**4-H girls complete fall course**

By Winnifred Smith

Halton 4-H Achievement Day "Let's Bake Bread" was held at the E.C. Drury School, Milton, on Saturday. Two groups from Ballinafad were among those participating.

No. 1 group put on a demonstration of bread making techniques. Those taking part in the demonstration were Marion Jamieson, Jean Shorthill and Shelley Wilson.

Ballinafad No. 2 put on an exhibit of "Holiday Breads" with Sharon Kirkwood as commentator.

Jean Shorthill from No. 1 group received a County Honor certificate and Marion Jamieson, also from Ballinafad group 1, received Provincial Honors. Mrs. R.B. Kirkwood, Ballinafad, was presented with a Canada Council Leadership certificate for being a leader of a 4-H Homemaking Club for five years.

Miss Lorraine Holding, Home Economist for Halton-Peel was present to welcome all. Miss Barbara Cowan, home economist for Wentworth County was the special guest for the afternoon and commented on the exhibits, skits, etc. Each girl was presented with a certificate and a silver spoon. This seemed to be a very popular club for the girls. Spring course is to be "Creative Stitchery".

Mrs. Floyd Shorthill was hostess for a Tupperware Party on Tuesday afternoon. Neighbors and friends numbering around 12 were invited to a dessert luncheon. It was a school holiday and Jean was home to assist her mother with serving the ladies with a delicious dessert and tea. Mrs. Lill Kurts had all the latest Tupperware on display and demonstrated each one fully in an entertaining way. It proved to be an interesting afternoon.

Those attending church on Sunday were privileged to hear Rev. Stiles give a most inspiring message on

Stewardship. The men's choir and their wives met after the service. They intend to set up an organ fund for repairs on the present Church organ or a replacement. There will be an opportunity at a later date for anyone who would like to donate toward this necessary fund.

We welcome Mr. and Mrs. Usher to the village. They are living in the home formerly occupied by the Hancock family.

Mr. and Mr. Lloyd Marshall moved into their new home on the weekend. Mr. and Mrs. Miller and the Polo family were present to assist their parents with the move from the trailer home.

Several members and friends of the W.I. were invited by Greenock W.I. to a social evening and entertainment at Opreng Church on Tuesday evening of last week. Mrs. Moffat who is no stranger to W.I. members is known equally well for her skill and talent in producing beautiful music from her string of bells. She delighted all with the many selections which included, "How Great Thou Art". Mrs. Ernest McEnery played the piano for a singsong.

Mr. and Mrs. Clare Burt were present. Mr. Burt showed slides of their visit to China. He commented on each one and told many first hand facts on how life is in China. He had many favourable comments on how the Chinese live and what they saw of the Chinese.

Mrs. Archie Gates, president of Greenock W.I. thanked Mr. Burt for taking time to come to tell of his visit. Three groups of 4-H Homemaking girls served a tasty lunch of different breads which they had made.

Mr. and Mrs. Richard Shorthill were at Parry Sound on the weekend where they were guests of Mr. and Mrs. Ted Kendrick and attended the wedding of their son Ricky Kendrick.
