

it's easier than you think

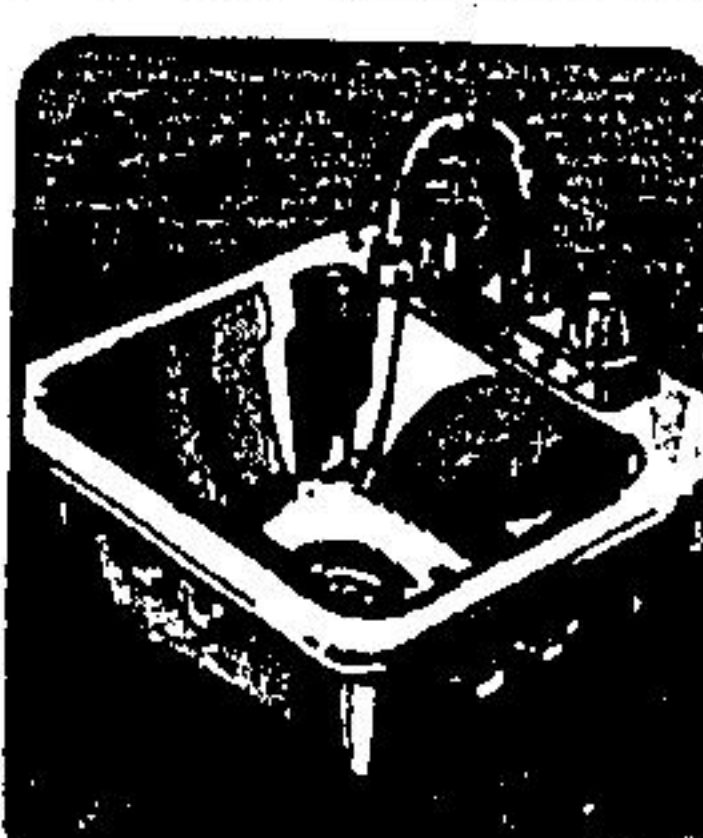

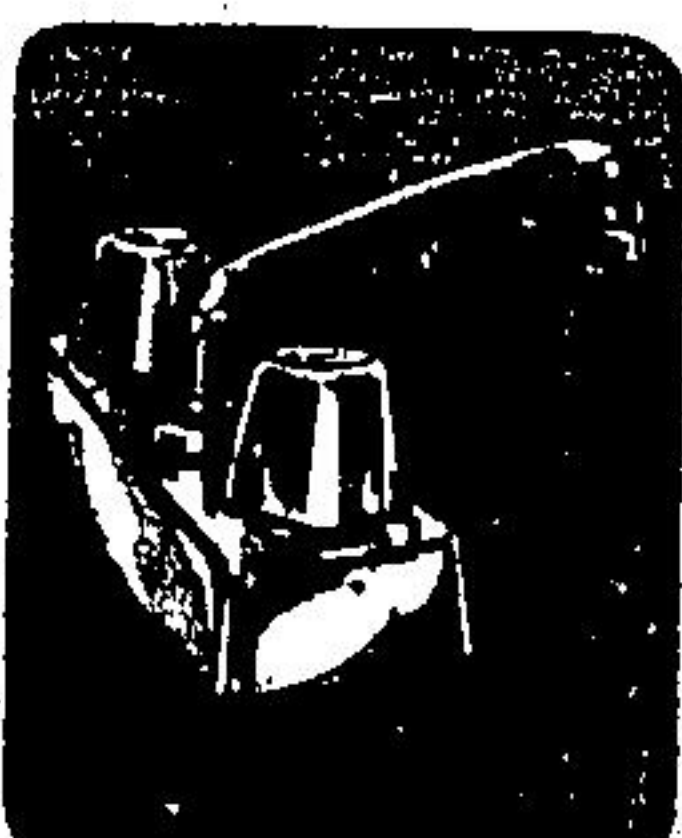

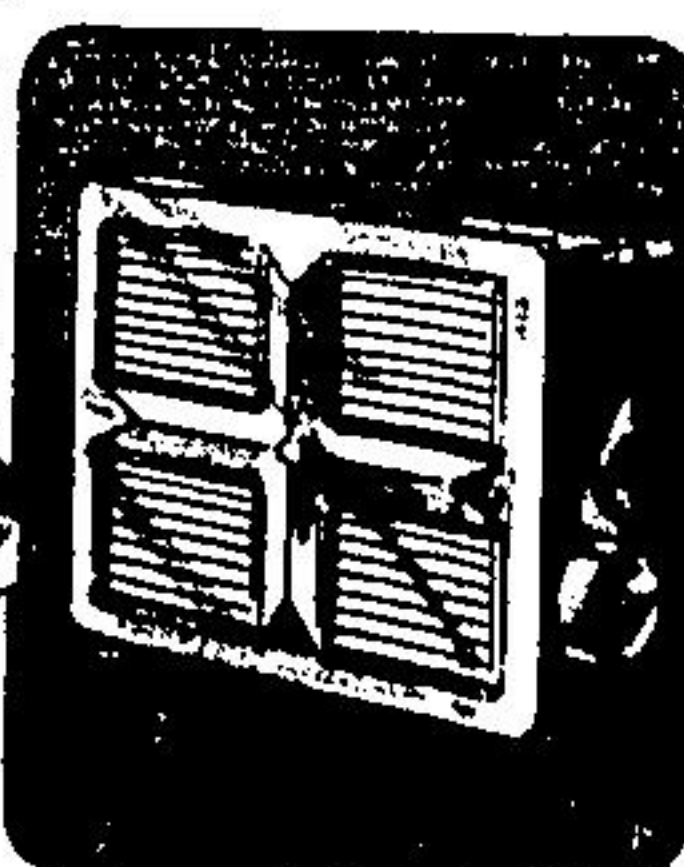

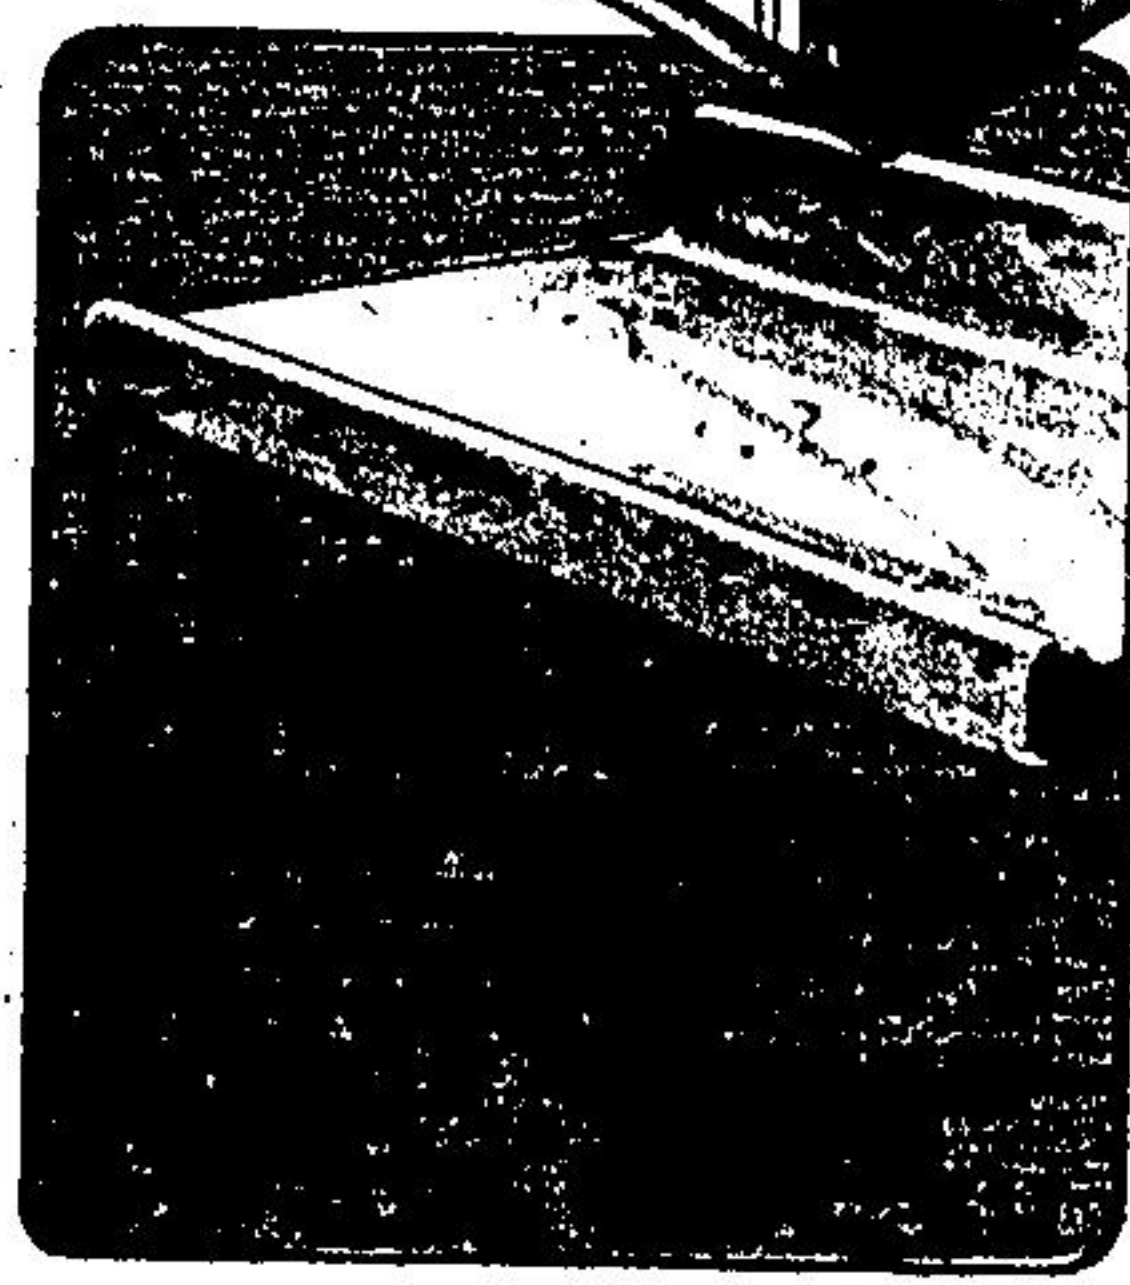

Custom Kitchens by Beaver

Beaver's kitchen specialists will help you plan your new kitchen. We'll present a plan for your approval showing exactly what your new layout will look like. Installation will be quick and with as few inconveniences as possible. Little "on the job" construction to tie up your kitchen area; no painting odours or all day hammering because Hanover Kitchens are completely assembled and prefinished inside and out. Come in today for a free estimate!
