

### Liberals select delegates to Toronto meeting

Peter Walker and Laurie Harris of Georgetown will be among local Liberal Party members representing the Halton Liberal Association at the party leadership convention in January.

Mr. Walker and Mrs. Harris were selected to represent the Halton Liberal Association at an association meeting Friday night in Hornby. Also selected were Elizabeth Robson of Esquimes and Sirm Streek of Oakville.

Judy Savage, Peter Mathews, Terry Johnson and Ernie Zeckman, all of Oakville will take the delegates' places at Toronto's Four Seasons Sheraton Hotel January 23 in the event of their absence.

MP Dr. Frank Philbrook and riding association president Walter Elliot will attend the conference as ex-officio members.

Mr. Elliot said that Dr. Philbrook has invited Finance Minister Donald McDonald to speak at a fund-raising dinner set for March 13.

### Seventy families on Neighbours Xmas list

By Roma Timpson

Offers of help, toys and food are coming in by the dozens but what I am really short on are cheques. Letters have been sent to all the schools and our local police department are all set to make the pick-ups from the schools on Thursday December 18th. The food that has to be ordered has been ordered.

Last year it cost us over \$1,000.00 (closer to \$1,300.00) to pay for everything. So far this year I have received about \$300.00.

If you wish to make out a cheque to the Good Neighbour Service, please do so and either send it to me at 53 McIntyre Cres. or drop it off at the Royal Canadian Legion, 127 Mill St.

No letter was sent out to the merchants, businessmen and business firms this year because of the mail strike and when it was over it seemed all my helpers were committed to other things and at this time of year it gets pretty hectic for everyone.

As yet I haven't heard just where I am going to pack all these baskets, so look for an announcement in next weeks paper so you will know where to drop off all donations whether it be food, toys or clothing.

Our Kinettes are still looking out for more toys, you can drop them off at 8 Weber Drive and 70a Charles St.

Pat Dello (Lionette) has offered to look after the clothing so anything good but used or new can be given to her. Her address is 8 Roydon Place and during the evening please, would be best.

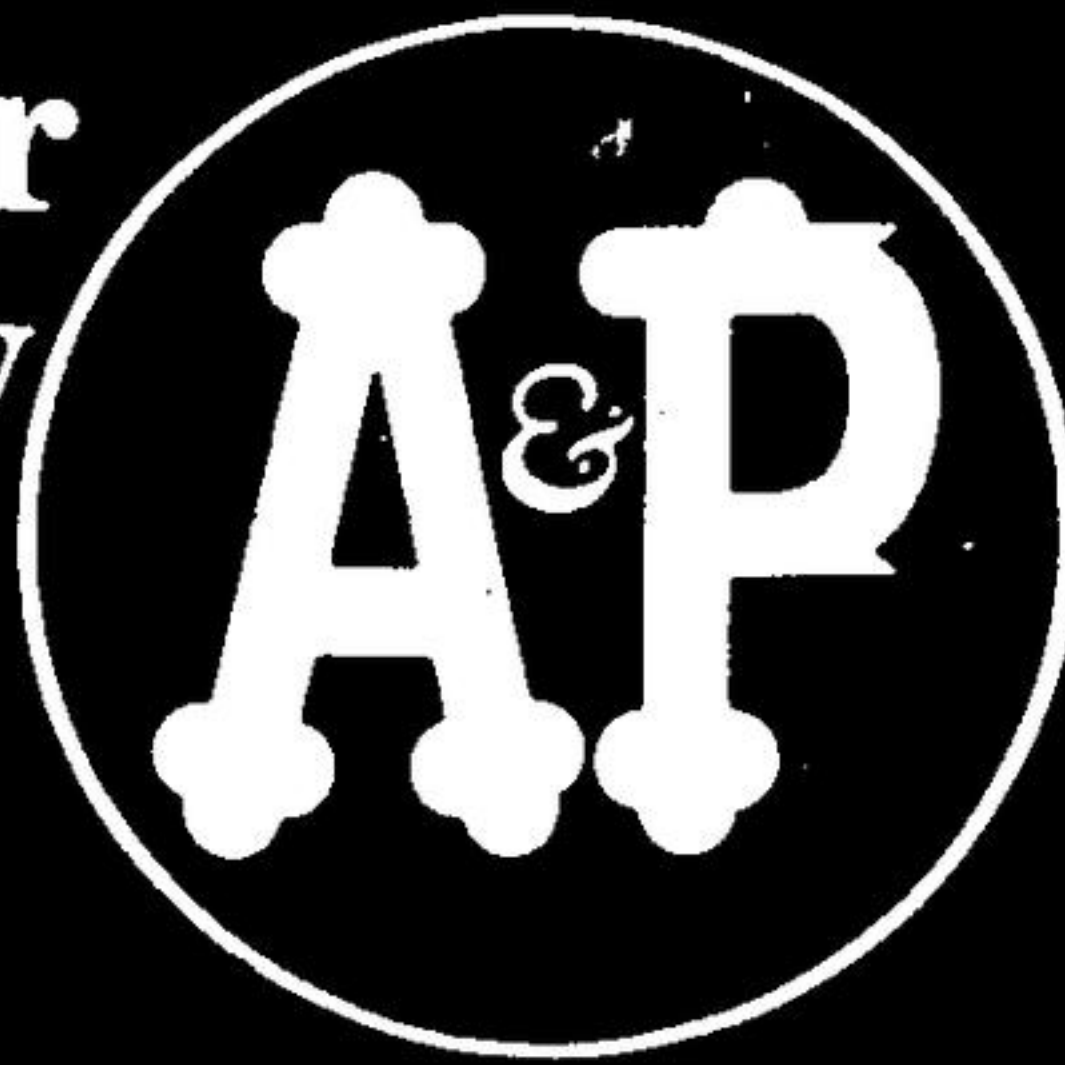

Last year we looked after just over 90 families. So far this year I have 70 on the list. Many mistakenly balk from having their name on this list as it still has the 'welfare' connotation behind it. This is not so. That's the reason we changed it to The Good Neighbour Service. That's exactly what it is. A service to those who may need assistance over the Christmas holiday season.

There are many reasons people need help. Illness being the most prevalent one. Many breadwinners are ill or have been ill and won't be going back to work in time to collect full wages in time for Christmas. Many are still hospitalized and will be over the holidays. There are children to think about. Many on our list are in need of assistance during the rest of the year, that's quite true, but we also want to reach those not on any list that may need help over Christmas.

I know that the school students look forward to donating to our fund to help those who need help and when better to learn this than at their young age. All names are kept confidential of course. Will you help us?
