Girls adapting to hockey

By Shirl Richmond

Organized hockey for girls, long a hope for this writer, is now a reality and a functioning part of the GDMHA. Under the capable direction of my husband, Bill Richmond, the girls have undergone a five-week instruction clinic in the basics of hockey such as skating, puck handling and conditioning.

The results are most encouraging and the girls have made a smooth transition from figure skates to hockey blades. Ages range from nine to sixteen, small to big in size and all girls are large on determination.

Divided into two teams, Team Orange (Independent Order of Foresters) and Team Blue, the girls play their league games on Saturday afternoon in the new arena. Herb and Sheen a Kewley coach Team Orange with Joyce Inglesias in charge of Team Blue, helped by Linda Fleming and Blake Emmerson. Team Orange drew first blood last week when they eked out a 3-2 win.

TEAM ORANGE (Independent Order of Foresters) Michelle Fisher, Rose-Ann Girardi, Barbara McIntyre, Dianne Taylor, Bonita Kennedy, Penny Patterson, Lori-Anne Thorpe, Deborah Osborne, Janet Garton, Kelly Moores, Linda Donalds, Christine Girardi, Monica Pollock, Christine Lawrie, Beth Kewley, Teresa McGarry.

Additional Soccer Notes

Haddy Smedema has indicated he will step down as president of the association at the end of this year and take a well-earned rest from GMSA. No one better deserves a vacation. The amount of time and effort Haddy has devoted to providing a soccer program for Georgetown is staggering. The kids who played, their parents, members of the association and the town in general owe Haddy a debt of thanks. He will be missed next year.

Smedema replacement top on annual agenda

The Georgetown Minor Soccer Association will hold its annual general meeting on Sunday, December 7, 1975 at Cedarvale. The meeting is scheduled to start at 10 a.m.

Major Atoms riding high

The Georgetown Major Atoms continue to ride high on a streak that has seen them notch 11 wins in 14 games thus far this season. They've tied another two and have only lost one. A pretty impressive record for the hard working firefighters squad.

The Major Atoms tacked on another two wins this past week. One of their best games of the season saw them battle from behind twice to earn a final 4-3 victory over Oakville. Hitting for the Firefighters were Eric Clark, Maurice David, Mike Stone and Greg Muir with assists going to Jeff Moore, Bobby Bouchen, Sandy Watson and Eric Clark.

The other Georgetown win of the week was at Guelph's expense. The local Major Atoms dropped the Royal City crew 4-1. Flaming the net for Georgetown were Howie Oram, Eric Clark, Andrew Braun and Mike Stone with assists going to Blake Harrison, Oram, Maurice David with two, Sandy Watson and John Pryce.

thanks. He will be missed next year. Trophies for the teams finishing first in their division are nearing completion and should be ready by the time of the general meeting. The coaches of those teams should be able to pick up their team's trophies at that meeting.
