"Come Along" again

By Bob Olivier
Member, Outdoor Writers of Canada

The Credit Valley Conservation Authority is having another of its programs called "Come Along". As many people now know, these are designed to get folk out of doors during the winter season and to take part in the many activities available to them in their conservation authority parks and properties.

The first one last year was rained out to a great extent but the second one was a success. There will be skating, hiking, snowshoeing, cross-country skiing and a horse drawn sleigh ride. I will personally promise a great time.

The Bruce Trail Association will be there to help out with the skating and snowshoeing and Bill Garrard will once again teach survival in the winter.

This year there will be films shown in the pavilion, where hot drinks and food will also be available. This will be under the good care of the Keniters of Georgetown.

The "Come Along" will be held at Terra Cotta Conservation Area from January 11 till February 29 from 10 a.m. till 4 p.m. every Sunday. Head out to church and then to the activities there for some real winter fun.

The ministry of natural resources has published a booklet on canoeing and is available for 50c plus Ontario sales tax. This booklet has the canoe routes in Ontario and is aptly named "The Canoeist's Manual" and is loaded with hints and diagrams to help you better enjoy canoeing in Ontario.

Write Don Gibson Publications Ltd., 128 Pears Avenue, Toronto, Ontario, M5R 1T2. This book was written and illustrated by the well-known Omer Stringer.

This has been a good year for me in Ontario Outdoors. I hope it has been as good for you. I had the opportunity of starting the spring season off with a canoe trip with some very good friends, to do a little fishing and brush up on my own outdoor skills.

Talking about canoeing, I went out fishing with a friend in a canoe this summer and had the canoe but no paddles. "No problem" he said "I will bring them" I should have known better. Have you ever paddled a canoe with two hockey sticks??? It does work, but wow!!!

Some of the "better times???" were when fishing with another fishing friend. This one was an absolute wonder with a plastic worm. He could take fish with that thing when everyone else said there were no fish there.

I had a hard time matching him with my favourite spliner baits. A truly memorable year, and I only hope and wish as good a one for the coming year.

To all my friends, fishing partners and my many readers of all kinds—May January first be the start of an extremely good and active year in ONTARIO OUTDOORS.

This Saturday, January 3, 1976, will start the "Four Steps to Stardom" Tournament. The qualifying round will consist of the first eight games bowled by YBC members after December 31, 1975.

The bowlers must have bowled two-thirds of the possible games bowled by the league from October 19 1975, to January 31, 1976 to be eligible for the Four Steps to Stardom.

The top six bowlers in each division, based on flat (scratch) total pinfall for eight games, will constitute the singles and team representatives. The high average bowler of these six qualifiers, based on league averages of January 31, 1976, must be your singles representative with the remaining five qualifiers making up the team for the Zone Finals.

Remember bowlers, Bowl Offs do not count for the Four Steps to Stardom.

Don't disappoint the coaches and yourselves. Come on out and try. Everyone eligible has a chance to make it. Good luck and good bowling to all.

RENT REVIEW

IMPORTANT NOTICE

If you have entered into a new lease or tenancy agreement which became effective between July 30 and December 31, 1975, inclusive, you should know about two key provisions contained in Ontario's new Residential Premises Rent Review Act. The maximum rent increase for such agreements cannot exceed eight per cent of the last full month's rent charged prior to August 1, 1975, unless the landlord obtains the approval of a rent review officer or the landlord and tenant agree on a higher rate of rent.

Should a landlord and tenant wish to agree on an increase in rent above the eight per cent guideline, during the period July 30 to December 31, 1975, they must complete a rent increase agreement, substantially in the form below, no later than January 17, 1976. Copies of such agreements should be retained by both parties. The form below, or a copy of it, may be used.

If, after having signed such a rent increase agreement, the tenant wishes to revoke the agreement, the tenant may do so within 30 days of the date of the agreement by completing a statement of revocation similar to the one at the bottom of the form below.

By signing a rent increase agreement, the tenant waives the right to dispute the increase in rent agreed upon during the above period and waives the right to collect a rebate of rent as provided for in the act other than the amount of rebate, if any, stated in the agreement.

Such a rent increase agreement does not apply to the rental rate for any period after December 31, 1975, and does not constitute a waiver of the tenant's right to appeal the amount of rent charged after that date. Nor does it relieve the landlord of his obligation to obtain the approval of a rent review officer to charge rent after that date that is more than eight per cent in excess of the rent charged in the last full month the premises were rented prior to August 1, 1975.

Future advertisements will outline where literature is available on Rent Review, the location of offices as they are opened and where forms will be available. Until the Rent Review mechanism is in place, please do not telephone. For additional copies of this form, write to Rent Review, Box 580, Postal Station F, Toronto, M4Y 2L8.
