

**CHRISTMAS BAZAAR AT ST. GEORGE'S** St. George's Women's Auxillary held their annual Christmas Bazaar last Friday. Betty McHale, a member of the auxillary decided to get her shopping done before it was too late. Standing on the opposite side of the baking table is fellow auxillary member, Anne Coombs.

## Local clothier loses to St. Catharine's firm

After providing Georgetown firemen with firefighting uniforms for many years, Henry's Clothing on Main Street has been out-bid by a St. Catharine's company for the business and Councillor Ernie Sykes is upset.

"If there are going to be tenders called I don't mind at all having local merchants bidding on them, but it's wrong to take our business outside of town."

"He's accepted this business for years. He knows the problems and he has had to handle them. Now we're going out of town just because their prices are \$10 lower."

The St. Catharine's firm submitted a bid on the outfits that was \$10 per outfit lower than the local clothier could provide them. The town's purchasing agent, following the procedures outlined in the

town's purchasing bylaw, accepted the lower bid.

"Local merchants," countered Councillor Sykes, "should be supported as much as possible as long as their prices are fairly competitive."

The purchasing agent has been asked by the town's finance committee to prepare a report on the bidding on the clothing in time for the committee's next meeting.

## 'Police charge in car theft

Halton Regional Police, District One investigated the theft of an auto which was removed from the lot of J. J. Texaco on Guelph Street.

The incident occurred last Friday. A Georgetown man was arrested and charged with the offence.

In connection with the auto theft, the same man was later charged with possession of stolen goods after using licence plates stolen from Peel.

The Master Feed shop at Stewarttown on Halton Road 3 was the scene of a break and enter that same night as unknown persons entered through a rear window and removed keys to a pop machine and filing cabinet along with cash.

Police are still investigating the forcible entry.

Charges are pending in connection with a theft of a salt and pepper shaker set and sugar bowl from a local restaurant after a dissatisfied client refused to pay his bill and left the scene shouting and swearing.

Police have advised the offender that he has 24 hours to make restitution to the east end restaurant.

An employee of Sheridan Nurseries reported to police last week that an unknown person broke the front windshield of the company bus parked in front of the main nursery building.

A Georgetown man was assaulted last week in the beverage room of a local hotel.

A pair of Citizens Band aerials were reported stolen by a Sargent Road resident last

Saturday from his vehicle parked in his home driveway. Value of the goods was estimated at \$30.

An RRI Georgetown man was found laying on the sidewalk at the Georgetown Market. The 45-year-old man was found to be intoxicated and taken to Georgetown and District Memorial Hospital for observation.

## Varian helping Brazilian bettors

Two computerized pari-mutuel type systems valued at close to one million dollars will be supplied to the Jockey Club of Sao Paulo, Brazil, under the terms of a contract awarded to Varian Canada of Georgetown.

These systems will handle wagering and other functions for both on-track and off-track betting operations in the Sao Paulo area.

In addition to the two Varian computers the contract calls for fifty "T-Scan" terminals capable of accepting and processing wagering cards completed directly by the bettors. The bettor simply marks his bets or bets on a standardized wagering card.

When the card is placed in the "T-Scan" terminal the computer system automatically records the bet, and prints a

confirmation on the card along with the total amount bet, all within four seconds or less.

These unique Canadian designed and manufactured "T-Scan" terminals form the basis for this automatic wagering system and, because of their proven reliability and effectiveness, were a major factor in the selection of the Varian system.

At the Brazilian Stock Exchange in Sao Paulo, one of the world's most modern and successful exchanges, Varian "T-Scan" terminals have been in operation for over two years, processing transactions valued at more than \$50 billion, without a single processing error.

Varian's computers have been used for many years in most totalisator systems around the world, and in

combination with "T-Scan" terminals are capable of efficiently handling the Brazilian wagering

requirements, which are more complex than those of Canada or the U.S. Similar Varian systems

are also available for use in processing orders, reservations, educational examinations etc.

## Good Neighbours Christmas aid organized

By Roma Timpson

Action is beginning already since last week's notice in this paper. Many gifts have come to the house all nicely gift wrapped. Cheques have been forwarded to me and the phone has been ringing with offers of help. Thanks so much, it is really appreciated and we can see where this year's campaign will be a successful one even though we may not be able to reach businesses, merchants and the people

through the mails as in the past.

The Kinettes will look after all toys again and the addresses are 8 Weber Dr., Peg Elliott and 79A Charles, Sue Cooper. Yes, we will also accept toys and forward them to the Kinettes and also clothing which we believe we will have a ladies group looking after.

Don't hesitate to call me at 877-9135 if I can help you with an inquiry or if you want to help.

"Tut" Harrison may also be contacted and Linda Wright, Lions, Leos, and Lionettes are helping as are the Royal Canadian Legion, Branch 120, Halton Regional Police, and many other individuals of town. This is a combined effort remember.

Much of the food is received from the students at school but much has to be bought (this has already been ordered) and we will need money to pay for this food and the turkeys. I'm hoping to hear from you.

# FABRIC RAMPAGE

SALE ENDS

SAT., NOV. 29th

**Sew your own Beautiful Fashions with fabrics from Zellers**

**Rolled Fabrics**  
36" 45" and 60" wide Large selection of assorted fabrics and colors.  
Reg. \$1.00 per yd. **2 \$1.00** Yds for SALE
