

Alderwood just too strong for Royalesettes

THE BRAVE FIGURE OF NHL referee Bryan Lewis, in a familiar pose. The NHLers combined with players from the Halton Ladies Fastball League to collect over \$300 for the Mary Curtis Fund in last Thursday's exhibition fastball game reviewed by well over 300 fans.

The run for the roses in provincial playdowns has come to an end, at least for this year, for the Georgetown Royalesettes Juvenile girls fastball team. The Royalesettes entered semi-final play against their league nemesis, Alderwood, this past week and were eliminated in two straight games. Alderwood won in Georgetown last Tuesday by a score of 13-3, then wrapped up the semi-final series back home in Alderwood on Thursday night with a tight 4-3 victory.

In Tuesday's home contest, the Royalesettes just couldn't get going. They seemed tense and the smooth running team that has shown its mettle time and again throughout the summer, faltered throughout the contest

to allow Alderwood to win in a walk. Alderwood opened their half of the first inning by scoring three runs, picked up a single counter in the fifth inning, then exploded for nine runs in the last three frames to put the game out of reach.

The Royalesettes got their initial run in the second inning, scored twice more in the fourth, then were blanked for the balance of the game.

Laura Wilkes started the game for the hometown crew, was removed in favor of Barb Curry in the first, then returned to hurl the last four innings. Barb Curry was charged with the loss. Although hitting wasn't their forte in this game, Laura Wilkes and Brenda Smith led the plate parade as they

notched two hits apiece.

On Thursday night in Alderwood, the Royalesettes returned to form and played first class ball. Again, however, it was opening inning jitters that proved their downfall.

The Royalesettes completely dominated the game from the third inning on but Alderwood had, by that time, picked up four runs and over the nine frames this turned out to be enough for the win. The Royalesettes counted single runs in the second, fourth and eighth innings for their scoring production.

All due credit for the win should however go to the Alderwood team, they got the needed runs and played a fine defensive game. The

Royalesettes hit the ball hard, but to their chagrin an Alderwood fielder, always seemed to be in the right position to make the play. Leanne Gilson's stats for Thursday night's game for instance, gave her 0-4, yet four times she stroked long balls to the outfield that seemed sure hits only to be put out.

Alderwood centrefielder Clayton had an excellent game as witnessed by her eight unassisted put outs.

The Royalesettes were not lax at the plate as Janet McKay, Debbie Hamilton, Barb Curry and Patti Holotuk each collected two hits. Unfortunately the hits didn't come in the all important potential run scoring situations. Margo Butler

lashed out a triple in the eighth inning to account for the final Royalesette run. Barb Curry took the loss for the Royalesettes as she threw five innings before being relieved by Laura Wilkes in the sixth frame.

Although their hopes for provincial honors have been laid to rest, the Juvenile girls still have a fair way to go before the bats and balls are stored away for the winter. Their league playoffs will get underway as soon as the provincial championship scene is quiet and the girls will take part in the prestigious Alderwood tournament the weekend of September 13. This tournament annually attracts the top juvenile girls teams in Ontario and should cap the ball campaign for the Royalesettes.

With the playoffs and the Alderwood tournament in the offing, team manager, Jack Handy, is hoping to keep his charges in action. With this in mind, the prospect of a head-to-head clash with the Georgetown Getgettes of the Halton Ladies Fastball League is very appealing. Handy feels that his crew can take the Getgettes either in a single game or in a short series and is willing to get together with Getgette management to arrange just such a confrontation. So far there has been little or no reaction from the Getgettes regarding the proposal but, as Handy remarked, "It's up to them, we're ready anytime." It should be interesting to see who will make the next move.

Rams extra season ends

For the Halton Hills Rams the trek down the yellow brick road ended last week as they were downed by Rexdale in semi-final play in the OLA's Central Division. The Rams, last place finishers in regular season play, surprised everyone by knocking off Orangeville in the quarter-finals but were just a bit out of their league against Rexdale.

They took the first game of their semi-finals 12-5 in Rexdale, but then lost at home 17-10 and were beaten 11-9 back in Rexdale Friday night to eliminate them from further post-season play. Their last game in Rexdale was all their followers could have asked for however as they led 4-2 after the first period, were behind 9-8 after 40 minutes then stormed back with two goals in the last minute of play to go down fighting.

Howard Dwyer, manager of the Rams, although disappointed with the team's early

season showing, felt the Rams showed their pride with their late season surge to make the playoffs and knock off Orangeville. As he noted, "There is always next season and hopefully our end of season play will carry over to the next campaign."

In Rexdale on Tuesday night, Paul Wilson was the top Ram sharpshooter. He counted three goals and an assist to lead the team in their winning 12-5 effort. Jim Chisholm picked up a pair of goals, while singles went to Kent Kentner, Wayne Young, Kevin Marcoux, George Artem, Andy Broadbent and Steve Wilson.

The Rams continued with their heads-up play in the opening period of their second series encounter with Rexdale then fell apart in the second and third periods to allow Rexdale to score 15 goals and walk off with a 17-10 win. Ram goal scorers in this contest were, Ronnie Turkosz who

potted four, Steve Wilson who counted twice and Glen Sherman, Kevin Marcoux, Bill Fox and Bruce Cookley who chipped on with singles.

The big factor in the third game loss to Rexdale was penalties. Although the Rams took only two more than Rexdale, their penalties just seemed to come when the team was rallying and effectively chopped off scoring drives.

Steve Wilson, who has certainly blossomed as a goal scorer of late, counted four Ram goals, Kevin Marcoux added two, while singles went to Jim Chisholm, George Artem and Paul Wilson.

Although the Rams are finished for the season, their supporters can look back with relish on the late season surge that got them into the playoffs and past Orangeville. A better start next year could make all the difference between fighting for a playoff berth and challenging for the league championship.

Atoms fail first

Georgetown Major Atoms failed in their battle for top honours this year. They will have to settle for second place as league leaders, Oakville, were good value for their 2-0 win.

Georgetown was only in this game for the first half. The first half opened with play going from end to end with both goalkeepers being tested frequently. Georgetown had one or two good chances to take the lead. Howie Oram from a free kick hit the cross bar and from then on, Georgetown seemed to be a little more aggressive until Oakville scored their first goal. Oakville's outside right let go a very weak shot which hit the post and trickled into the net. Up to that point it was anybody's game.

The second half was a different story, it was all Oakville. It was just a contest between Georgetown's defence and Oakville's eleven. Georgetown's forwards had no desire or legs left for the second half. Oakville did just as they pleased and, except for Kevin Gillespie who played outstanding goal, Oakville would have scored half-a-dozen goals in the second half.

Gillespie in goal was the star of the game but special mention also must be given to the defence of Gary Monroe, David Williams and Blake Harrison.

Glen Williams, of the Georgetown Industrial Fastball League wrapped up the league title in convincing fashion last Wednesday night as they knocked off second place Caslemans 11-1 and clinched their position atop the league. Club Billiards moved into fourth place as they routed the Flyers 18-4 to set the stage for the playoffs.

The playoff positioning will have the Glen tangling with Perks, Cassemans going against Kinsemen, Club Billiards clashing with Random and Curwood taking on Norval.

TEAM	W	L	T	Pts
Glen Williams	13	3	2	28
Caslemans	12	6	0	24
Curwood	10	6	2	22
Club Billiards	10	7	1	21
Perks	9	8	1	19
Kinsemen	9	9	0	18
Norval	7	9	2	16
Random	6	11	1	13
Inglewood	5	13	0	10
Flyers	2	15	1	5

Merchants can't quite clinch third

The Georgetown Merchants of the Halton County's Men's Fastball League lost a golden opportunity to put a stranglehold on third place in the league standings last Friday night in Hornby as they dropped a 3-1 decision to the hometown nine. With only a few games remaining in league play, points are at a premium but on Friday night, it was just not to be for the Merchants.

The game turned into somewhat of a pitchers' dual

after the Merchants struck for a single run in the first and Hornby picked up two runs in their debut at the plate to open the contest. Both the Merchants' Bill Tilt and Hornby's Moe Curtis dominated the contest from this point on, although Hornby did add what proved to be the winning tally in the fifth frame.

In collecting the win, Curtis, allowed seven hits, struck out six Merchant batters and issued one walk. Bill Tilt, who was charged with the loss, recorded nine strike outs, while allowing nine hits and one walk.

Bob Marchand laced a triple in his first plate appearance, while the other Merchant hits were spread among Phil Dobbin, Gord Tomalty, Barry Cuthbert, Bill Tilt, John Blair and Paul Robinson. For Hornby, Neeland and McKay were both two-for-four.

The Merchants have three postponed games remaining to be played, as yet, the league has not set down dates.

Campbellville and Gage, who ended up tied for second place in the league, flipped for home team in the second game and the flip was the only thing Campbellville won all day. The Gage bats started booming in the second inning as they knocked in six runs on five hits off starter Dan Baynton. Dan got some revenge when he powered a homerun over the fence with one man on to cut the lead to 6-2.

The Gage crew added two runs in the fourth, one in the sixth, three in the eighth and the final run in the ninth while Campbellville managed only one more in the seventh.

Doug Barnes was the winning pitcher, who, along with Bob Freestone, struck out nine, walked one, hit two batters and gave up 11 hits. Mike McCandless and Barnes got four hits each. Terry Richmond and Larry Peterson had three each, with Bill Allison, Al

Eastern Ontario, Niagara District, Sun Parlour and Western Counties for the Ontario crown. Entrants have until Tuesday midnight (yesterday) to declare, so just whom Gage will meet first has not been decided. One thing for certain, the playdowns begin this weekend with back-to-back home and away games, so the Gage gang will play at home this weekend, either Saturday or Sunday.

Gemini hopefuls begin to show their stuff

At the organizational meeting of the Georgetown Gemini Junior "B" Hockey Club, the newly elected members of the executive pledged that they would truly make the team as much a local product as possible and in so doing hoped to get solid community support for their upcoming initial season. In an interview with the Herald, coach Paul Robinson revealed that this is, indeed, the aim of the club and that the recruiting program has been organized with this in mind.

three All-Ontario championship teams. The six years he played intermediate hockey were also spiced with provincial successes as he was a member of three provincial championship teams.

Paul has carried the winning attitude into his role as a coach and this, no doubt, will be the premier thought that he will want to instill in his new charges. As far as his coaching credentials are concerned, Paul worked in the Georgetown Minor system and for the past two years has handled the local Juvenile Rep team.

The league that the Gemini will operate in, the Central Ontario Junior "B" Hockey League, is a classy league in terms of competitiveness—league champs, Oakville went seven games before losing out to Bramalea of the Metro Toronto Junior "B" League last Spring and Bramalea went on to capture All-Ontario laurels—yet Robinson is confident that his team will hold their own. The league members include, Dixie Ventures, Streetsville Derbys, Brampton Vic Woods, Oakville Blades, Milton Continental Flyers, Burlington Mohawks as well as the Gemini. Robinson showed no apprehension in predicting that his team would capture a playoff spot in their rookie year.

One of the reasons Paul is confident about the team's prospects for the upcoming season is the abundance of talent that will don the blades for the training camp. Fourteen members of last year's Juvenile Rep team have been invited and they include;

Larry Peterson, Doug Barnes, Bill Allison, Bill Kirby, Kevin Reeks, Charlie Knoepfl, Ian Syme, Chris Milne, Bob Fithersingham, Marty Weaven, Kyle Harkins, Steve Hulme, Brian Laird and Al Denismore.

The Major Midgets produced nine potential Gemini's; Joe South, Paul Allison, Rob Hamilton, Bruno Martino, Terry Turner, Paul Martin, Rick Iglesias, Ron Osborne and Ken Eckroth, while seven Minor Midgets, Mike Richmond, Andy Broadbent, Randy Bergeron, Mike Buck, Bob Hill, Glen Tost and Brad Miller, have also been extended invitations.

Because Junior hockey has been absent from the Georgetown hockey scene for several years, some outstanding area players have gone elsewhere to ply their trade. They have not been overlooked by the Gemini recruiters and, while several have chances to latch onto a Junior "A" club, invitations have been sent out in the hope that they will return to the hometown fold.

Perhaps the best known area players who have been invited to the camp are the Popell brothers, Dean and Dick. Both played last year for All-Ontario Champions, Bramalea, but the hope is there that they will join the Gemini.

Tom Fendley, who played part of last year for Bramalea has also been invited.

The Gemini recruiters have no compunctions about raiding rival league teams in attempting to lure local skaters back home, and Rick Becker, George Cousins, Blake Shortill and Dale Mieczanic

who toiled for Brampton of the Central Ontario Junior "B" loop last year, have been asked to attend camp. Ted Kewley, who played for Milton of the Junior "B" league is also being wooed.

Some other local products being pursued include Rick Tompkinson, who played last year for the Owen Sound Greys and Gord Lyons and Doug Pemberton who played Junior "A" hockey out west last year.

The biggest lure being tossed into the hockey waters is for Ray Love who played Junior "A" hockey in Gander, Newfoundland last year but is perhaps best remembered by local hockey buffs for his outstanding work with the Milton Junior "B's" two years ago when he was one of the league's top scorers.

Although the hunt for talent was concentrated on local products several out-of-towners are expected to turn up for camp and could provide stiff competition for local would-be Gemini's. Dan Gunning, the goalie from Burlington who won the MVP Award in last year's Bantam tournament has been invited as well as Steve Buchanan from Campbellville and John Senior, of Scarborough who was drafted by the Junior "A" Windsor Spitfires. There are other prospective candidates vying to wear the "Gold and White" of the Georgetown entry but they will have to prove themselves at training camp.

The training camp itself should prove a gruelling experience for all the players who attend but it will undoubtedly let Robinson and Fred Harrison who will be

assisting with the on-ice workouts, quickly separate the chaff from the wheat and be able to pick the nucleus of the team early on in the training schedule. Practices are set for Wednesday, the 20th, Sunday, the 23rd, Monday, the 24th, Tuesday, the 25th Wednesday, the 26th, Sunday the 31st and Monday, September 1st.

These on ice workouts will be augmented by dry land training sessions, —before each practice,—under the supervision of Bob McKay, a member of the physical education staff at Georgetown District High School. The 10 a.m., September 1, practice will vary from the set routine of the camp as this time slot has been set aside to allow open tryouts for anyone wishing a chance to make the team. The axe day will also be September 1 as Robinson will make the necessary cuts enabling him to form a 25-man roster.

All in all it will be a busy several weeks for the whole Gemini organization and the finished product will go into an exhibition September 14 in an exhibition tilt against the Junior "A" Windsor Spitfires in preparation for their home opener, Saturday, September 27, against Brampton.

The Gemini organization is looking for town support as they begin their undertaking and with this in mind, all training sessions will be open to the public. The time to get to know the Gemini is now as the success of the operation depends on its fans. The wheels have been set in motion to provide Georgetown with top notch Junior "B" hockey and community support can supply the horsepower.
