

Halton ready

Halloween pranksters beware. An Oakville trustee on the Halton Board of Education dropped a subtle hint at last week's board meeting that the board's staff are well prepared for Friday night. In light of a high incidence of vandalism on the Thanksgiving weekend throughout Halton the board is increasing its precautions for Halloween.

Lions winners

The lucky winners are...? Bob Taylor of Brampton and Norma Thompson, Jim Draycott, Bill Simpson and Fred Harris, all of Georgetown, were the lucky winners in the Lions Club's draw of October 21.

Take note, the final draw night has been changed to January 23, 1976.

4,500 tons of sand

J.C. Duff has been awarded the contract for supplying sand to Halton Hills this winter. Some 4,500 tons of sand will be delivered to Georgetown's works yards at a cost of \$4.50 a ton for a total of \$11,250. 1,200 tons will be delivered to the Seventh Line works yard at a cost of \$2.65 a ton for a total of \$3,180.

OHC study shows apt. need

Council will be approaching Ontario Housing Corporation for support in building a new senior citizens complex in Acton.

A survey of local needs in the town showed a requirement of a 38-unit project. OHC would finance the project if it approves the findings of the survey. The town's responsibility would be to pay 7% percent of the annual loss if the project should result in a deficit.

Georgetown's day

Did you realize that Thursday was Georgetown's day? A Toronto disc jockey, Jim Brady of CFTR daily salutes one of the smaller centres in the Metro area and Thursday was Georgetown's day. That, plus a dime, will buy you a 1974 calendar.

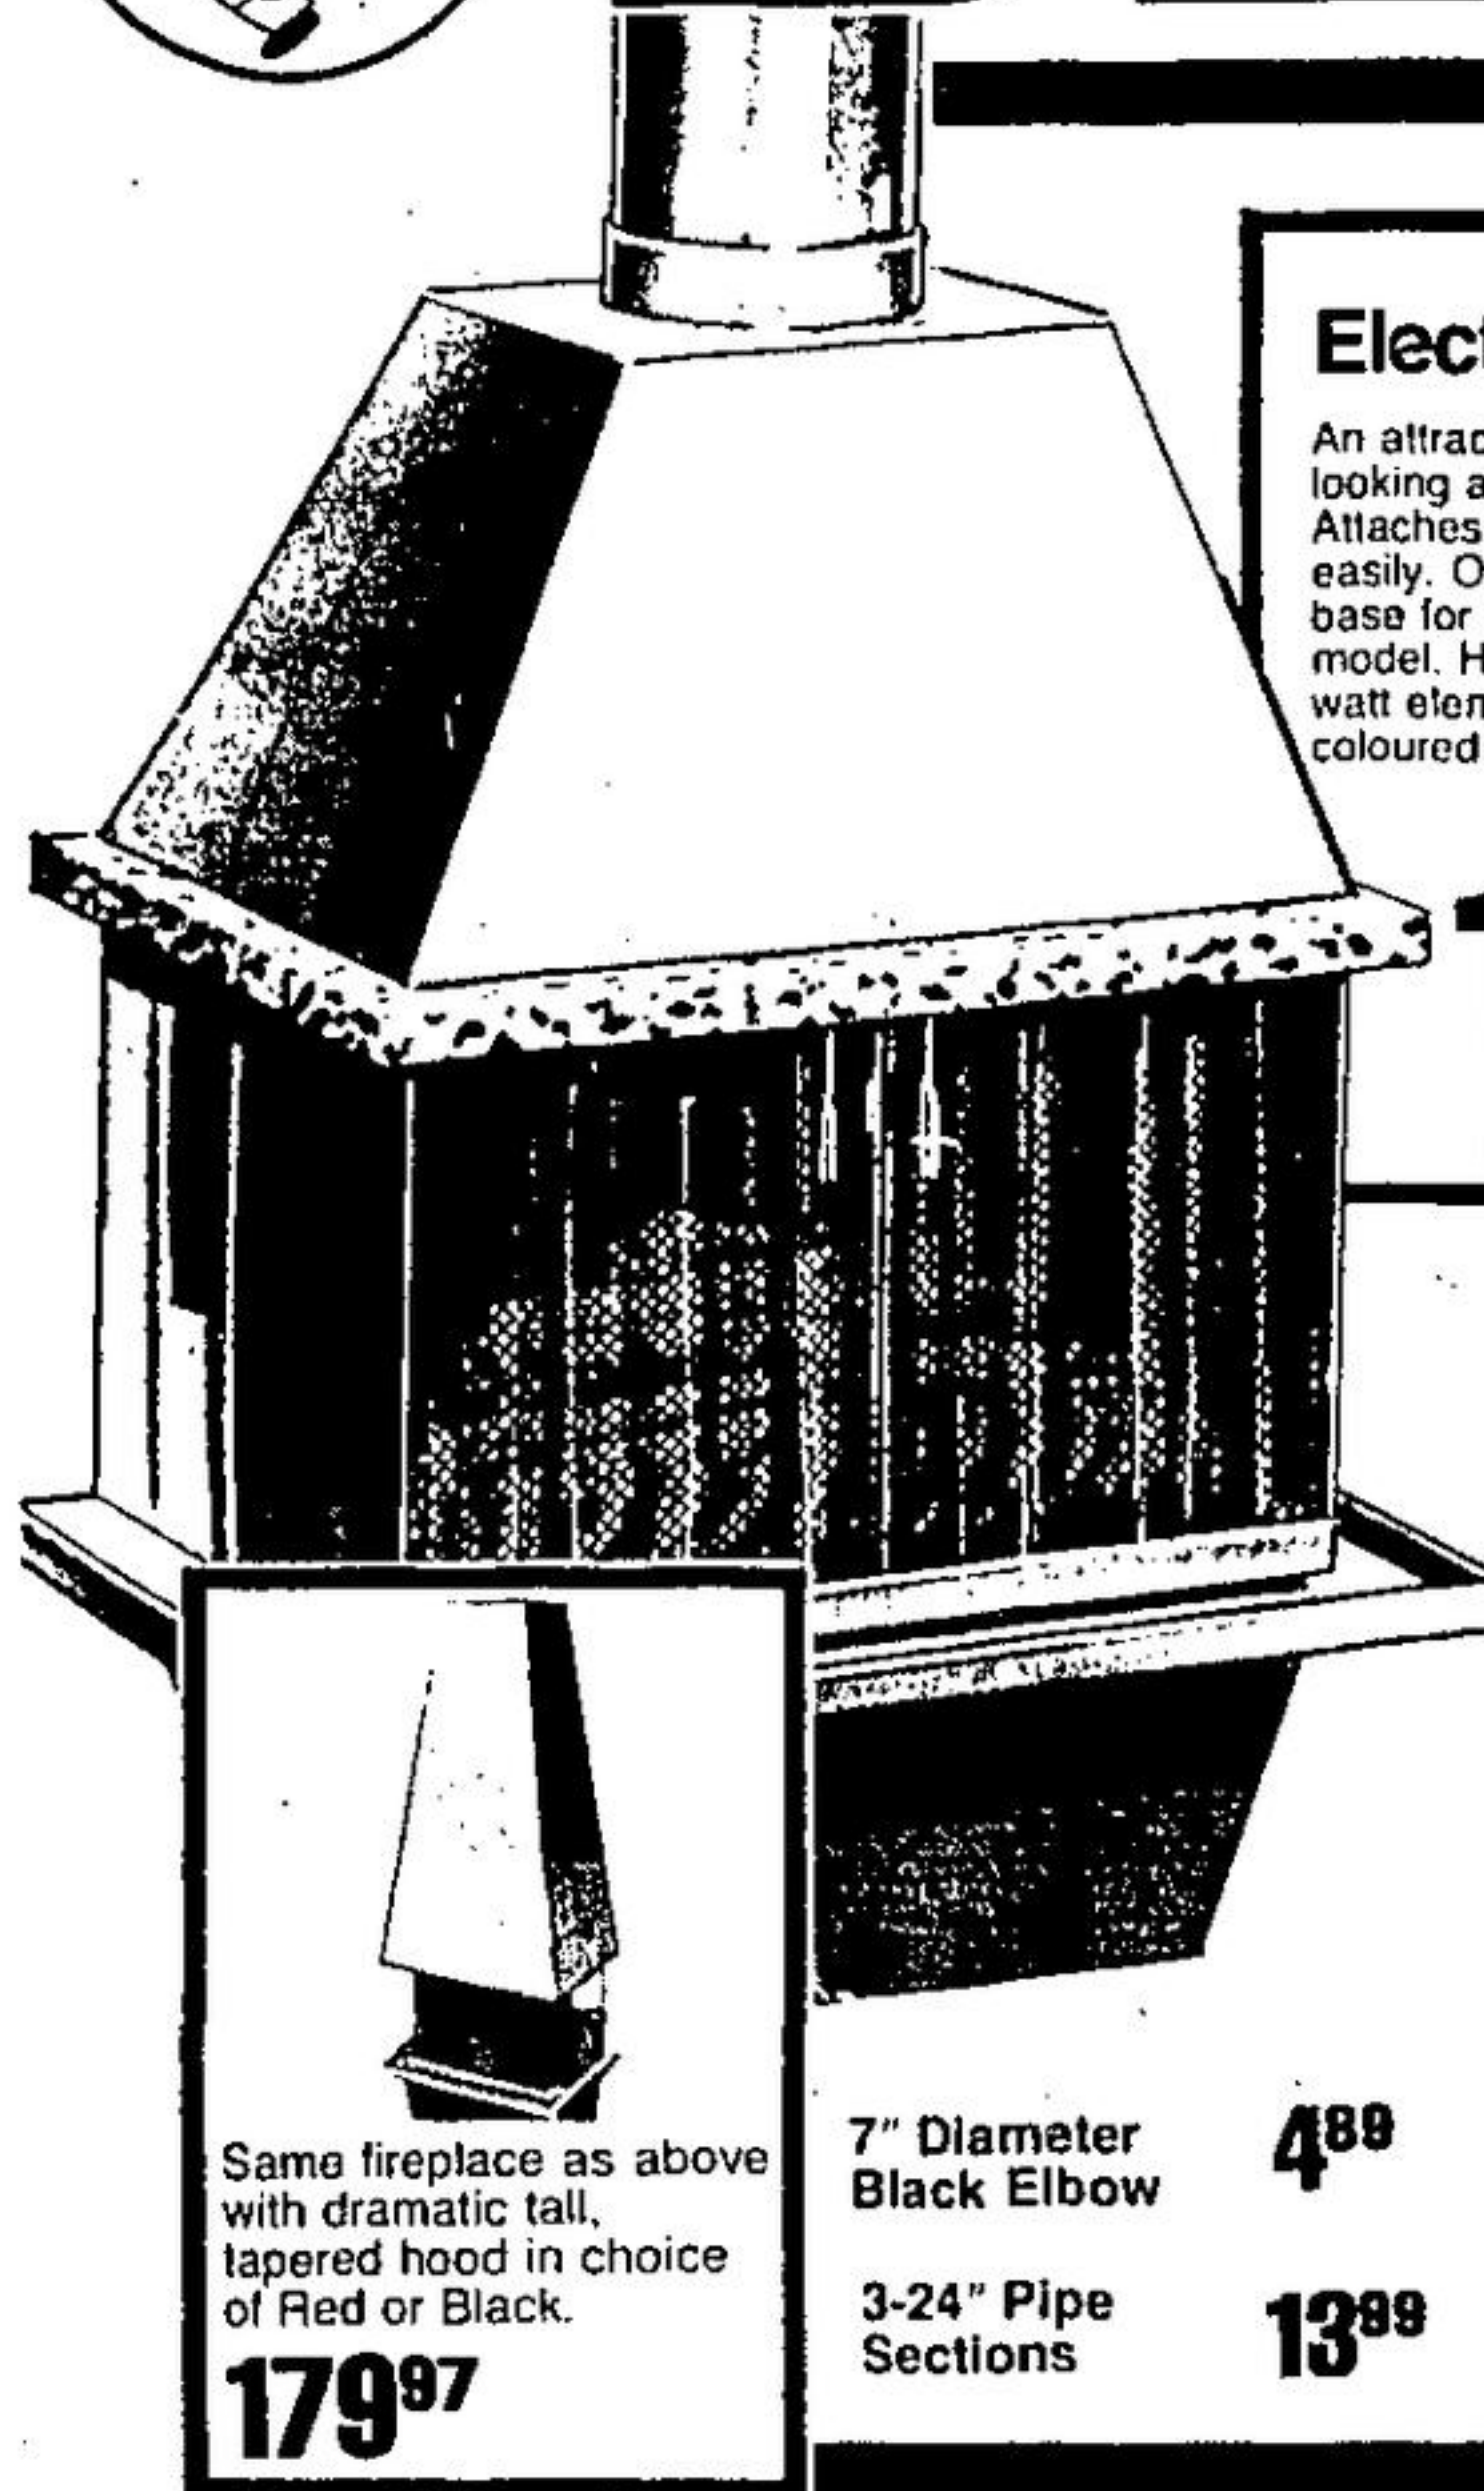

Correction on ice costs

A story in last week's issue of the Herald (Ice costs town \$1,600) indicated the cost of maintaining ice at the Georgetown Memorial Arena is \$126.

That figure is actually the cost of operating the arena during the summer months. Hydro bills for the old arena during its winter operations last year ranged in fact from \$600. to \$800.

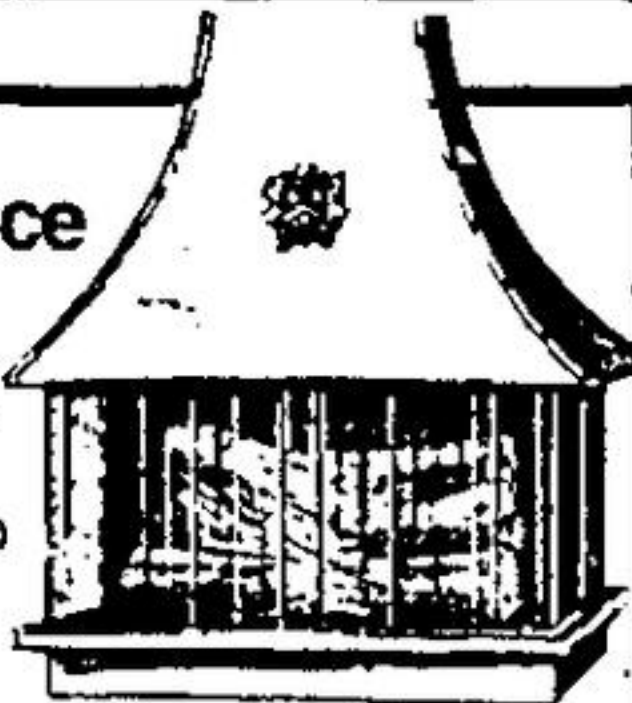

BEAVER
