Tax man
undaunted by strike
The business of gathering in and handing out of provincial monies will not be affected by the mail strike the ministry of revenue has confirmed.
Plans for the distribution of the November cheques to GAINS pensioners are being finalized and details will be released prior to their regular November 15 issuance.
Home buyers grant application forms can be dropped off at any ministry of revenue office. When the grant has been approved, the ministry will tell recipients by telephone where to pick up their cheques.
Application forms for retail sales tax rebates on the purchase of new cars will be completed at the car dealership as usual. Arrangements will be made to have these forms delivered directly to the ministry of revenue.
And, of course, you must still continue to pay those taxes. Returns and payments for retail sales tax, fuel taxes, corporations tax and succession duty may be delivered to any ministry office or any other Ontario government office.
