## Many wish 'Tut' well on retirement

Legion Lines

By Roma Timpon

along nicely now. Chuck is home and Bill was in Sunnysbrook Hospital. Hope all our sick and shut ins are improving rapidly.

The Ladies Auxiliary bazaar is fast approaching ladies. Just three weeks away. Have you given Doris Chamberlain something for her penny table? Will you expert Bakers be able to give Jane Kirby something for her bake table? How about Jan Emmersons knitwear table and Pat McCarthy's Christmas booth.

Several of your executive were up and out at an early hour on Sunday morning when they attended two seminars out of town. Lloyd Boyd, zone service officer J. J. McCarthy and Denny Wright went to Mt. Hamilton Branch to a Service Officers seminar. Bruce McCartney, Norm Ward and 'Tut' Harrison attended an 'Action' seminar in Burlington.

Many an evening and Sunday is spent at these seminars and meetings, usually out of town, we do our best to keep on top of what is going on. This action group is a new idea set up by command and just getting off the ground, when I find out more, I can fill you in.

As you know the Service Officers job is most important and here in town Harry Atkinson and Lloyd Boyd are out every week helping a veteran and or their dependents solve a problem, large or small, and the vast experience that J. J. McCarthy has in this field, is invaluable to these two men, which in turn enables them to serve us better.

I didn't envy 'Tut' Harrison on Sunday, having to go to a 9 o'clock seminar in Burlington, as the evening before he was the guest of honor at a 'Retirement' party. The party, was held by his many, many friends from town, which included the town of Halton Hills represented by Mayor Tom Hill, Halton Regional Municipality represented by Allan Mason, employees of the Halton Region (The Department of Social and Family Services), Acton, Burlington, Georgetown, Milton and Oakville.

Many nice things were said about our small, but mighty executive house chairman and some very beautiful gifts were presented from the different groups present. All of 'Tut's' family also attended. Denny and Dorothy Wright, Norma and Ada Ward, Frank and Heane Nicholson and myself from the Branch were happy to attend this most important evening in 'Tut's' life.

A most humorous taped speech from Steamer Emmerson was appreciated by all of us. Steamer was to have been M.C. but due to his illness this duty fell into the hands of Rennie Vivien, former boss of 'Tut's' who did an excellent job.

I am sure everyone who knows 'Tut' wishes him well. We understand he is only retiring from one job to take on another one.

Three of our annual 'Doubles' tournaments are coming up shortly and sports officer Pat Chamberlain has a list up on the Sports Board for those of you who are interested, to sign your name.

It is hoped that these sports event will be well attended so come on down to the Branch and make sure you have your name down.

Winner of the Air Cadet furniture draw was Lou Egerton with Ticket No. 4551. There was a large crowd at the fair which kept the Air Cadets and all their helpers busy.

The Air Cadet sponsoring committee would like to thank everyone who helped in any way and to all who supported the Squadron by buying tickets.

Another Air Cadet Event of great importance will be their dance on Saturday October 25th with Ross Hillier supplying the dance music. Parents and supporters of the Air Cadets are urged to get a group together and attend.

Don't forget the Branch Elimination draw this Friday evening, 7 p.m. dinner.

Chuck Davies and Bill Hansen are two more names to be added to our sick list. I understand they are coming

Our Chief Stewart, Bob Burns has the very good luck on Thursday past in having a ticket which won him quite a sizeable amount of money in the Wintario Lottery. In the past few months, Bob has sold tickets to several of the members and an auxiliary member who have won lesser amounts. Nice going Bob.
