Dart league donates boards

by in the afternoon they chose to visit us. They are well and thoroughly enjoying it up in Grand Bend. I have their phone number in case anyone wishes it and they extend the invitation to all their friends to be sure to visit them when we are in the district.

When both of their transfers are in they will then belong to Exeter Branch and all I can say is that Georgetown's loss is Exeter's gain. They were very active in our Branch, played sports, went to meetings and worked whenever they were asked. Come see us often folks.

A very nice gesture on the part of the Tuesday Night Mixed Dart League last week when Denis McCartney of that league, presented to the Wednesday Night Men's Dart League, two brand new dart boards. This presentation was very much appreciated by the Wednesday night darters.

If you and your friends have admired on occasion those two beautiful shields and the clock in our Lounge, those also are the good work and thoughtful deed of both the Thursday night Shuffleboard and Tuesday Night Mixed dart league of last year who presented this to the Branch. It is certainly a beautiful addition and much appreciated.

Ethel Anthony, Bill and Sarah Richards have recently returned from a week in Victoria Harbour where they had a wonderful week. While there, they were challenged to several darts games and naturally they did Georgetown proud and kept up the reputation of Georgetown being hard to beat in the game of darts. They stayed at Ann and Frankie Connelly's home and lucky Ethel won \$115 in the Victoria Harbour Lions 50-50 draw.

Edna Rippon and Al Grieves are having a nice trip to Washington D.C., seeing all the sights. Tom and Alice Elliott have sent a wish you were here card to us from Scotland and it sounds like they will regret having to return home. The weather is still beautiful and they enjoy the entertainment of the pubs.

Branch Members; Now hear this! Saturday September 20 is going to be a busy day as far as sports and good sports are concerned. There will be golf in Bronte and Baseball in town. Golfers, there is a list on the sports board to sign your name to if you want to play at the Lido Golf course. Check for further information.

Bronte Legion 486 have extended this invitation to all who are interested. Next on the agenda is a Georgetown Garbage League (Their wording, not mine.) Teams will consist of workers and employees from: Town Works, Legion, Firefighters, Radical Car Club, Letter Carriers, Police, Postal Clerks, and Ambulance. The list and rules and all information are on our Sports board in the clubroom so please sign if you are interested. First game is 10:30 to 12 with only seven innings each game. No pitcher already playing in another league is able to pitch in these games. I hope that the whole of Georgetown will come out and about your favorite teams on to victory. See you at the ball park in Glen Williams.

The corn roast was well attended and everyone enjoyed themselves, so I hear. Particularly: Joe Goudy who won a radio, Ada Ward who won a lovely prize and Jerry Wright who won a smaller prize. It is felt that the corn roasts in future will be held in the afternoon as the weather is usually too cold at night. The tulips will be arriving at the Branch very soon. St. Catharine's branches have already received theirs. All who ordered bulbs will be notified by Tulip chairman Tom Elliott as soon as they arrive and you can start planting them in time for Spring growth.

Branch members on our sick list this week are Reg Bradford, (who had a back operation and is in intensive care in Wellesley Hospital, at time of writing), Charlie Day and Dick Fullerton. We wish them a speedy recovery. How are all our shut-ins and those on the recuperating list? Feeling much better we hope. There has been a slight change in the Pipe Band with Gord Johnston being the new Pipe Major. We thank Merv Allen for his efforts on behalf of the pipe band for the past eight years and we wish Gord much good luck in his new role and the added responsibilities and assure him he has the support of the Branch and the good bunch of men in the band. The band has always represented Branch 120 well and we know you will always continue to do so.

What a nice surprise on Saturday afternoon to walk into the branch and see Bob and Marg Hedley sitting there with a group of friends. I hadn't seen them for some time and was glad I happened

Do you have a boy or girl or know of a youngster in your neighborhood who would like to join our Air Cadet Squadron No. 7567? Read the ad in last week's local papers to find out all the information or ask someone on the committee for advice and information. This is an exceptionally fine outfit as the Cadets will tell you and they are so proud to belong to this youth group for the fun they have and also for the great amount of knowledge they can pick up and the sense of 'belonging' that all of us need.

They are so lucky to have so many dedicated men and women to spend the time with them that the Air Cadets do have. Call Chuck Crawford at 877-3294 or Boyd Lenix at 877-4118 for all the help you will need. Bill Squier at 877-8725 and Mike Creary at 877-8074 will also be glad to assist you. I know that the Air Cadets will be needing help on two upcoming occasions. They are having displays at the Fall Fair in Acton on October 20 and 21, and in town at our own Fall Fair on October 3 and 4. Please offer your help if you can.

Joe Polier was presented with a beautiful colored T.V., last week from fellow employees who honored him at work for the 10 years that he has contributed to the garage. Joe is certainly well thought of in all circles and no one works harder for our Legion than 'good old Joe'. Congratulations Joe.
