GEORGETOWN MINOR SOCCER ASSOCIATION

Results - Cup Finals
Saturday, Oct. 4, 1975
The Georgetown Minor Soccer Association held its annual cup finals on Saturday at Cedarvale. There were over 250 boys and girls representing 20 teams who played.
The players responded to the great weather and enthusiastic crowds by providing excellent soccer games along with good sportsmanship.
From the 11th and 12th, barely able to see over the ball to the largest bantam players gave it all they had.
All players received trophies or plaques and it would be correct to say there were no losers on Saturday at Cedarvale.
The results of the games played are as follows:

SQUIRTS

**Giants 1
Nationals 0**
The Giants completed the real Cinderella story in the cup finals with this win. At the end of the regular season the Giants had won three out of 14 games and wound up at the bottom of the division. When the whistle blew to start the cup playoffs however, the Giants put it all together and defeated everyone they played to become cup champions.
In this game Glen Leslie scored in the first half and the Giants hung on to this lead to the end. The Nationals played a great game and with a little bit of luck could have tied the game. The players of both teams are to be congratulated for the way in which they played.

MINOR ATOM

**Spurs 2
United 1**
This was the first game of the day on the smaller Cedarvale field and gave an indication of what to expect. These two teams were so evenly matched that overtime was required to decide the winner.
The Spurs led 1-0 on a goal by Jeff Walraven until the last five seconds of the game when Rodney Wilson scored to force overtime.
John Van Soelen finally connected to give the Spurs the cup. All players gave a good account of themselves with a special nod to Mike McCarthy of United and Eric Hack of Spurs.

MAJOR ATOM

**Hearts 2
Thunderbirds 1**
This was an excellent game played by two fine soccer teams. Heart centre forward David Stoddart was the scoring hero for the Hearts.
In the first half a tough angle shot went in off the goal post to give the Hearts a 1-0 lead at the half. In the second half David Stoddart scored again for a 2-0 lead.
The Thunderbirds came back very strong and Maurice David connected on a hard shot. The Thunderbirds really stormed to the attack at that point but couldn't beat the Heart defence for the equaliser.
The Thunderbirds got top effort from everyone but especially Paul Quinn, Danny Bury and Scott Selby. The Hearts received great games from their half back line of Greg Muir, David LeBlanc and Frank Kulper.

MINOR MOSQUITO

**Gladlators 5
Colts 0**
The Gladlators finished off a perfect season by winning their division cup. In a good display of power the Gladlators went the entire season without defeat. The Colts played well but just couldn't match the scoring power. Shawn Zuber, Rod Cook and John Hearama gave extra effort for the Colts.
Duane Wilson scored twice for the Gladlators with singles going to Paul Clark, Chris Cunningham and Dave Whitehead.

MAJOR MOSQUITO

**Phantoms 3
Wildcats 1**
The Wildcats had played extremely well in the playoffs, coming from last place to make the cup final. They continued to play well in this game but the Phantoms were hot and luck ran out.
Mark Rose scored three goals and Hamilton two which accounted for all the Phantom scoring. Tim Diakesley and Bill Van Soelen also played very well for the Phantoms.
Mike Petrusma scored the Wildcat goal and along with Andrew DeBeer and Mark De Hueck, were the leaders for the Wildcats.

MINOR PEE WEE

**Owls 8
Rangers 0**
The Owls completed a very successful season with this convincing cup win. Bob Diamond set the pace with four goals while singles went to Jim Flynn, Rob Sommerville, Glen Cunningham and Carl Blight.
Despite the score the Rangers did well over the season and were led by Terry Mostard, Peter Smedema, Craig McLaughlin and Keith Ewing.

MAJOR PEE WEE

**Rockets 3
Kings 1**
The Rockets had too much goal scoring power for the Kings in this game. Dwight Boothe, Bill Johnston and Dave Anderson scored the Rockets goals. Chris Clancy scored for the Kings.
The Kings put up a good fight and received strong games from George Petrusma, Chris Clancy, and Greg Tremble.

BANTAM

**Wolves 2
Centurions 1**
The Wolves won their cup the hard way defeating the first place Celts in the playoffs and second place Centurions in the final.
In this championship game the Wolves opened fast and led 2-0 at half time on goals by Michel LeBlanc and Ken Flynn. The Centurions went all out in the second and got one goal by John MacKay but time ran out and the Wolves took the cup.
The action was so fierce in the game that two players were injured. The most serious injury was to Emilio Pomilio who was taken to hospital with a concussion. Emilio was released after treatment and is okay.

JUNIOR GIRLS

**Ladybugs 2
Red Barons 0**
The Ladybugs completed a very good season by winning the cup in a real thriller. The Red Barons gave it a real good try in this game.
Laura Tunney, Janet Vandersuis and Lori Parshous were the Red Baron leaders. The Ladybug goals were by Carla Hickey and Pam Van Dyke. Jennifer Purdy and Cathy MacDonald also played well.

**Blue Bombers 1
Golden Spurs 0**
All through the season the Blue Bombers and Golden Spurs have provided excellent competition for each other. Last Wednesday it came to a climax when they met in their cup game and again it was a battle.
Joanne Taggart was, as always, great on defence for the Spurs, and Kelly Lilay at centre played a strong game. The girl who played her heart out and is one of the strongest performers in the league is Linda Wilde. Her play was excellent.
Unfortunately only one team could win and it was Hayley Quinn who came through with her third goal in the last three games. It was a low shot getting by the leaguers' number one goalkeeper, Debbie Wilson.
Spurs' coach Colin Wilde pulled Debbie Wilson out of goal and added her as a striker in a last effort to tie the game. The Blue Bombers are strong contenders for the cup with players like Andrea Stapleton, Sheila Anderson, Jackie Koeslag and Loraine Turner.

MAJOR ATOM CUP WINNERS. Hearts. Front row, left to right, Derek Murphy, Bill Pires, Sean O'Neil, David LeBlanc, David Houston, Gregg Muir, Dave Stoddart and Kevin Griffiths. SENIOR GIRLS

**Blue Bombers 2
Red Rockets 1**
This was one of the best played games of the day as the girls put on a great display of soccer. The second place Blue Bombers and first place Red Rockets were so evenly matched that it was

just a matter of breaks as to who would win the cup.
As it turned out the Blue Bombers got goals from Jackie Koeslag and Hayley Quinn to offset a score from Susan Smedema. The Blue Bomber defence held tight to enable them to capture the cup.
