2	22	0
Club Billiards	9	6	1	19	2
Perks	9	8	1	19	0
Kinmen	9	9	0	18	0
Norval	7	9	2	16	0
Random	6	10	1	13	1
Inglewood	5	13	0	10	0
Flyers	2	13	1	5	2

Week's Results

Casselmans 7 - Kinmen 3
Club Billiards 20 - Random 2

Upcoming Games

Wednesday, August 13
8:30 - Flyers vs Club Billiards
8:30 - Casselmans vs Glen Williams
Sunday, August 17
7:30 - Club Billiards vs Glen

Director of Education

Two tough games for Glen

Glen Williams of the Halton County Men's Fastball League ran into two determined teams last week—an improved Malton squad and front-running Streetsville—and in the two pitching duels, picked up a win against Malton, 2-1 while dropping a closely contested game to Streetsville by the identical 2-1 count. The win and loss for the week dropped the Glen to fourth spot in the Intercounty league standings.

On Tuesday night, the Glen could manage but five hits off Malton pitcher Griffin, who hit a home run in the second frame to give Malton a 1-0 lead but the stroke that mattered came off the bat of winning pitcher Dave Farrelly when it counted most, in the bottom of the ninth. In recording the win, Farrelly limited Malton to five hits while striking out seven.

The Glen had tied the game 1-1 in the bottom of the sixth to set the stage for Farrelly's last inning heroics. Single hits were picked up by Dave McLeod, Mike Reynolds, Howie Cornfoot and Warner Mikoleit.

The loss to Streetsville occurred Thursday night in Streetsville and this marked the second game in a row that the Glen has lost by one run to the league leaders. Thursday's contest was close all the way, with Streetsville picking up seven hits off losing pitcher Bob McGowan while the Glen was limited to seven hits by winning pitcher Rod Stewart. Streetsville picked up their runs in the fourth and eighth frames while the Glen got their lone tally in the sixth inning. Howie Cornfoot had a solid night at the plate for the Glen accounting for three of his team's seven hits.

Local girls please coaches

A Novice All-Star team from the Kinmen Girls Softball League competed in the Malton Novice House League Tournament over the weekend and, while the team failed to bring home all the marbles, (they won two and lost two games) coaches Laura Wilkes and Mike Harley were extremely pleased with the club's performance.

The Kinmen All-Stars lost a heartbreaking 2-0 game to Cawthra to open their tournament play. Michelle Miehm was tagged with the loss but pitched a fine game, striking out ten Cawthra batters while allowing only two hits. The second outing for the local all-stars put the team in a happier frame of mind as they defeated Alderwood 15-11.

Julie Fournier and Michelle Miehm combined on the

round for the win and hitting power was provided by Leslie Rand, who stroked a homerun and a double and Laura Sacco, who also had a four-bagger. Good fielding performances were turned in by June Ford and Patti Sunnucks. Their final two games saw the girls defeat Malton 15-7 with pitcher Michelle Miehm recording eight strikeouts, then lose out to Chinguacow 10-5. In this final outing, both Michelle Miehm and Julie Fournier saw hurling action.

Team members on the Novice All-Stars included Lorraine Turner, Laura Sacco, Cindy Hewitt, Lesley Rand, Lisa Rand, Julie Fournier, Clair Lacoursier, Patti Sunnucks, Rebecca Holonen, Michelle Miehm, Rhonda Ritchie, Margo Craig, June Ford and Karen Wilson.

Georgettes ready for Streetsville in playoffs

The Georgettes of the Halton Ladies Softball League have blazed their way into second place in the final league standings and are scheduled to meet Streetsville in the playoffs. This past month, saw the Georgettes win five of seven contests, including their last three in a row and, of more importance, their last two in a row against Glen Williams, to relegate the Glen team to fourth spot.

Georgettes could do to keep one step ahead of the determined Glen girls.

The Georgettes scored twice more in the third, to make the count 8-2 then barely made it through the final four innings as the Glen kept chipping away. The valley girls scored three games in the fourth, once in one sixth, counted another lone tally in their half of the seventh but just ran out of steam and lost out 8-7.

Last Tuesday (5th) the Georgettes, sporting their new sweaters courtesy of team sponsor Paul Armstrong, clipped Glen Williams 8-7. The game at first took on the appearance of a runaway as the Georgettes jumped off to a 5-0 lead after two innings. The Glen came back with two runs in the third and for the rest of the contest it was all the

Ev Metter took the win for the Georgettes, while Cindy Stafford was charged with the loss. At the plate for the Georgettes, Pat Walsh was two-for-five and knocked in runs, while Goldie Cash, who reached base twice on errors, also picked up three RBIs. The Glen's leading batsman was Marion McGowan who hit two for four.

The four top teams now advance into playoffs and the schedule appears with the league's final standings.

game that saw 14 miscues committed. Before the Glen got on the scoresheet, the Georgettes were leading 6-0 and were never really threatened. The Georgettes picked up six more runs in their half of the fifth and three more in the sixth to put the game out of reach.

Ev Metter hurred the win for the Georgettes, while Vicki Herrmann was charged with the loss. At the plate for the Georgettes, Pat Walsh was two-for-five and knocked in runs, while Goldie Cash, who reached base twice on errors, also picked up three RBIs. The Glen's leading batsman was Marion McGowan who hit two for four.

Out-of-town teams dominate Hornby

The 21st annual Hornby Men's Fastball Tournament was held in Hornby on Saturday with over 16 teams vying for the championship prize of \$175. The runner-up team was to receive \$90 while, in the single knockout competition, any team that won its first game was refunded their \$20 entry fee.

York Merchants defeated Foundation Group of the Queensway 9-1 to take the championship but the big news for area fastball fans was the performance of the Georgetown Merchants' Bob Marchand. Bob, as well as Phil Dobbin and Ray Inglis, were picked up by York for the tournament

and Marchand responded by playing solidly in the field while demolishing tournament pitching. He hit four home runs, picked up several other key hits and was named the tournament's Most Valuable Player.

The tournament itself featured excellent fastball and there is a possibility that next year the format might be changed to a two-day affair for the benefit of both the teams competing and the fans.

Glen Williams also entered this tourney but ran into bad luck in their opening contest, losing 3-1 to Zepher, who have always performed well in this tournament winning the championship twice in the mid-sixties.

TOURNAMENT RESULTS

First Round
York Merchants 1 - Peter Reino Sports 1 (York won on baserunners)
Zepher 3 - Glen Williams 1
Hornby 1 - Prospect Paving 0
Palermo 6 - Fobert 1
Foundation Group 7 - Saul's Express 6
Harmony Caterers 3 - Inglewood 1
Milton Stags 7 - L.O.F. 1
Streetsville 6 - Goderich 1

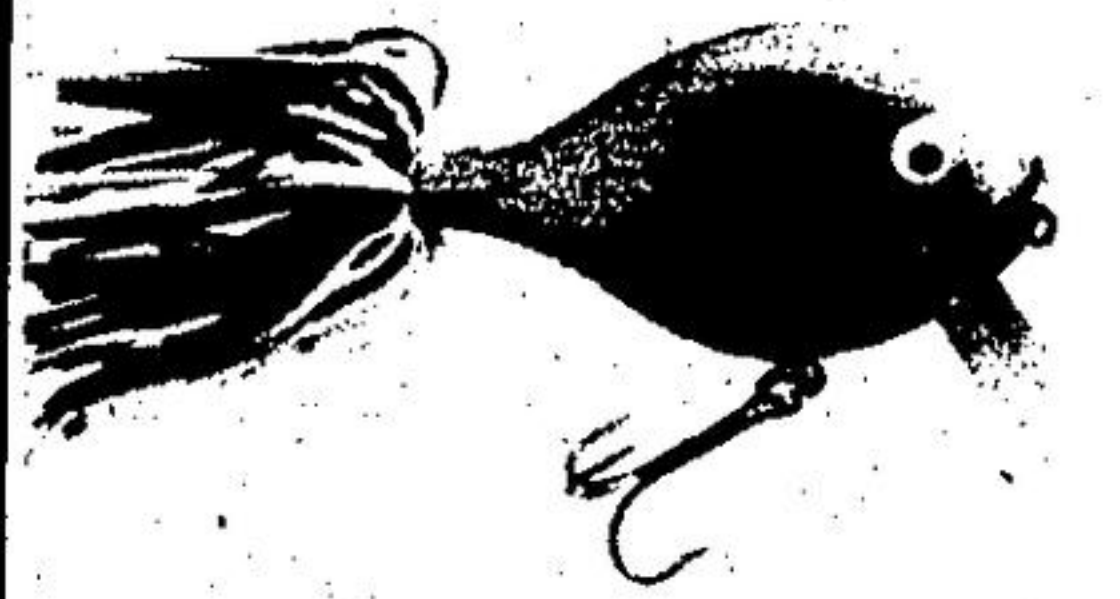

Second Round
Palermo 4 - Hornby 2
Foundation Group 4 - Zepher 1
York Merchants 7 - Harmony Caterers 1
Streetsville 4 - Milton Stags 0
Semi-Finals
Foundation Group 4 - Palermo 1
York Merchants 2 - Streetsville 0
Championship
York Merchants 9 - Foundation Group 1

Do you want the dam?

By Bob Ollivier
Member, Outdoor Writers

Some time ago, I reported on the case against a man who diverted the course of the Pine River. The court charged him with returning the river to its original course and putting everything back the way it was. As he refused to do this work the ministry of the environment did it and presented him with the bill, over \$3,000. It doesn't pay to trifle with the environment, yet others are getting away with it all the time. It just depends how big you are and who you are. Mind you I still feel the person charged in this case was at fault and the judgement fair, but let's get after some of the others.

The deer season has been announced for the Muskoka region, with only three days open and talk of a depleted herd. The dates are November 3 to 5, and I feel this will put pressure on many of the other areas, as hunters seek to get better hunting. This is one of the reasons why I have been pounding at hunters to get up and do something for their sport rather than let someone else do it for them.

Years ago I learned that something worth having is worth working for. And that's the truth!! Still lots of fishing and a good place to try is the Madawaska Valley. If you get to Hwy. 28 just south of Faraday you will find Paudas Lake, where Bass, Walleye and Lake Trout are very plentiful. Bass along with some good size Pike. A Zebco skirted, top secret lure, allowed to rest after the cast and retrieved about two feet under the surface, pays off well. If the lure is allowed to pop back up to the surface part way back to the boat, it will sometimes bring a slashing strike from a slow feeding fish.

How about it Dave??? Do you still think the dam should be taken out at Georgetown? Do you actually think it will stop drownings? Or keep the crazy boats in the realms of safety in the spring waters of the Credit River? And how about you Charlie? You had a lot to say in regards to the aesthetic value of the dam. Statistics have shown that thousands of people read this column every week. One hundred of those people voicing an opinion will go a long way to showing the feeling of the people in general in regards to the Credit River dams.

I am making a petition available, with copies in the Herald office, North Halton Sports, and at my home. Anyone interested in the removal of the dams will do well to sign them at their earliest convenience. Rivers are owned by the people, dams by individuals or companies. Sometimes a dam is owned or maintained by a town or city council. If this is the case then a letter or a word to those in authority could do the job. Anyone who wishes a copy of this petition for personally gathering signatures may contact me for one.

Do your part for a change and don't leave to chance, our ONTARIO OUTDOORS.

Garbage is coming up roses.

Twenty years from now, crops growing on recycled garbage will be an everyday sight.

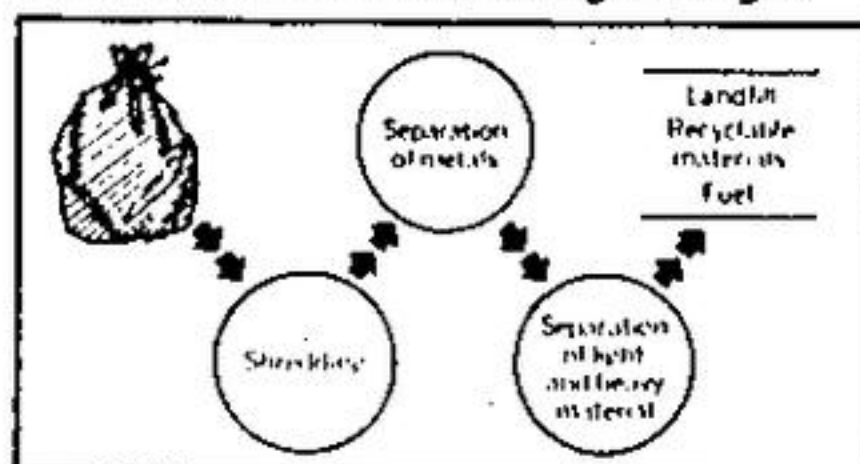

That's pretty hard to imagine right now because most of us think of garbage as just that—garbage. But in fact, it's a potential resource.

And the Ontario Ministry of the Environment is harnessing it.

How does it happen?
By recycling. Garbage will be taken to recycling centres where it will be shredded, separated, and some of it, turned into fertile soil to revitalize barren areas of the province.

The same basic shredding and separating process will also produce fuel, paper, cardboard, metals.

And we've just begun to explore the possible end uses of garbage.

The system: step by step.

A centre for advanced research will come up with many more.

Where is it happening?

Our Ministry has already inaugurated Ontario's first recycling centre in North York.

In the next two years, similar centres will be built to serve London, Sudbury, Peel, Halton, Metro Toronto and

south eastern Ontario.

In 15 years there will be recycling centres all across the province to handle 90 per cent of Ontario's garbage—everything from abandoned cars to organic waste.

Why recycle?

Because the people of Ontario—all of us—pile up garbage at three times the rate that the population increases.

The Ministry is working on ways to reduce that amount, but we'll always have garbage. And we're having trouble finding places to put it and the landfill to cover it.

Once garbage is being recycled, those problems will be over. But more important than the dumping problems, we're literally throwing away valuable resources with every ton of garbage we discard.

In a community of 100,000, garbage recycling will conserve the equivalent of up to 3,500,000 gallons of fuel oil a year, 3,600 tons of reclaimed steel, 4,500 tons of glass.

Our recycling program is considered one of the most advanced in the world. It's a commitment to a different way of living.

And the whole world will be watching Ontario's garbage come up roses.

Ministry of the Environment Ontario

Hon. William Newman, Minister

Everett Biggs, Deputy Minister
