

September Arthritis Month

September is Arthritis Month in Canada. Throughout September, The Arthritis Society will try to make more people aware of the problems of arthritis, but, even more important, it will try to let arthritis sufferers know about the great strides being made in research to find the cause and cure of this disease.

Each year arthritis robs workers in Ontario of millions of dollars in lost wages. Many are confined to a bed or wheelchair.

Arthritis is a serious problem, yet Canada is recognized as a leader in the program to control arthritis. In order to maintain that position The Arthritis Society needs money for research and education.

In Georgetown a meeting will be held on Sept. 10, to finalize the details for this year's drive for funds. Local Society Chairman William Kent will announce the date of the campaign later this month.

Arena parking lot contract

Armbrro Materials and Construction of Brampton have been awarded a contract for paving the parking lot at the Georgetown Memorial Arena. Armbrro's submitted tender of \$18,585 was the lowest tender submitted for the asphalt surfacing project.

New works dept. trucks

Halton Hills works crews will be heading to work shortly in some new trucks. Council has accepted tenders on a number of new pieces of equipment while re-tendering for other.

Included in the assortment of new equipment are a 1976 4-Ton from Halton Truck Sales for \$18,027 and a 1976 crew cab and '76 Ford F100 from North Halton Ford Sales for \$5,265 and \$4,213 respectively.

A tractor and loader were acquired from Case Power Sales in Rexdale for \$6,506.

Only one bid for two sand and salt spreaders was received and council decided to pre-tender for those items.

Half-price

Tennis courts at the Gordon Alcott Memorial Arena may cost only one-half of what the town expected to pay for their construction.

Town council last week accepted a tender for the work submitted by a Mississauga construction firm. The tender was for \$26,998 which was by far the lowest tender submitted.

The town had budgetted over \$50,000 for the work.

Contact needs help

If you have a few hours to help those who need some time with someone—even a voice over the phone—the North Halton Contact Centre needs you.

Applications are now being accepted for the Contact Centre for those wishing to share their time and their friendliness.

Training sessions will begin once there are sufficient applications. Information can be obtained by calling the 24-hour-a-day information and referral centre at 877-1211.
