

GDMHA weekly roundup

Two squeakers for Bantams

by Shiril Richmond
This Saturday, January 10th, the GDMHA will offer for sale, used hockey sweaters. Canceled sweaters will be available in the lobby of both arenas between 10 and 12 noon. Sizes range from Atom (small to large) to Midget and the price is \$2 each. These are league sweaters that have been replaced during the last year.

Small but mighty is a phrase that often comes to mind while watching the novices play. Actual league play has just begun for our youngest participants and a new wrinkle this year requires the fans to have an additional set of eyes. The ice surface is divided into two parts and the nets placed sideways across the rink so consequently two games are in progress at the same time. Come out and see for yourself, an exciting brand of hockey on Fridays, 4:30 to 7:30 p.m.
