Limehouse news

Scouts active in Limehouse

October 18 was Apple Day in the Limehouse area. Fifteen Cubs and one Scout were out selling over three bushels of apples. The net profit, which will aid Scouting in Limehouse, was \$84.50. Thank you to the six parents who drove the boys around the large area and to the people who so generously donated to these boys. After selling apples the Cubs went on a host hike.

Two new Cubs have been invested; Greg Hiscock and Stephen Sharples. Their mothers were at the meeting for the ceremony and stayed for coffee and the remainder of the meeting.

Several badges have been earned by the Cubs including: artist, woodsman, collector and red star. Ian Brown; gardener, Tom Rubble; swimmer, Brian Walton and Carber Goodlet.

At last week's Scout meeting three representatives from District paid a visit; Brian McCourt, Murray Harrison and Steve Wilcher. Scouter Jim Coughlin was invested as Scout leader.

Scout Doug Hannay has been presented with his silver swimmers badge.

Limehouse Group Committee held their October meeting at the home of Mr. and Mrs. Hugo DeWinter on the Fourth Line with 14 parents present.

Twenty Brownies registered this fall. Sixers approved are Brenda McCausland, Diane Crew-Reid, Beth Olah, Linda Thomson. Seconds are Lora Lee Bushers, Catheryn Cutler, Susan Brown and Jennifer Thomson.

The Brownies have enjoyed hikes, crafts including Halloween masks. They meet at the Hut on Thursday

evenings. The local association met at Shirley Thompson's where Commissioner Barbara Newman visited with the group. The committee also joined with them to discuss the multi-sale planned for November 22. After the meeting they surprised Shirley Thompson with a baby shower.

We are sorry to hear of another accident among our local youths. Garry Moore and Alan Hackey, riding in a small truck, struck a bridge abutment on the Fourth Line last week. Alan was badly injured.

DISCUSS KENNELS

Halton Hills personnel and finance committee will await word from assistant treasurer Grant Usher before taking any further action on changing the town's present bylaws governing the licensing of dog kennels.

DOING THEIR BIT FOR THEIR COMMUNITY are Bonnie and Doris Shaw who, with the help of other members of the Glen area raised \$800 to buy material to renovate

the Glen hall. Mrs. Roy Puckering won the draw held at the hall and took home her prize, a pine and ceramic planter. Other draws will be held November 7.
