**350 attend Ballinafad's annual turkey dinner**

By Winifred Smith  
Ballinafad was the scene of much activity on Saturday when the annual turkey supper

was held in the church. Approximately 350 people were served, that's including the take-out orders. Tickets were sold in advance this year and with the three

settings people were spared the long wait of former years. Mrs. Sid Henson of Ajax and Mrs. Pat Vance of Georgetown were visitors at the Smith

Form last week. Mrs. Jesse McEnery spent last week with her daughter Beth and family at Tara. Beth was able to leave the hospital

on Tuesday, after recent surgery. Her many friends were happy to know she is doing well. There were several from

Ballinafad who attended the dinner and social evening at the Erin Legion hall last Wednesday evening. It was held to honor the Progressive Conservatives who helped in various ways with the summer election.

Newly elected Jack Johnson, his wife and one of his sons were guests at the head table as were Mr. and Mrs. John Root who has represented Wellington-Dufferin for 23 years. Mr. and Mrs. Harry Burt were also at the head table.

Both Mr. Johnson and Mr. Root spoke to the 150 guests present. The Ladies Auxiliary to the Legion catered for the delicious roast beef dinner. Many will be sorry to hear of the sad news that Frank Kennedy was killed on the highway Sunday night. He was 78 years of age and was well known in different areas of the community as in his younger years he worked on many farms. He often walked from town to his home just out of Acton. The accident happened west of Acton.

The usual witches ghosts and goblins were seen on Friday night. Many made their rounds to the store and several homes were visited. It was all in good fun and no damage was done.

**Crazy quilt time at the library**

**HOW TO MAKE A QUILT?** Well you...Perhaps Wendy Egerton (at right) had better explain. Wendy was on hand last Saturday morning at the public library to instruct a rather small class in the old Canadian art of quilt making. Her class of attentive students included (at left) Frances Streuter, Mountainview Rd. and Hilda Van Spronsen, Rosetta Street.
