

By Roma Timpson

Busy weekend for Legionnaires

ellow members, enjoy the President's Supper and the meeting that follows.

A busy weekend for several of our members with some going to Bronte Legion on Saturday to take part in the invitation extended to our branch to participate in their golf tournament. Harvey Chappel won two clubs. One for being closest to a certain hole, one for having low gross. Jack Kenahed won a putter also for low score. Another day is planned for the Spring.

Although the star studded line-up of Legion baseball pros was to take place on Saturday, it was postponed until Sunday morning. Our team consisted of the following players: Bob Burns, Bruce McQuarrie, Harold Badham, Pat Chamberlain, Ken Nash, Gib Telford, Gord King, Tom James, Del Beaumont, Rene Martin, Mike George, Bob Waites, Mac McLean.

Alas, we lost, but everyone had a good time and hopefully this will again take place next year. Congratulations to the Police Dept. as they emerged victorious. A suitable plaque was presented to the winners.

Sunday began a very busy week for the executive with four seminars taking place in two separate Legions. Service seminar was conducted by J. J. McCarthy in Milton with Lloyd Boyd attending that one. Up in Erin branch three seminars were conducted, Poppy, Membership and P.R.O. and Pat Chamberlain, Norm Ward and yours truly attended. Most informative afternoon and four hours I felt well spent.

Monday night an executive meeting, followed on Wednesday by a zone council meeting for some of the executive, on Thursday our branch general meeting with a supper beginning at 7 o'clock. Any new members not aware of this practice please try to attend and get acquainted with,

Sunday is a doubly busy day when unfortunately two important meetings will take place at the same time. Firstly, in our branch, will be the September meeting and election of the Imperial Section of the Branch. Having been to several of the Imps meetings I assure you I will be sorry to miss this one, especially it being the elections but I will be attending the zone meeting in Milton. This is a most interesting afternoon also and since the district convention is just around the corner (October 18-19th) many things will be discussed and planned at this meeting. So that takes care of this week pretty well.

All members are welcome to attend Milton Legion on Sunday. Meeting will take place at 2 p.m. We usually meet at our branch and drive down together.

All our Leagues are in full swing now and if you have an exceptionally fine score that you would like published, let me know, either by phone or put notice in mail slot at the branch.

Martin Moriarty's name is again on our sick list along with Brian Chamberlain and Thelma Heelan. Our best regards to all of you and hope you will be home very soon. Reg Bradford is in intensive care at Wellesley Street's Orthopedic Hospital in Toronto and we certainly hope he improves steadily, day by day.

I have been told that auxiliary member Mary Harley is in hospital having had an operation and also another of our members and one of our oldest, Mrs. Mary Morrow is in Etobicoke Hospital with a broken leg. I'm sure her friends will be sorry

to hear of this and would like to send her a card.

We are all so sorry to learn of the death of another auxiliary member, Margaret Porter. Marg loved her darts and played on the Monday night Ladies Industrial League several years and when we had our Friday Nite Darts in the branch was a constant player and most times a winner. To Marg's sister, and mother, of Paddy Sound and to her husband Albert we offer our sincerest sympathies.

Sull on Auxiliary news the Auxiliary sponsored 4-H Homemaking Club got underway last Monday and after the girls elected their president, treasurer, press reporter and secretary etc.

they got down to the business of learning to 'Bake with Yeast' 15 girls signed up for the many interesting units they will be doing and the bread making is first on their program. They made freezer whole wheat bread at their first meeting and baked it this Monday.

The two ladies in charge of this unit are Mrs. Jane Kirby and Mrs. Marilyn Thomas. They will show the girls their mistakes (if any) and give them all the help they need. In future lessons they will be making white bread, chelsea rolls, buns and a variation of shapes and sizes. Sounds very interesting and I am happy my daughter is one of the girls taking this course. More details as the girls progress

and I find out the names of all the girls in the club.

Jane Kirby says she is pleased with the interest taken in the club activities and that it gets more interesting as time goes on. This is a club run by the Ministry of Agriculture and Food and all girls were registered with the Ministry. Jane Kirby is looking after the bake table at the bazaar and hasn't time to personally contact each auxiliary member and has asked me to remind you to get aside something for her table if you are doing preserves or baking from now on. Bake tables are always very popular at bazaars, right along with penny sales and the girls in charge would like to make a success of their respective

tables.

Call Doris Chamberlain if you need more penny sale tickets and if you wish to discuss what Doris needs on her table. Mid Brunski needs a lot more books ladies. Could you see if friends and relatives, neighbors have any books they would like to give to you for the bazaar. Mid has her sights set on how much money she would like to make on the books, so lets help her out.

Rae McAuland asks that members give her used odds and ends, games, toys, jewellery for her white elephant table. Call Rae at 877-3734 for more information.

Speaking to Vic Gilton and his Mrs. several times since their return from a most

fabulous trip to Malaga Spain, Casablanca and Tangier, Morocco, Tunis, Palermo, Naples, Rome, Palma Majorca and Cannes France, and after seeing some magnificent color pictures of their trip, it isn't hard to figure out why they are talking of going back again as soon as they can.

The buildings, ruins, Cathedrals etc. were breathtaking and they met some very nice people on the trip and found Canadians were well received everywhere they went. I'm sure the Giltons upheld the good reputation of Canadians being friendly people. They always have pictures with them they will be pleased to show you.

Don't forget we have a branch elimination draw coming up very shortly. Friday Oct. 11th to be exact. Tickets available over the bar. Be sure to get yours.

Harry Bottoms came to the rescue of those who couldn't remember the name of our imperial member in the photograph on the wall in the club room. He is Vic Perry who was only a member for a short time and then moved to Toronto.

This Friday in the Lounge will be Boots Hurren D. J. and on Saturday will be member entertainer Fred Boodle on the Yamaha Organ. How do you like the newly enlarged dance floor now members.

Member entertainer, Jack

Ferguson will be playing the piano for our enjoyment on Saturday Oct. 4.

Any auxiliary members who didn't receive their summit this month, you can pick one up from on top of the cigarette machine this month. We need an up to date list of auxiliary members not receiving one at the house through their husband and any new members wishing to go on the list. Call Betty Sandifer or Lloyd Boyd for all addresses and any change.

Crib players are still needed for Men's Monday Night Crib League. Call Jimmy Ford, 877-8373.

Audrey and Joe Martin along with Edna Rippon and Al Grievess had a good time in Washington on holidays recently.

Booster club support

An open letter to Raider fans: Yes indeed the Raiders are coming and I am pleased to be part of the executive of this fine hockey club.

With Georgetown now sporting a brand new heated arena and no obstructions to block the fans view its almost certain that more and more televisions will have to take a back seat to hockey in

running a booster club right at the game where the fans can really get involved meet and talk with the players and their families. There are many events throughout the season available for the fans to participate in if they wish plus a few nice surprises.

Here is one event all fans can take part in and have fun at the same time. The new arena has

200 feet of railing that is just perfect for all you artists to display your talents. You've all seen the signs and posters at the NHL games made from sheets, pillow cases, cardboard etc. They could have a Raider slogan, a rhyme about a player or players, pictures, or about the opposition etc.

To encourage your participation starting October

Georgetown this season. All indications from Raider practices is that we will be ready to ice a strong team right from our very first game.

This certainly pleases the executive and I'm sure most hockey fans. We will be 10th we are going to pick the best banner from each game, give the winner a hockey stick autographed by the three stars, also put his name in the hat for a draw at the end of the regular season with the winner picking up a pair of tickets for all the Raider home play-off games.

So come forth you artists, let's see your ideas. Age is no barrier.

The Raiders will be at the Fall Fair October. We will be looking forward to seeing everyone. Visit our booth, we have a pleasant surprise for everyone.

THE BLUE MACHINE. Catherine Kirby stands by her somewhat unusual flower arrangement which she entered at the Horticultural Society's flower show at the Knox Presbyterian church hall. Entitled 'The Blue Machine', the arrangement contains a

Midgets lose 14-4

Georgetown's last hope for an OBA title went by the board this weekend as the Georgetown Lion Midgets lost 14-4 in Crediton on Saturday and were thus eliminated in two straight games from further OBA "D" playdowns.

For various reasons, only ten players were able to make the trip and although the Lions did hold a 3-1 lead after three innings, the bench strength was just not there for the full nine innings.

Crediton scored four runs in the fourth inning and kept adding to their lead as the game progressed. Paul Allison, Larry Davis, Dan Anderson, Rob Mossop and Rob Hatcher all saw action on the mound for the Lions.

Bob McCandless had the best day at the plate for the local nine as he went three for four, while singles were picked up by Rob Hatcher and Larry Burns.

Friday night bowlers

FRIDAY-NIGHTERS
The top shooter for the night was Bert Bell with a 729 triple and 283 single. Karl Klein was next with a 660 and Gord Colton with 604.

PEOPLE ARE LIVING BECAUSE PEOPLE ARE PLOWING

FRANCE GERMANY GREAT BRITAIN

ALL READY FOR THE MATCH—All systems are go in preparation for the International Plowing Match to be held in the region of Durham this fall and Georgetown is going to be there! Keith Leslie, RR4 Georgetown, and Arlene Wilson, RR3 Bolton, Ontario, Queen of the Furrow, pose atop the plowing match float which has appeared in a number of area fall fair parades.

Falcons

Hara has pulled ahead of the Falcons in the standings. Rinascence and Hansa could do the same if they win their last game. In other words, next Sunday's game will be very important.

If the Falcons win, they are assured of being tied for third place with Hara. Should they lose they could drop to seventh place in the standings.

Whatever the outcome may be, it has been a very successful season in a very competitive league. Next Sunday we need your support at 3 p.m. when the Falcons play Neerlandia. In addition we will have our 50-50 draw. We hope we win and we hope you win.

Obituary Edith May Fletcher

A resident of Bolton for the past thirty-six years, Mrs. Edith May Fletcher passed away Sunday September 14 at Brampton after an illness of a year following a stroke. She was in her 72nd year.

Beloved wife of the late Herbert Fletcher, she is survived by four daughters and one son. Edith (Mrs. Elmer McEachern) of Georgetown, Herbert of Phoenix, Arizona, Viola (Mrs. Art Corless) of Bolton, Mrs. Helen Marple of Don Mills and Shirley Fletcher of Bolton. Also fourteen grandchildren and seven great grandchildren. Two sisters Mrs. Wesley Cook of Brantford and Mrs. George Harwood of Guelph. Two sisters and one brother predeceased her.

Funeral was held from the Egan Brothers Funeral Home, Bolton with her pastor Rev. R. Nicholls in charge, interment following in Laurel Hill cemetery, Bolton.

Pallbearers were six neighbours; Roy Maw, Jack Smith, Charles Roden, Ron Stubbie,

HARVESTER TEA. The blazing fire and the warm friendly atmosphere of the museum at Kelso Conservation Area drew a large crowd at last Sunday's Harvester Tea. The money raised at their teas are going towards the purchase of a sound system for the museum. Edna Duncaife of Toronto and John Graham enjoyed their tea by the roaring fire.

Holstein competition

A number of Halton Hills residents competed in the Peel County Holstein Show held September 12 in Brampton, many of whom came out as winners.

Competing against 18 other haffer calves, Sping Hedge Haven Unique shown by Harry Moore of Terra Cotta, was chosen as the champion calf. Gaydale Tecumseh, a yearling bull stole second place for reverse honors. Gaydale Tecumseh was owned by Harry Moore of Terra Cotta, R. Dale Jones of Silver Lake, Industries and Bert Stewart of Hornby.

In other classes Lady Ann was the winning three-year-old owned by Ken Leslie of Georgetown and the top dry cow was Leslieville Lady Kelly, exhibited by G. Eric Leslie of Georgetown and Bertram Stewart of Hornby.
