

**Continued**

Jimmy, who has been the backbone of the section over the years, remarked, "If I receive many more honors, I will have to have a special jacket made to carry them."

Norm Ward attended the convention as a zone officer and Denny Wright, Mac McLean, Tom Elliot, Pat Chamberlain, Fred 'Tut' Harrison and I attended as branch delegates.

During the weekend I had a chance to have a talk with our Auxiliary Zone Commander, Irene Shields. Irene hopes to see as many of the auxiliary members as possible out to a zone meeting this Sunday in Port Credit. Meetings will begin at 1. Try to make it if you can ladies. Usually it's a good chance to discuss things, get answers to questions that you want answered and find out how other auxiliaries are coping with problems, sports, in a more informal gathering than at our zone rallies, which is more of a business meeting.

Last Thursday at the meeting, recording secretary Rita Rudiger tells me there was a good turnout of members with 54 present. They were happy to see Comrade Ann Collins receive her past officers medal from President Jan Emmerson. Ann had been secretary for many years and had done an excellent job.

First vice-president Jean Reid had the pleasure of presenting a 25-year pin to President Emmerson. During that time Jan had been president and is on her third consecutive term now. Congratulations to both of you and many more happy years in the Auxiliary.

This Friday night there will be a work party setting up tables etc. for our bazaar on Saturday, October 25. This will be a good chance to price and size everything we can, to save us time on Saturday morning. Jane Kirby reminds me to remind you about your baked goods, and all the girls looking after tables would like you to bring down whatever you have for them. Don't forget your penny table gifts and tickets, ticket stubs and money for Doris Chamberlain.

Help is needed for the Wednesday Nite Bingo ladies. A list will be made up and all names will be drawn from the roster. This help is needed to sell pop and chips. Please leave your name if you are interested in helping.

The ladies from Knox Presbyterian Church will be catering to our Armistice Dinner. I am more than happy to tell our members that our former Branch Padre, Rev. Kelvin Johnson will be master of Ceremonies for that evening. He said that his wife Connie and he are looking forward to seeing their many friends again.

Member Dan Scarborough is in Brampton Hospital with back problems and Dick Fullerton is in Toronto Western Hospital and not well at all. Comrades, Jim Golden is in St. Michael's Hospital. Keith Lee is in London's Westminster. John Hole is expecting to return to hospital this week or possibly next week.

Auxiliary members on our sick list have been June Greig now out of Brampton's Peel Memorial Hospital. Tess Donoghue is in Georgetown with back problems and is expected to be operated on this past Tuesday. June Carnwell is still getting over bruises sustained in a car accident some weeks ago. Gail Scarborough is glad to be walking around after being hit by a truck while driving. Gail has her neck in a collar brace and is suffering many bruises. I don't wish to add to this list at all but I hope I haven't forgotten anyone.
