

Santa visited Georgetown Majorettes while he was here

A KISS FROM SANTA CLAUS—Little Rene Perrin couldn't get up enough courage to actually go up and get her present from the jolly old fellow but when he paid a personal visit during the Georgetown Drum and Majorette Corps' Christmas party last Thursday night Rene just had to thank him with a kiss.

LOOK WHAT I'VE GOT—Brenda Hyde seems to be a little more than pleased with her gift from Santa at last Thursday night's Christmas party for members of the Georgetown Drum and Majorette Corps.

1976 licences on sale

Ontario's Transportation and Communications Minister James Snow has announced that the 1976 licence renewal stickers for passenger cars and trailers went on sale December 1, and has urged motorists to purchase their renewal stickers early at any of the 296 licence issuing offices throughout the province.

"The introduction of the licence sticker system has resulted in fewer long lines at licence issuing offices as the deadline approaches,"

the Minister said. "We hope motorists will purchase their stickers early again this year."

The 1976 validation stickers for passenger cars are blue in color; those for trailers are red. The fees remain the same at \$23 for a 4-cylinder car; \$32 for 6-cylinders; \$40 for an 8-cylinder car; and \$5 for trailers.

Simplified renewal application forms containing an insurance declaration are available again this year at

all provincial L.C.B.O. retail outlets, as well as at licence issuing offices.

Failure to affix the sticker by the required date is an offence under The Highway Traffic Act of Ontario.

Owners of motor-assisted bicycles are reminded that licence plates for mopeds and drivers licenses for drivers of such vehicles also became available on December 1st.

Under the new legislation, there is an annual registration fee of \$5 for the operation of a motor-assisted bicycle.
