LOBLAWS PRICE - FREEZE POLICY

Loblaws Price Freeze is actually a self-imposed price ceiling on all products covered by the Price - Freeze program. Where cost decreases are received from our suppliers Loblaws will continue to pass these decreases through to our customers.

Price - Freeze books listing prices in effect as of Friday, November 21st, 1975 are posted in all Loblaws stores at the courtesy desk to enable you to check the actual Freeze Ceiling Price.

Loblaws will continue to offer weekly advertised specials as usual during the 60 day Price - Freeze Period -- on food, non-food and general merchandise, as well as meat and produce.

Following the effective period of time for all advertised specials as indicated in our advertisements, those prices will be returned to a level not higher at which they were frozen on November 21st. - excluding fresh meat and produce, which remain subject to normal market fluctuations.

PRICES EFFECTIVE DEC. 17 TO DEC. 24. GEORGETOWN ONLY

WE RESERVE THE RIGHT TO LIMIT QUANTITIES.
