Legion Lines

By Roma Timpson

Regional Crib was held in the upstairs auditorium last Saturday and was hosted by our Ladies Auxiliary and if you follow the sports activities of our auxiliary at all, you would automatically assume that the ladies would come out on top as winners and you would be so right.

The winning team was Barb Burns, Peg Harley, Joyce Markham and Dot Day. We also had another team come in second, and they were Rita Rudiger, Maureen Finlay, Nell Chaplin and Mary Russell. The girls from Huntsville were third, Brampton were fourth and another of our teams came in fifth. This team had Bernice Emmond, Dot Lusty, Lottie Bottoms and Jean Reid playing. Congratulations to all of you.

These teams will now go on to Provincial Finals on June 19 in Cornwall. Sports Officer Hazel Dumper extends her thanks to all who helped in any way to make the day the success it was and a vote of thanks to all the men who helped taking the tables up and down stairs.

Saturday evening our initiation team was at Branch 609, in Bramalea to take part in that branch's members night. There were quite a number initiated and a very nice evening in all. Branch Pres. Denny Wright and Dorothy went down for the evening, as did Norm and Ada Ward, Alice and Tom Elliott.

Sunday the Imperial Section held their monthly meeting and three senior officers of the branch were there as guests. Pres. Denny Wright, Harold Badham, first vice-president and Pat Chamberlain, second vice. Another welcome guest was Dave Rance's father-in-law Karl Olason of Stockholm Sweden. Here two years ago. Returning home Dec. 8. Section wives and ladies aux. were thanked for their efforts during the section's dinner and draw of a week ago.

Another guest at the meeting was Major Burke C.D. of the Gurkha troops attached to the Queen's York Rangers. He is an ex-commanding officer of Gurkha troops who spoke on the aims and objects of the Gurkha Welfare Appeal Fund. Of all the monies collected 96 percent goes to Gurkha and with less than 4 percent going to administrative purposes. Branch Pres. Denny Wright tells me that at our general meeting this Thursday, Major Burke and hopefully General Kitching will be present to show a film on the Gurkhas. They will also have with them several souvenirs for sale in time for Christmas giving such as ashtrays, linen, tea towels, wall plaques, books, records, (pipe and brass bands) priced at \$7.00 and \$2.00, genuine leather Gurkha Scabb Rds badges from the regiment. All reasonably priced. This appeal is a fund set up for the Gurkha ex-servicemen and their families in distress in Nepal. I read in our Legion magazine that there are 450,000 Gurkha ex-servicemen and their families that are eligible for assistance. This fund is solely concerned with the relief of poverty, suffering or distress and financial, medical and educational help is provided through the Gurkha welfare scheme.

Plan to attend this meeting Comrades and hear and see more about these dedicated men and at the same time help them financially. Next Imperial meeting is Sunday, Dec. 7, 2 p.m.

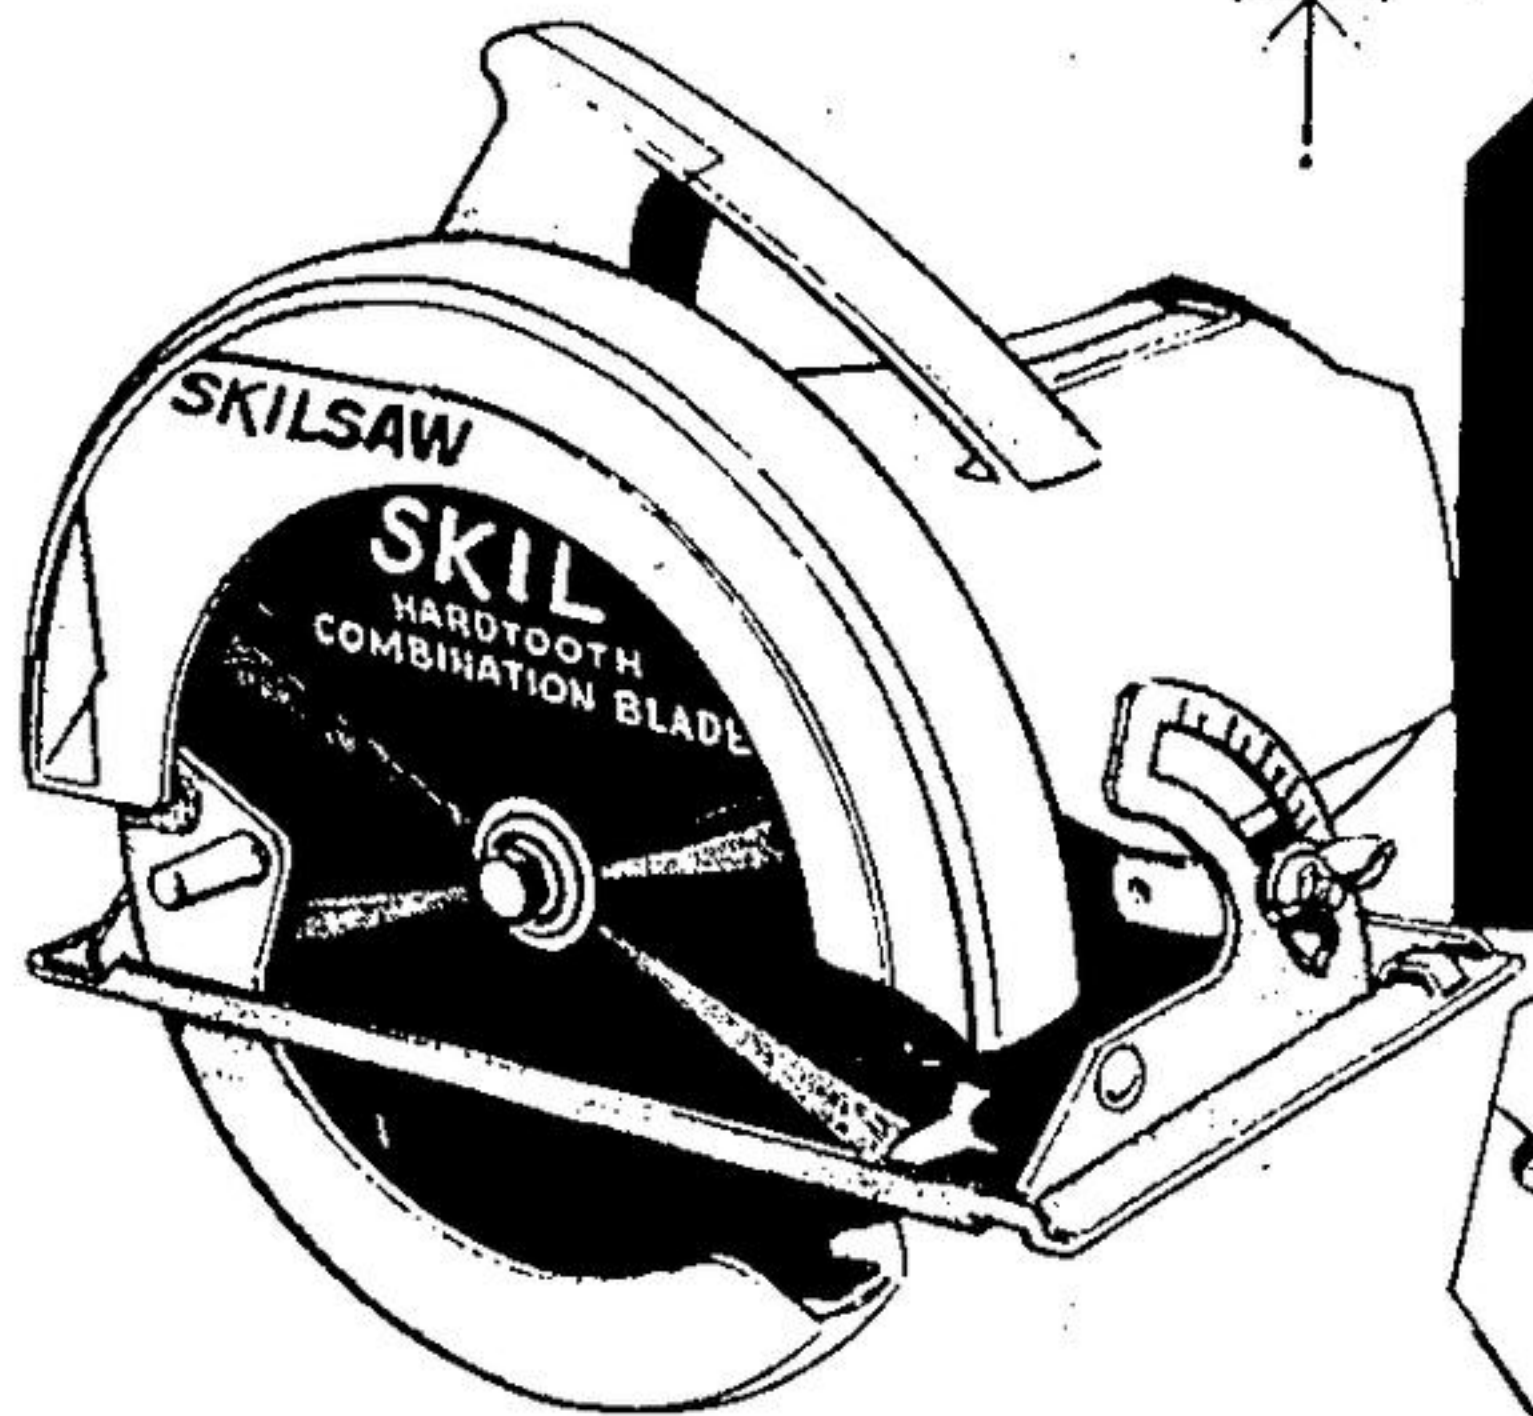

I guess it is safe to say that our lovely summer-like weather is now over so how about those lawn chairs that you feel need repairing? How about taking them down to either your branch, clearly marked with name, address and phone number or even a better idea is to take them to the ARC workshop in Hornby yourself, and at the same time look at their many beautiful (and inexpensive) items on display. They have mugs, vases, ashtrays, cookie jars, gorgeous Christmas trees with miniature lights, candle holders, and many other gift giving ideas.
