**O'Flaherty rink wins 'November Spiel'**

by Peggy & Bill Treahy  
 Now that the season is well underway some of our curlers have been competing at other clubs. Saturday, Nov. 29 our business girls entered a rink in the Dundas Granite Club's "November Fest Spiel". They came away victorious bearing the trophy. Congratulations girls, well done!  
 The rink was skipped by Marg O'Flaherty with Peg Crichton, Sharon Wood and Lynn Gerrard. Dundas Granite was invaded by yet another rink from our club on Wednesday Dec. 3 in the

"Humfliter Spiel". Our girls came away as high one-game prizewinners. The rink was skipped by Beite Broomhead with Ethel Murdy, Doreen Geofreda, Peggy Treahy. Monday prizewinners in the Men's Competitive League were: 7 p.m. skip Gord

Campbell, Ron Atherly, Sam Mackenzie, John Edgar. 9 p.m. draw winners were a rink of three only, skip Dunc Money penny, Gord Campbell, Pat Chamberlain.  
 Saturday December 6 Doreen and Mike Geofreda ranour Annual Turkey Spiel.

They did a great job and it was good to see so many new curlers signed up. For some reason curlers seem reluctant to sign up for spels, they shouldn't be, because this is where the real fun in curling is, especially mixed events. So watch the notice boards new curlers and sign up for all events.

**Men's basketball proves more popular**

After two weeks of men's recreational basketball two clubs are becoming increasingly obvious. First, everyone is enjoying the league more this year thanks to the high calibre of officiating.

Second, about six more players are needed to give all the teams enough depth for a whole season. Anyone interested in playing is asked to come to Georgetown District High School this Thursday night.

Jim Costigan with 16 points and Vern O'Neil with 13 points. Gary Louth topped the Brave's output with 12 points and Pete Walker followed with six.  
 In game two Pete Lauderdale hooped 18 points to lead the undefeated Warriors to a close 53-52 win over Rudy Lipp's Lakers. Rudy scored 18 points in 2 losing cause followed closely by Ron Burnett with 15.  
 Tom Adams was second high man for the Warriors hooping 12 points.  
 The last game of the night saw a defensive battle with the Knicks, led by Larry Scott, Keith Rouson and Don Hurley, prevailing over the Celtics, 37-

28. Scott notched 10 points for the Knicks and Hurley, six. Bill Lansborough netted 14 points for the losers while Doug Faragan added six.  
 Jim Costigan, thanks to his latest outing, is now at the top of the league's scorers list with a 16.5 point average. Adams is second with 14.5. Lauderdale, Ridley, Shaw and Lipp are all tied for third with 14 points.  
 After two weeks the Warriors and Cougars now find themselves deadlocked with two wins apiece; Lakers and Celtics are tied in second with a win and a loss; the bottom of the barrel at the present time is occupied by the Celtics and Braves who hold 2-0 records.

**Atoms edge on top**

The Georgetown Major Atom Firefighters have moved three points ahead of Burlington on the top of the heap of the Tri-County Major Atom division thanks to a tight 3-2 decision over Streetsville Sunday.  
 Eric Clarke opened the scoring for the firefighters with just one minute of play under the teams' belts. Jeff Moore and Maurice David drew well deserved assists on

the scoring play. Three minutes later Maurice David took the puck the length of the ice, made a nice move and made it 2-0.  
 The Major Atoms would like to congratulate F. Allard of Delrex Avenue, the winner of this year's lucky draw held by the team.

Streetsville got on the scoreboard in the second period but Georgetown's security goal came from Greg Muir with assists going to John Pryce and Dave Doucette.

Streetsville managed one

**Benoit: The man behind the Raiders**

By Teresa Vermeer  
 After Friday night's game against Dundas, I realized that there was one member of the Raider team who had been badly neglected. It was brought to my attention when a

seeing that the team towels are washed, providing post-game refreshments and handling the gate of the team bench. A trainer must be organized, resourceful, outgoing and knowledgeable in various areas, in order to succeed in his position to the extent that Reg has. Reg's background is full of very diversified activities and each of them has in a direct or indirect way, aided his work as trainer with the team.  
 Reg went through the ranks in organized hockey, from

Atom 'A' to Junior 'A' in Cornwall. Later he became involved with judo for a good many years, and he has also received quite some training in first aid. A real highlight in his background is his opportunity to have taken weight-lifting in Ottawa with the Olympic team!  
 In regards to the Raider team, Reg believes that: "Once the right combination has been formed, the Raiders should be a very hard team to beat!" Reg also stated that he finds Junior Tibbets very compatible to the players, due to his experiences as a player, and as a linemate of some of the present Raiders.  
 It is no wonder then, why the Raiders have been able to come on so strong so early in the season. With a very capable coaching staff, and excellent backup by the manager-trainer, the players have all the leadership needed for a trip to the top of the league! And whenever, the

team sags into a slump, you can bet the Reg Benoit will be right there to pick them up and end the slump!!

Hounding Raider team came back in the third period, all fired up to win.  
 Most of the ammunition for this "firing up" was supplied by Reg Benoit.  
 Reg has become a "Jack of all trades" for the Raider players. For the past three years he has acted as trainer for the team, and this year he was approached to take on the duties of manager as well. In these positions, Reg has willingly, and most energetically taken the responsibility for handling the players' equipment, providing transportation for the team on road trips, working on player relationships and has even filled in the coaches spot behind the bench from time to time.

Besides these major responsibilities, Reg must make time for seemingly trivial matters such as getting the necessary gum supplies,
