

THE PEE WEE GIRLS SOCCER TEAM display the trophy they won in the Whitby Tournament. In last Saturday's Tournament the girls finished second but played well. Front row, left to right, Deana Kent, Angela Stapleton. Second row, left to right, Beth Kewley, Carolyn McCluskey, Jeanne Wilson, Jenny Thompson, Carolyn

Harrison and Rosemary Wilcox. Back row, left to right, Sally Skelton, Susan Smarda, Alyson Ritchie, Bonnie Lee Beckett, Lorraine Turner, Joan Gilmer, Sherri Crossman, Sylvia Martin and Coach Bryan Turner. Absent, are Halley Quinn, Donna Kuipura, Laura Tunney, Lynn From and Lynn Gallant.

First girls tournament

# Girls tops at soccer

Georgetown hosted six out-of-town teams last Saturday in their first girls tournament. It was all day soccer at both Cedarvale fields and everybody present enjoyed a well organized day of sportmanship and soccer. It was a great success in many ways and Mrs. Shenna Kewley, who worked so hard as the main organizer, must have been all satisfaction on the end of the day. Most success however was enjoyed by two St. Andrews teams from Scarborough, each one winning their respective divisions. Both Georgetown teams provided good competition but had to settle for second, place in both the Pee Wee and Mosquito division.

In the Mosquito division Richmond Hill and Dixie played the final game of the day to decide third and fourth place. Both teams lost previous games to St. Andrews and Georgetown and it took the shape of a real battle. Richmond Hill, the only team with a lady coach (Joan Gove) had been playing short-handed all day but it did not seem to have taken them with Linda Scherbas of defence not big in size but very reliable, inside right Laurie Lynden who would not give up and a very strong and skillful Karen McCarther at centre half. Karen played the final game in goal and even there did not look out of place.

The player who drew the attention however was the smallest in the tournament. Less than four feet tall, Helen Tomlinson, did not give an inch to anybody, regardless of their size, and she played brilliant soccer for an 8-year-old.

Victory did not come, however, Mary Ann Piffled saw to that, scoring for Dixie, the only goal of the game. Mary Ann Zgougoulis, who is an excellent half back, played goal all day for Dixie and was tested by Georgetown and St. Andrews in previous games. Georgetown scored three goals on her but St. Andrews the winning team, had to settle for only one. Mary Ann, in goal, was just fantastic and in the

Richmond Hill game she had no intention to be scored on. She had good help from her defence. They had the smallest pair of defencemen in their league with Michaela O'Mara being a standout in skills as well as co-ordination.

Janet Richardson, a solid right half, provided Dixie with the punch to boot the ball out of danger into the opponents half. The two top teams however took the field at the end of the day to decide who would be first or second. Both had impressive victories during the day and, in the scoring department, Georgetown impressed the most up to that point. But when they had to, St. Andrews showed their class winning the game handily 4-0.

Most of the damage was done by Ann Costain the little left winger scoring three of the four goals. Sharon Elles, a great little playmaker scored the fourth goal. This team showed class. Right winger Mari Jane Woodlyatt entertained the spectators with excellent skills. The defensive pair of Lori Hutcheson and Christine Laing played outstanding soccer. The first playing was very good positional soccer, the latter very aggressive, with great footwork. Two strong performers at the half line, Joanne Simpson and Michele Long, also helped the cause.

This team was too strong for Georgetown and they ought to be congratulated with their performance and first place. Georgetown however played good soccer placing second, Jenny Smith, scoring three times against Dixie and once more against Richmond Hill, was the top scorer. Nancy Diamond and Lynne Cunningham added singles. On defence, Linda Ferguson as always played solid soccer. Outstanding on defence in the St. Andrews game was Betsy Sharples.

Susan Krewchuck played goal for Georgetown and could not be blamed for the four goals scored against her in the St. Andrews game. Up to that point Susan was scored upon only once in the previous games. Team effort, together with great team spirit under

coach Beth Kewley, should carry this team to more future success. Thank you all girls, coaches and managers for making this day such a success. To the referees, "Bravo".

The PeeWee division did battle all day. Georgetown tied all their three games, the last game against St Andrews being the game everybody was looking for. Neither team disappointed. St. Andrews scored first on a goal by Angela Aminola who played left wing, Jenny Thompson with her goal, brought Georgetown on even terms midway through the game.

St. Andrews, with two wins and this tie, finished first and had to be the best all around team in the tournament. The girls showed the results of great coaching and Jim Kennedy should be congratulated for such a fine team. Passing, ball control and positional play were displayed all through the day by this team. Joanne Carr, at 4'3", the shortest goalkeeper in this division, showed great goalkeeping. Ruth Smith on defence was most reliable and a standout centre half, Laura Brown, was sure and solid.

Reading the game very well left striker Susan Ellis had to be the best playmaker. She engineered many good attacks with her skills. Left striker Susan Thompson scored the best goal of the tournament scoring on a beautiful header against Orangeville. Karen Amondson's skillful passing made her look great. A great team all around. Congratulations from your last opponent of the day Georgetown, a team that did not lose a game but had to settle for second on points.

Georgetown is proud of this team, which won the Whitby Tournament two weeks ago and provided us with excitement again this day. Joan Gilmer was a standout all day scoring twice against Whitby. Susan scored the third goal in their 3-3 tie. This Georgetown team has really no standouts. All girls seem to do very well and it is a complete team effort that shoots them to success. Physically a strong team

besides Joan Gilmer. Hayley Quinn, played a strong game and deserves special mention.

In their game with Whitby, Georgetown was leading 3-0 with 10 min. to go. Did you ever have a roof fall in on you? Well, it happened to them in the last 10. Whitby scored three goals. It was heart-breaking for coach Bryan Turner but the girls took it with great stride and showed good sportmanship. This is what makes them the greatest. Joanne Mulcahy, a lightweight centre forward from Whitby scored two of the three goals against Georgetown. It was good ball control and her great speed that did the trick. Sandra Lawr scored the third.

Very impressive, the smallest girl of the team who came into the game as substitute against St. Andrews, was Wendy Niewendyk, a good, fast playmaker.

Sheila Mulcahy at centre half a strong kicker and great performer, was the backbone of this team together with good goalkeeping of Debbie Hunink, who had to be the tallest keeper of the tournament. One of the most under-rated players on the Whitby team was left winger Elizabeth Verryd who did some clever passing at times and deserves to be mentioned. Whitby battled with Orangeville for third or fourth place. It was a battle alright and the outcome, a scoreless draw.

Anna Riller, was the strong performer for Orangeville, an overall fast-breaking team that surprised St. Andrews losing a close contest 3-2. Selana Hough displayed great goalkeeping. As a surprise move she was replaced in the Whitby game by Sharon Boston who played a solid game in goal as well. They had good help from Bev Rankin, a solid blonde defenceman who played very well. Most underrated but very effective in the Whitby game was tall blonde Kathy Hershberg. Other Orangeville players that deserve mention was Wendy Black.

A good day of soccer for Georgetown. The girls received a great applause when ribbons were handed out at the end of the day. Most enjoyable.

# Falcons drop Chings move to third place

Falcons Soccer squad out-scored the opposition 9-0 last week moving them into third spot in the standings, one point behind second place Ching Major.

Last Thursday they played Rinascente in Toronto winning 4-0. It was sweet revenge for the Falcons who, two weeks

ago lost their first home game against this team. The Falcons were well prepared for this game, but did not score until the 43-min. mark of the first half when a free kick from Bill Zanthos was headed into the net by Joe Cairns, who played his best game for the Falcons that night.

Three-minutes into the second half a throw in from Joe Cairns ended up with Richard Matthews whose hard shot put Georgetown up 2-0. The best goal of all came from Ken Ross heading the ball to winger Ken Chapman who returned it to Ken Ross in front of the goal, heading the ball past the Rinascente goalkeeper. Robert Lister finished the scoring when he broke into the clear for a well deserved victory.

The return of Gord Doig made a great difference to the Falcons and the defence of Paul Thompson, Peter Koch, Mike Peeter and Gary Miller was just great.

Sunday at home the Falcons defeated league dwellers C.S.L., 5-0. This game was never in doubt as the 8-min. mark Robert Lister took advantage of a defensive mistake scoring his fifth goal of the season. Gord Doig made it 2-0 with a beautiful shot that surprised the goalkeeper.

In the second half the Falcons scored three more unanswered goals. Joe Cairns and Ian Syme with two. Ian played very well and his two goals brought his total to five for the season.

The Falcons will have a new player in their line-up this coming week. Stuart Robbins had signed up for the team. A well-known soccer coach all through the country Stuart will be a valuable addition with all his experience.

The Falcons will play the Dutch side Neerlandia next Thursday at St. Clair at 8:45 p.m. and play Oakville in White Oak next Sunday at 2 p.m.

## Current Ripples

# Goodbye

By Chris Hall

It's been a good year! In September, 1974, I moved to Georgetown from Kingston and began working in several pools in Brampton and Norval. November brought the opening of the Acton Lions Pool and more aquatic experience as an assistant supervisor.

Finally in April, came the opening of Georgetown's Indoor Pool and I was accepted as the pool supervisor. I was excited and determined to do my very best to design a program that would really please the community and open up aquatic sports and skills to all age groups. The job has been a challenging and enjoyable undertaking due to my staff, my employers and the community who have been so kind and helpful. By next Monday your new pool supervisor will be settled in and I will be back in my home town, Sault Ste. Marie.

I sincerely hope that the new supervisor will receive as warm a welcome and find the job as rewarding as I have. The tremendous interest in swimming in this area will certainly make his task an easier one. So...Thank you everyone for making me feel at home and for making this year successful.

Sincerely  
Chris Hall

## Past and Coming Events

Another successful swim meet took place at Georgetown's Indoor Pool this past Saturday. The competitive, yet friendly spirit between the teams as well as the quality of the swimmers, made it an enjoyable event to observe or participate in. The teams placed in the following order: Fairfield, Georgetown and Acton, Ancaster, Milton.

If you were at the CNE last Monday between 1 and 2 you may have seen Georgetown's Junior Water Polo team performing in the Sports Canada section. There will be two other teams from Georgetown and Acton performing, so if you happen to be at the CNE drop in to see them: August 23, Synchronized Swimming; August 25, Speed Team.

Be sure to get to the pools early to get a seat for the West Central Regional Championships being held this year in Halton Hills. The competitive swimming will commence at 11 a.m. on Aug. 28 at Acton Lions Pool. The Water Polo contests begin at 11 a.m. at Georgetown's Outdoor Pool (indoor if raining) on August 22. Teams will be coming from Caledonia, Hamilton, Niagara-on-the-Lake, Grimsby, Fort Hill, Burlington, Mississauga, Ancaster and other communities. So come out and support the Halton Hills teams!

In last week's Current Ripples regarding those swimmers who successfully passed their tests, an oversight occurred and three names

were left off the list. Carolyn McConnell, Shannon Lee and Gina Delbrocko all passed their Beginners tests and will now advance into Pre-Junior.

## Referees clinic

The Lakeshore and District Football Referees Association is looking for prospective candidates to train as football officials, from the Georgetown area. A general meeting for all new prospective members will be held on August 20 at Trafalgar Hall, at 7:30 p.m. Trafalgar Hall is located at the corner of Trafalgar Road and Highway 5 in the Oakville area. All persons interested in officiating minor football and high school games are urged to attend.

The Lakeshore and District Football Referees Association is well respected in Ontario football circles. For the past several years certain its members have been chosen to

work the University National Finals and the complete crew that handled the Eastern Collegiate Championship held at Sheridan College in Oakville this past Fall was from this association.

In addition several of the Lakeshore and District officials are being groomed for future work in the CFL. One point that the association prides itself on is the training and upward advancement of its younger officials.

Those people interested in football officiating and who are unable to attend the August 20 meeting are advised to contact Colin Gibson at 877-7391 or 877-2201, for further information.

# Glen softball crew hard on their fans

For the third consecutive game, Glen Williams, of the Halton County Men's Fastball League, was involved in a nailbiting, extra-inning contest and, for the second time in the three outings, the Glen came away winners. Last Tuesday night in Glen Williams, the "Green and White" crew won a 3-2, 15-inning marathon over Hornby and enhanced their chances of finishing in, at least, fourth place in the league standings.

Dave Farrelly took the win for the Glen as he hurled the whole 15 innings, allowing eight hits, while striking out eight Hornby batsmen. Moe Curtis was charged with the loss for Hornby but could hardly be faulted as he also went the full 15 innings, allowing 13 Glen hits while

striking out 12. The Glen got single runs in the third and eleventh innings then packed away the win as Curtis faltered somewhat in the 15th.

Dean Hancock led off the 15th with a single, moved to second as Howie Cornfoot walked, then scored as Dave MacIvaid singled. Hancock was the top Glen hitter as he went two-for-five at the plate and scored the winning run. Bill Sykes and Mike Pierce also collected a pair of hits.

Over the weekend, the Glen team was involved in a tournament in Inglewood and made it to the finals before bowing 10-0 to York Merchants. The Glen won their initial contest 4-0 over King City as pitcher Bill Sunstrum, form Guelph, hurled a no-

hitter. Sunstrum picked up his second win of the tourney as he came on in relief of Dave Farrelly in the fifth inning of the Glen's 9-8 victory over Peel Fence of Brampton.

In the championship game against the York Merchants, the score read 3-0 York after eight innings, then the roof fell in. York exploded for seven runs in their half of the ninth to

effectively settle the issue. Bob McGowan, who was pitching

well until the disastrous ninth, was charged with the loss.
