Norval Presbyterian Church WMS held their fall Thankoffering meeting in the church on Tuesday afternoon, October 21 with Mrs. Harold McClure presiding.

The devotional was given by Mrs. Mildred Alexander from St. Andrew's Presbyterian Church WMS Brampton.

Mrs. Karen Carney and her sister, Mrs. Judy Pomeroy, sang a couple of duets "Jesus Is Always Here" and "Jesus, My Saviour". They were accompanied on the piano by their sister, Mrs. Lynn Archdekin.

Mrs. Sam McClure introduced the guest speaker, Miss Jo McCourt, of Toronto, from the Inter-Varsity Christian Youth Work. She gave an interesting talk on the theme "In Everything Give Thanks."

Mrs. John M. McClure gave the courtesies and Mrs. Oliver Hunter was the organist.

Following the meeting a social time was enjoyed with Mrs. Hyatt McClure and Mrs. J. V. McClure in charge of the lunch.

Kathryn McClure, daughter of Mr. and Mrs. Andrew McClure, RR2 Brampton, and Kirk Rimmer, son of Mr. and Mrs. Art Rimmer of Bramales, were married in Norval Presbyterian Church on Thursday afternoon, October 23. They will reside in London, Ontario.

Previous to her marriage Kathryn was honoured with several showers. The ladies of Norval Presbyterian Church held a miscellaneous shower in the basement of the church.

A community shower was held with Mrs. Angus McDison of RR2 Brampton, as hostess, assisted by her sister Mrs. Larry Griffiths.

Mrs. Stan Steen of Arisa, aunt of the bride, was hostess for a relatives miscellaneous shower.

The nursing staff of the 6th floor of St. Joseph's Hospital, London, where Kathy is employed, held a miscellaneous shower.

The Town Line from the Huttonville Sideroad to the top of Norval Hill by the cemetery was closed to traffic while a construction crew was busy repairing the road in front of Mitch Hunter's property. This is the spot where the bank caved in very close to the side of the road following a heavy rain and left a very dangerous driving hazard. It is good to see some action at this dangerous spot in the road at last.

The Town Line is a county road with both Peel and Halton sharing the expenses of keeping it in repair and maintaining it. The red tape of getting something done on the road has taken considerable time due to both counties changing to regional government.

Temporary measures included some fill dumped along the side of the road with snowfencing put up and lights to warn motorists of the danger.

The Elders and their wives and-or their husbands and Rev. and Mrs. R. Walter Ridley of Norval United Church enjoyed a social afternoon following the church service on Sunday, October 26, when they had dinner together at the "Welcome Inn" restaurant at Hillsburg. Twenty-nine were present and enjoyed the dinner and fellowship.

Cards were signed to be delivered to four members who were unable to attend due to illness. They were Norman Laidlaw, Earl MacArthur, Mrs. Bert Carney and Mrs. Bill Graham.

Mrs. Lawrence May and Mrs. Lorne Cleave were the elders who planned the afternoon of fellowship.

Graydon Chester has returned home following three weeks in Princess Margaret Hospital, Toronto, and is progressing well. We extend speedy recovery wishes to him.

Get well wishes are extended to Earl MacArthur of RR2 Georgetown, who was patient in South Peel Hospital, Mississauga, following an accident while at work at Gulf Oil. He fell between the loading ramp and the truck and was badly crushed injuring his back.

Also get well wishes to Stephen Fimmamore who injured his arm at work at the Provincial Paper Mill, Georgetown. His arm was badly burned by the machine necessitating skin grafting. He was in the Georgetown and District Memorial Hospital.

Bob and Elaine Crawford and their daughters, Kelly, Liane and Shannon, were assisted by several teenagers dressed as clowns, witches, etc. in entertaining anyone who wished to drop in to their Fine Valley Farms Market Garden on Saturday and Sunday afternoon October 25 and 26.

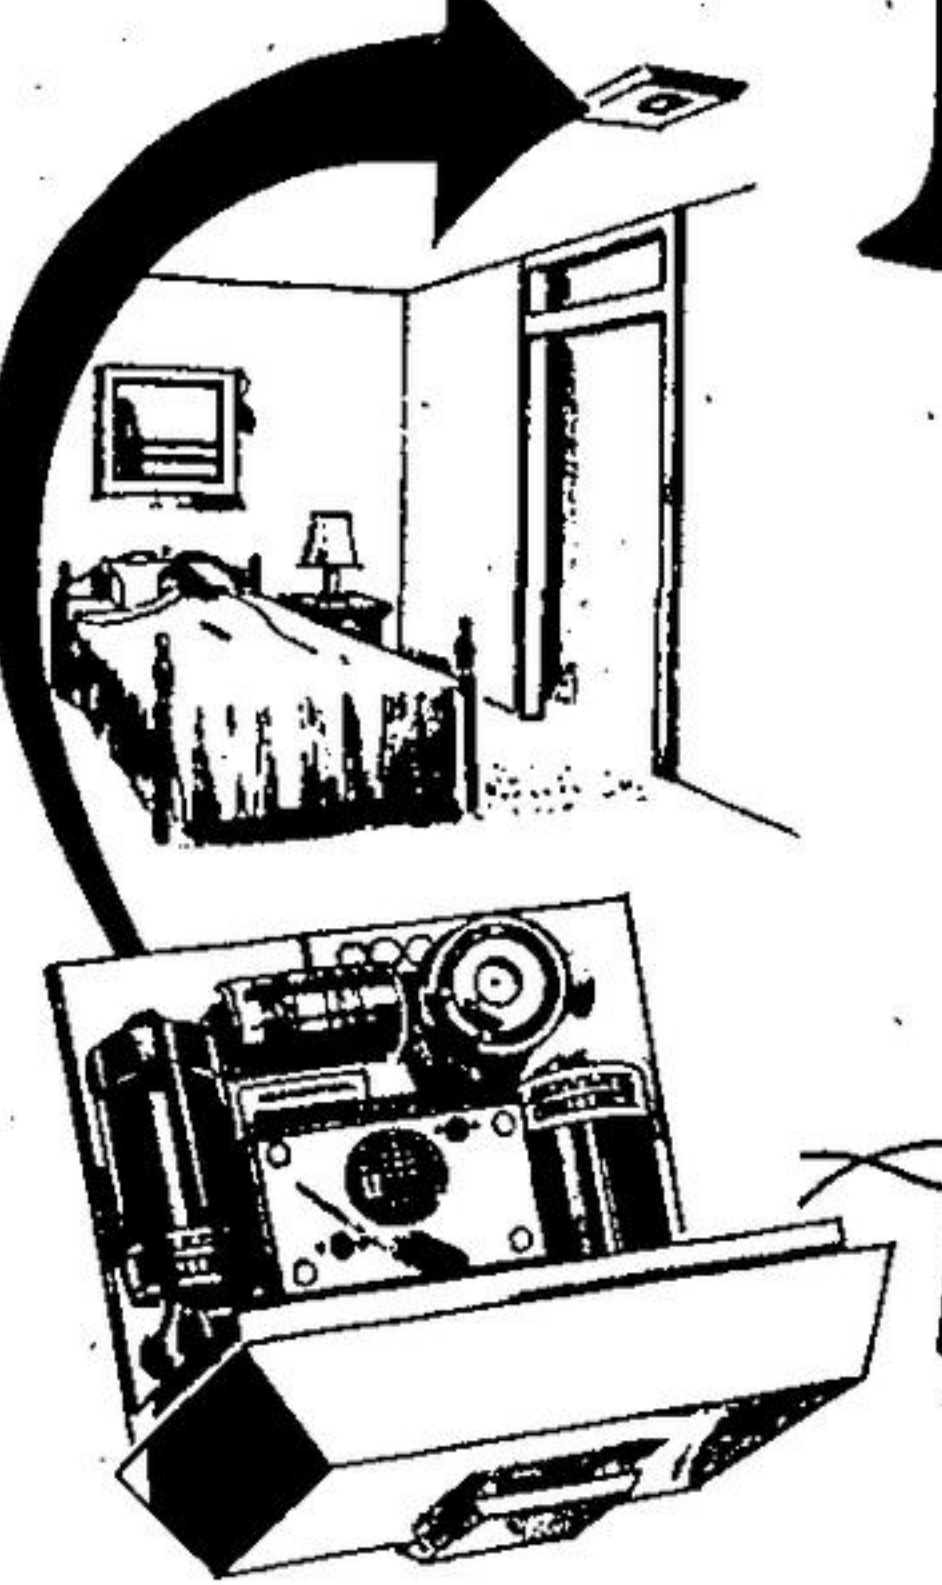

The YPS of Norval United Church enjoyed a Halloween party in the church basement on Sunday evening, October 26.
