Joins Mercury staff

A Georgetown graduate of the journalism course at Sheridan College, Paul Dorsey son of Mr. and Mrs. W. A. Dorsey, Normandy Drive, is the new Acton bureau chief for the Guelph Mercury. Paul will be handling the news of Halton Hills for the large provincial daily.

Mismatch on the dispatch

Oops! Our story last week on Lee McMillan incorrectly reported that she dispatches for Flash Taxi. She doesn't. But she's nevertheless kept hopping dispatching cabs for Riddell and Hilson taxis in Milton, and Georgetown Taxi and Glen Taxi. Our apologies Lee.

Lions draw winners

Winners of the Lions Club's October 23 draw are Marian Beattie, Andrew Murray, Bob Service, and W. Hanson of Georgetown and Peter Polner of Mississauga.

Stickers warn firefighters

"Have a Heart—Save a Life" is the theme of an on-going public safety campaign launched this year by the Halton Region Fire Prevention Committee.

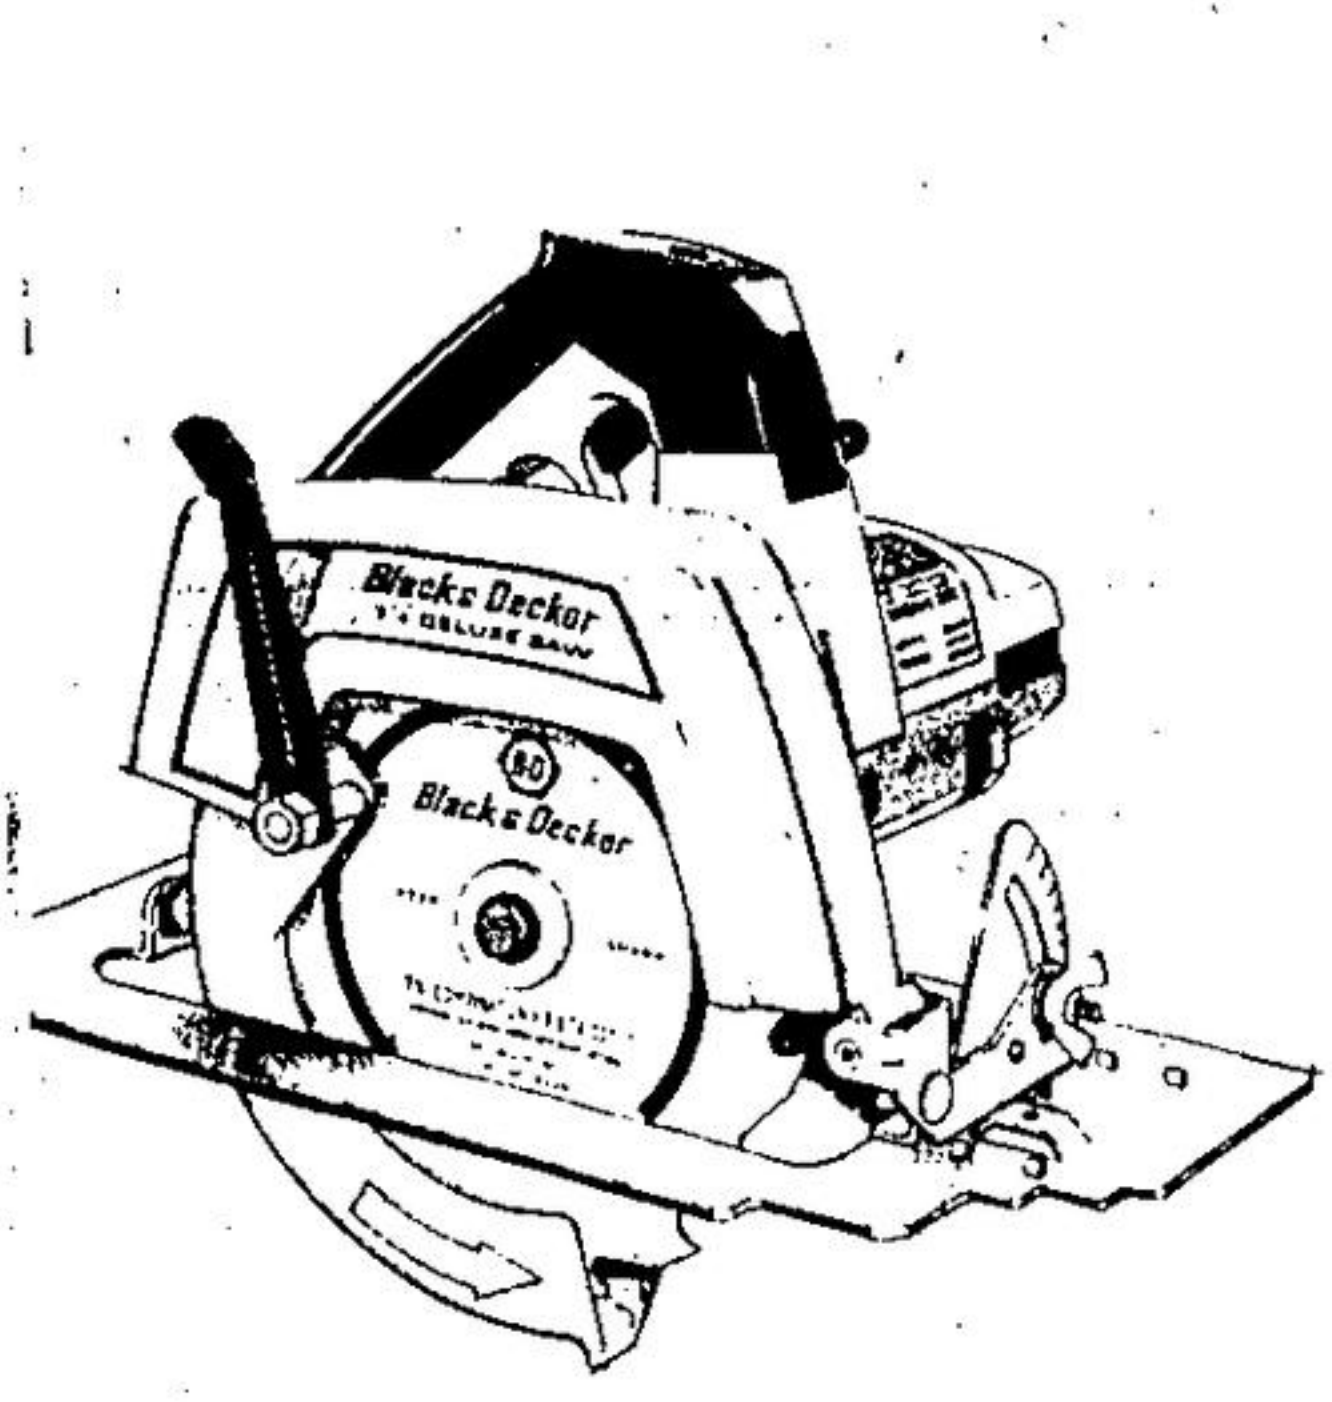

The committee is offering free heart-shaped decals to handicapped residents of the region. The bright red decals are to be placed on the window in the front door, or the window nearest the front door, to alert firefighters in case of an emergency that there is a handicapped person or invalid living in that building who may require special assistance.

In apartment buildings, decals are placed behind the glass of the intercom system in the lobby and the apartment number will be noted on the decal.

Decals are available from all the fire halls in Halton Region, at no charge.

Committee chairman Capt. Jim Coulson of Milton Fire Department said the "Have a Heart" program has been running about a year and to date approximately 100 decals have been distributed, but the committee feels there are more invalids or handicapped persons who should be displaying a decal on their place of residence.

"The heart program is not a substitute for fire safety or responsibility," Capt. Coulson stressed. "Firefighters will always make a thorough search of any building but the decal will alert the firefighter to look for an elderly or handicapped person. "Heart decals point the way to a speedy rescue," he said. "They are intended to be an extra safety aid, not a substitute."

Black & Decker 7 1/4" Circular Saw

Deluxe 7 1/4" saw is roller bearing equipped at heavy load points for long life. Handle placement gives excellent balance and control. Burnout protected motor ensures years of dependable service.

Additional features:

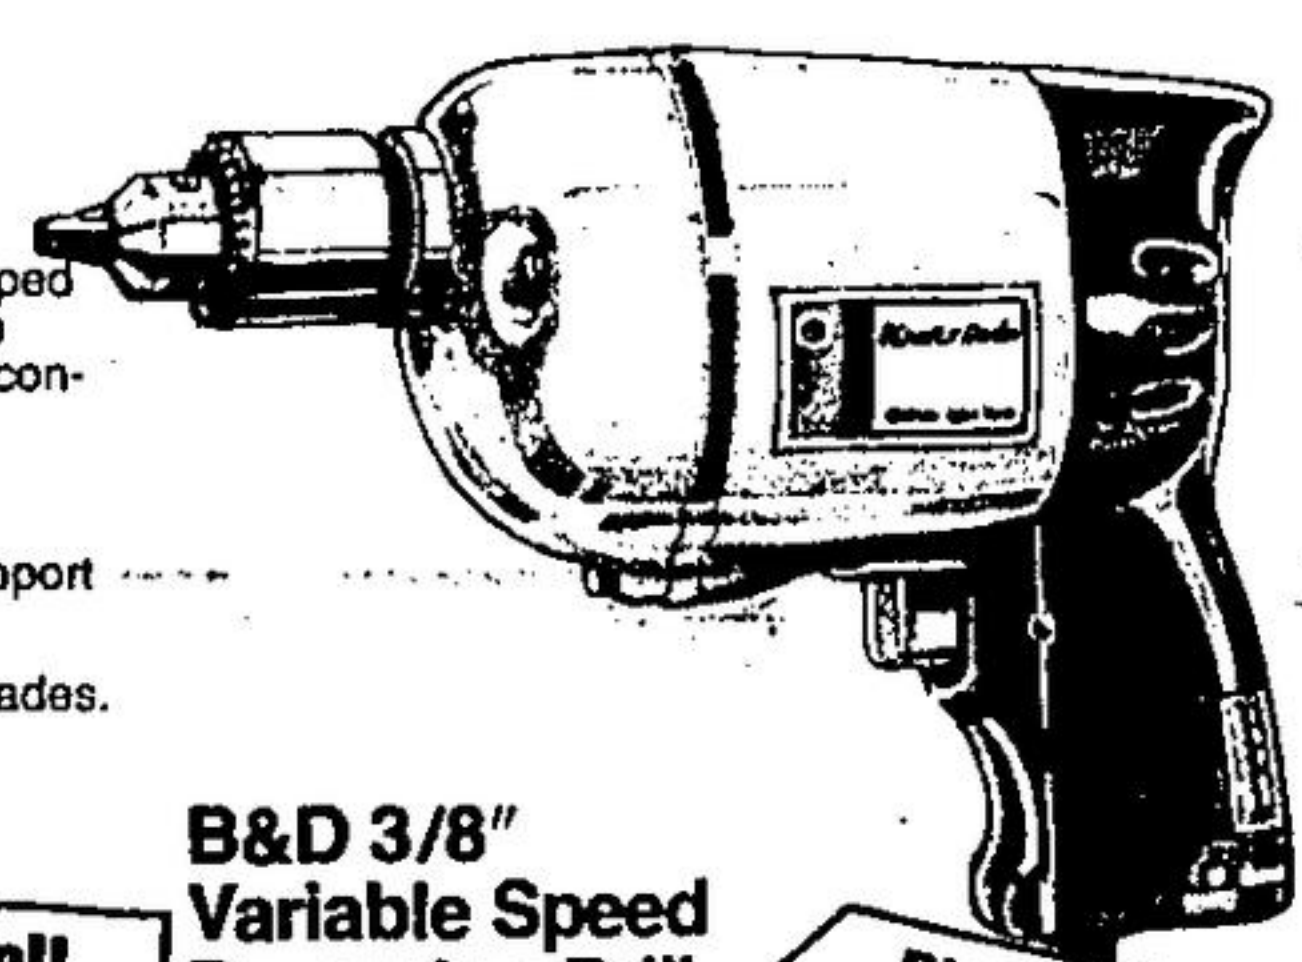

- Wrap-around steel shoe for added support
